

King's Award for Epsom based business

7 July 2025

Penta Consulting, an Epsom-based provider of global technology talent and managed solutions, has been awarded the King's Award for Enterprise in International Trade 2025, one of the most distinguished honours for UK businesses.

The award recognises Penta's exceptional growth in international markets and its proven ability to deliver secure, compliant, and scalable solutions across the globe. This prestigious recognition places Penta among a select group of British companies demonstrating innovation, resilience, and commercial success on the international stage. Winners of the award were invited to a royal reception at Windsor Castle and gain the right to use the official award emblem for five years.

"This award is a testament to our people, our partnerships, and our passion for delivering results for our clients," said Paul Clark, Executive Chairman and Founder of Penta Consulting. *"It reflects our team's dedication to delivering with expertise, integrity, and a global outlook."*

Penta Consulting CEO Aminash Patel added:

"This has been our best year on record and we're in a great position to keep this momentum. We're proud of being recognised for our international business, but we also do everything we can to make an impact locally. We support Epsom Pantry, a local food bank, the Jigsaw Trust, and many other local causes. We're on an exciting trajectory, so we'd encourage anyone interested in technology job opportunities to continue to check our website."

The King's Award win comes as the latest recognition in an incredibly successful year for the Surrey business. Penta Consulting has also been recognised with several other accolades in the first half of 2025:

- **Sunday Times Top 100** - recognising Britain's fastest-growing companies
- **Sunday Times Best Places to Work** - medium-sized business category
- **London Chamber of Commerce and Industry SME Business Awards** - Best International Business and Overall Winner
