

Epsom Jazz Club presents Atlanticus

Come along and join us for an evening of great jazz! For our June performance, we present ATLANTICUS. Drawing on the traditions of the great Hammond organ groups, ATLANTICUS's groove-based sound is a modern fusion taking in blues, hard bop, modal jazz, boogaloo and Afro-cuban rhythms. The line-up comprises of a transatlantic musical partnership bringing together Brighton-based British band-mates Terry Seabrook (organ), Jack Kendon (trumpet) and Milo Fell (drums) with American saxophonist Peter Fraize.
