Leatherhead Women top their league

15 May 2024

Leatherhead Women's FC finished the season on a high, winning the league without losing a single game. The team finished with a record of 15 wins, one draw and not a single loss in the league securing promotion into the Premier Division.

Specsavers have championed the team since its introduction into senior women's football, with new kits and banners and continued support from the team of opticians and audiologists.

The team plays every home game in Fetcham Grove where you will be able to see the new kits in action.

Specsavers retail director, **Mihaela Ovadiuc** said: "At Leatherhead, we strive to be a shining light within our local community, whether that be directly or indirectly. Supporting Leatherhead Women's has been such an honour, and we are all over the moon that we are extending the sponsorship. The club aligns with our commitment to promoting healthy and active living and takes pleasure in offering a secure environment for the local community."
