

Insurers against poverty?

19 October 2022

Citizens Advice Epsom & Ewell (CAEE) has launched a crowdfunding scheme with the **Aviva Community Fund** to raise money to deliver critical Cost of Living advice to local people. Aviva has selected CAEE to be part of the Aviva Community Fund where Aviva employees can allocate £25 (donated by Aviva) to their chosen charity project on the scheme. The crowdfunding scheme is not limited to Aviva employees – the public are encouraged to donate towards community fund projects. In addition, Aviva has pledged to match donations (one per donor) up to the value of £250 to help tackle the Cost of Living crisis.

Lisa Davis, CEO, CAEE said: “The Cost of Living crisis is affecting all of us with rising prices and concerns about the future. But for some, the crisis is truly devastating. People coming to us are understandably very worried about paying their bills, heating their homes and looking after their families. Demand for our services is predicted to grow this winter so this campaign is crucial to help us support the local community during this difficult time.”

CAEE is an independent charity and needs to raise funds to keep its services running for the benefit of the community of Epsom & Ewell. It gives free advice and information about many different issues including debt, benefits, housing and employment advice. This can include crisis support such as vouchers for the local food bank and funds to help with fuel payments. CAEE can check that people are claiming all the benefits and other money that they are entitled to and help with budgeting skills whether they are in debt or worried about managing their money effectively.
