

Epsom Jazz Club - Sat 5th Aug 7.30pm - Nat Steele Quartet

After the overwhelming success of our maiden weekend concert in March, Epsom Jazz Club is pleased to announce another bonus Saturday evening gig this August!

Nat Steele brings his quartet to Epsom with 2 sets of swinging, modern straight-ahead jazz, with a tip of the hat to the great vibraphonist Milt Jackson in celebration of Jackson's centenary year this year. The band features pianist Rob Barron, Jeremy Brown on bass, and Mark Taylor on drums.
