Landmark pub re-assembles Tuesday

1 September 2024

The **Assembly Rooms** pub, in Epsom, is reopening at 8am on Tuesday 3 September, following an extensive refurbishment project, costing £1.375 million. The Mayor of Epsom and Ewell Councillor **Steve Bridger** (RA Stamford) will officially open the pub on the day.

The Assembly Rooms is a Grade II listed building. It was built around 1692, during a period when Epsom was renowned for its spa and as a fashionable retreat for the wealthy and aristocratic. The original purpose of the Assembly Rooms was to provide a venue for social gatherings, balls, and entertainment for those visiting the town to enjoy its spa waters.

The building is noted for its classical architectural style, which reflects the aesthetics of its time. It features a symmetrical façade and large windows, typical of Georgian architecture, intended to create an elegant and welcoming space. Inside, the building originally boasted a grand ballroom, which would have been used for dances and social events.

The **Epsom Protection Society** was active in ensuring the survival of one of the Borough's premier historic buildings.

With the decline in the popularity of Epsom's spa by the mid-18th century, the Assembly Rooms underwent several changes in usage. It adapted to meet the evolving needs of the local community and continued to serve as a venue for various events, including public meetings, concerts, and theatrical performances. There followed a period of retailing uses and emptiness until 1966 when it served as the offices of the National Counties Building Society.

Now a pub, first opened as a **Wetherspoon** in April 2002, it has been completely refurbished over the Summer months. The customer area has also undergone a full refurbishment, as well as the relocation and upgrade to the bar area, including an upgrade to the drinks dispense equipment.

The pub has been fully redecorated throughout, including the installation of a bespoke new carpet and additional furniture. Customer area air conditioning has been upgraded, customer toilets repaired and redecorated, and new artwork added to the customer area. External signage and lighting have also been replaced and upgraded.

The Assembly Rooms pub will be open from 8am until 12 midnight Sunday to Thursday, and 8am until 1am Friday and Saturday. Food will be served throughout the day, from opening until 11pm every day.

The pub will be open for family dining, with children, accompanied by an adult, welcome in the pub until 9pm, throughout the week.

Pub manager **Sel Devecioglu** said: “The £1.375 million investment highlights Wetherspoon’s commitment to the pub and its staff and customers, as well as to Epsom itself. We are delighted that we have also been able to create 15 new jobs for local people. The team are looking forward to welcoming customers back into The Assembly Rooms and we’re confident that they will be impressed by the new-look, upgraded pub.”
