

Epsom Jazz Club presents Hannah Horton

13 June 2026

For our June gig, the final one of this season, we are delighted to welcome back Hannah Horton, who last visited us in 2024. Horton is a master of her principal instrument, the saxophone, as well as being accomplished on flute, bassoon and clarinet. In addition to these talents she is also a successful composer, bandleader and recording artist. Her visit is part of a tour for her new album, *Stories on the Wind* and she will be joined by the rest of her quartet: Sam Leak on piano, Rob Statham on bass and Steve Taylor on the drums.
