

Surrey Philharmonic Orchestra May Concert

Join the Surrey Philharmonic Orchestra for a musical treat on Saturday 24th May at the Ashted Peace Memorial Hall. Beethoven's Egmont is both powerful & expressive, while the Bruch violin concerto no. 1 offers soaring melodies combined with lush & passionate orchestral writing. The concerto, with its notoriously difficult virtuoso passages for violin, will be performed by our very own orchestral leader, Joshua Hugo Von Bohlen. The Gounod 2nd Symphony is an understated but tasteful piece which is both polished & a delight to listen to.
