Hook Road Arena plans

27 February 2023

This is the last of nine reports on the BIG PLANS for Epsom and Ewell proposed in the **DRAFT LOCAL PLAN** that is out for public consultation till 17th March. We do not intend to state any support or opposition but may ask some questions.

Hook Road Arena is owned by the Council and has for many years been the home of car boot sales, funfairs and annual firework nights. The plan is for residential and sports and recreation development, comprising:

- A new sports hub for the borough to include playing pitches (grass and artificial) a new pavilion and changing facilities on 9.5ha of the site that will be retained within the Green Belt.
- At least 150 net zero carbon homes on the eastern part of the site that will be inset from the Green Belt

The reasons given include the site has the potential to deliver recreational sports facilities and playing pitches. The allocation of this site will mitigate any losses of playing pitches (rugby) resulting from the allocation of the adjoining Ewell East Station (see our report HERE) . It may also help to meet additional playing pitch needs for ‘secure provision’ (i.e. community use protected through a legal agreement) both now and in the future.

The site will contribute towards meeting the need for housing in the borough.

When will the site be developed?

It expected that a planning application will be submitted early in the plan period, with development likely to start in 2027.

Planning officers note that any development proposal will need to incorporate mitigation relating to surface water flooding for those parts of the site that are susceptible. Also, the site could deliver playing pitches and potentially other supporting infrastructure such as changing facilities and a club house.
