

How to help “low-incomes” with your £400

The **Epsom and Ewell Energy Support Scheme** is a plan to offer those running into difficulties immediate help with their bills, and then advice and financial support to improve energy efficiency or reduce energy consumption in their homes and so reduce bills going forward. This might include buying a more efficient appliance for them or helping with improved insulation. The scheme is supported by local MP **Chris Grayling**

To help support this programme they are asking local households who have less difficulty paying for these higher energy bills to donate their £400 support payments to the fund so that it can be used to help reduce the bills of those who are struggling. If you are able to do this, they would be very grateful, and all other donations are of course also very welcome.

The Scheme is being run jointly by the **Good Company**, which runs the local food bank, and **Citizens Advice Epsom & Ewell** helped by local Churches. It will offer both advice sessions to help those who are not sure how to improve their energy efficiency as well as assistance paying for improvements.
