

Green view of Mole Valley elections

12 May 2024

Dear Editor,

In Mole Valley national issues probably mostly impacted the main parties who lost support. However these local election results will be of little significance in the forthcoming General Election in Epsom and Ewell constituency for several reasons.

Firstly only a small area of Mole Valley falls within the parliamentary constituency of Epsom and Ewell, namely Ashtead and Leatherhead. While these two areas will be very important to our campaign in the General Election there did appear to be some tactical or protest voting in the local elections in

Mole Valley as there was no great change in turnout. In Leatherhead Liberal Democrats were elected with a similar vote compared with 2023 despite their record of supporting development in the Green Belt.

The Green Party targeted resources in the Dorking area of Mole Valley in order to maintain a previous strong showing there. Secondly, as local elections did not take place for the Epsom Borough Council area the bulk of voters in the Epsom and Ewell constituency were not able to express their choices at the ballot box.

Nevertheless the threat to the Green Belt will be one of the key issues in the General Election in Epsom and Ewell as a whole so voters will have a genuine opportunity to test candidates about this particular matter, which is of great priority for the Green Party, including in Ashtead and Leatherhead where we will be actively campaigning to galvanise our support there.

Finally, whilst votes were quite well dispersed across different parties in the local elections in Mole Valley there will be even more parties standing in the General Election in Epsom and Ewell including the Green Party. The share of the vote will also probably be quite dispersed as a result in the General Election and in this scenario tactical voting will be of limited benefit. In such circumstances voters will be well advised to vote for policies they believe in, as a surprise result is quite likely.
