

Service of Remembrance for the Victims of Slavery

10 March 2025

All are welcome at this church service with the Bishop of Dorking to mark the international day of remembrance for the victims of slavery. We will:

Remember the tragedy of slavery and honour the victims

Repent the past cruelties and the racism and injustice today, and commit ourselves to

Repair the relationships between people and build a just and loving society.

Refreshments will be available after the service.
