

Glyn students brighten the Borough

29 September 2023

Epsom & Ewell Borough Council and **Glyn School** have come together to transform an unused building on the site of the Upper High Street car park with a community mural funded through the Government's Safer Streets initiative.

Ten local secondary school students recently worked in collaboration with the council and international graffiti artists from **Positive Arts** to create a large scale mural celebrating the biodiversity within our borough. The artwork has dramatically improved the aesthetics of the building, which previously looked tired and in need of renovating.

Giving support to the project, Councillor **Clive Woodbridge**, Chair of the Community & Wellbeing Committee at Epsom & Ewell Borough Council, said: "It is a goal of the council to ensure that our natural environment is both celebrated and accessible to all. This project showcases how culture and creative practices can help to elevate the natural landscape of our borough in new and colourful ways.

"This type of project sits within the emerging Cultural Strategy for the council, which seeks to nurture and champion the creative talents within our community while increasing access to creativity for all to enjoy and engage with. The students' teamwork has also been extremely impressive and is something to be proud of".

Julian Phethean from Positive Arts said, "The young people were really determined to produce something they could be proud of and that's exactly what they achieved!

"All of the students worked well in a team, made a positive social impact, and displayed a high level of creativity, focus and drive."

A spokesperson for Glyn School said: "The students involved thoroughly enjoyed this unique experience to give back to the community in a very different way."
