

Life savers installed across the Borough

Epsom & Ewell Borough Council have worked in partnership with national charity **Community Heartbeat Trust** to install 12 new 24/7 defibrillators across the borough. The project was delivered with funding secured via the Community Infrastructure Levy (CIL).

Defibrillators are designed to be used by members of the public with no previous experience in the event of someone going into cardiac arrest. They can, and do, save lives. The new defibrillators have been installed in the following locations:

- Market Place, Epsom
- Ebbisham Centre, Epsom Square, Epsom
- Town Hall (Rear entrance)
- Harold Bell Solicitors, 174 Kingston Road, Ewell
- St John's Parish Centre, Station Approach, Stoneleigh
- Auriol Park Café, Salisbury Road, Worcester Park
- The Parade Dental Practice, 177 Kingston Road, Ewell
- Ruxley Chemist, Ruxley Lane, Ewell Court
- Horton Pharmacy, Pelman Way, Epsom
- Horton Country Park, Horton Lane, Epsom
- Londis Convenience Store, Hollymoor Lane, Epsom
- NISA Convenience Store, Ruxley Lane

Councillor **Barry Nash**, who put forward the CIL bid, said, "After a lot of hard work by all involved, I am so pleased the defibrillator project has now been completed.

"I'd like to thank our partners from the Community Heartbeat Trust who shared their expertise with us, provided and installed all the defibrillators across the borough and will continue to provide a post-rescue counselling service."

Councillor **John Beckett**, Chair of the Environment and Safe Communities Committee, added, "You never know when a medical emergency may occur. Time can be extremely limited and having the right equipment on hand will save lives.

"The installation of these 12 new defibrillators will ensure the borough is prepared and our community is safer."
