

Holloway Documentary Screening & Q&A at Epsom Picturehouse

Join us for a special screening of the award-winning documentary HOLLOWAY, followed by a live Q&A focused on mental health, trauma, and healing within the women's prison system - a topic at the heart of our work supporting women affected by the criminal justice system.

Directed by BAFTA Breakthrough Brit Daisy-May Hudson and EMMY-nominated Sophie Compton, HOLLOWAY was created through a trauma-informed co-creative process with six contributors: Aliyah Ali, Mandy Ogunmokun, Sarah Cassidy, Lady Unchained, Gerrah, and Tamar Mujanay. The film won the Audience Award at the BFI London Film Festival and continues to spark urgent conversations across the country.
