

Epsom Jazz Club - Fraser Smith Quartet

17 August 2023

Playing at Epsom Jazz Club this October – quite simply an all-star lineup of UK Jazz musicians.

Saxophonist Fraser Smith has brought together some of the best on the scene; Steve Brown on drums, Rob Barron on keys and Simon Read on bass.

In 2022 they recorded an album together, primarily comprised of Fraser own compositions, and in April 2023 released “TipTop!” to huge acclaim.

An album launch at Pizza Express Soho commenced a tour across the UK, and now for the Autumn leg of the tour – we can’t wait!

Another not-to-be-missed evening of Jazz in the calendar.
