

Free Concert - Red House Rhythm & Blues

10 February 2026

Rhythm & Blues has its roots in the spirituals of the African American slaves, but since the middle of the last century its blend of gospel, jazz and pop has been loved the world over. St Martin's Church is delighted to welcome back to its afternoon concert series the wonderfully entertaining duo of Chris Hollingshurst and Danny Wignall who show how magical and fun this music is.

Admission free but we ask for donations from those who can.
