

Epsom Choral Society - Haydn & Mozart

24 February 2025

Our next concert is a wonderful programme of Haydn and Mozart choral works taking place in St Martin's Church, Epsom. Nelson Mass and *Insanae et vanae curae* are two of Haydn's most dramatic sacred works. Mozart's *Solemn Vespers* includes the famous *Laudate Dominum* which he composed for his own wedding and is performed at many such occasions. Mozart's *Ave verum* was written 6 months before his death in 1791 and is one of the most beautiful motets ever written.
