

Nescot Students Celebrate Success at Epsom Downs Ceremony

Ewell based **Nescot College** students marked the culmination of their hard work earlier this month at the institution's annual Higher Education (HE) Awards ceremony, held at Epsom Downs Racecourse on 7 February. Around 90 graduands, accompanied by 250 guests, gathered to celebrate their achievements.

The event had a distinct Nescot touch, with students from various disciplines contributing to the proceedings. Travel and Tourism students welcomed attendees, while Music Production students provided DJ sets and live music throughout. Two Performing Arts students delivered solo performances during the formal ceremony, adding a special touch to the occasion.

Principal Praises Student Achievements

Addressing the graduates, Nescot Principal and CEO, **Julie Kapsalis**, described the event as "a wonderfully uplifting and poignant occasion," bringing together students of all ages.

"Higher education at Nescot attracts learners from diverse backgrounds, whether school leavers or those returning to education later in life. Many of our students have taken an alternative route to university, using our courses to embark on a new career or reignite a passion for learning. What unites them all is their inspiring journeys of personal and professional transformation," she said.

Degrees Awarded Across a Range of Subjects

Awards were conferred by Nescot's university partners, including the University of Greenwich, Kingston University, London South Bank University, The Open University, and the University of West London. Courses spanned subjects such as teacher education, osteopathy, animal management, sports therapy, counselling, healthcare play specialism, business, creative media, public services, and sport and exercise science.

Inspiring Guest Speaker Shares Career Journey

Among the guests of honour was **Dee Mathieson**, Senior Vice President and Managing Director of Elekta, a global leader in medical technology. A former Nescot student, she shared her career journey in the science and medical sector, highlighting her contributions to cancer treatment. Encouraging graduates to seize opportunities, she advised: "Take a chance. If it isn't the right opportunity, look for another."

Also in attendance were Cllr **Steve Bridger**, (RA Stamford) Mayor of Epsom & Ewell, **Helen Maguire** MP for Epsom and Ewell, Julie Giles MBE, Chair of Phab, and representatives from the Rotary Clubs of Epsom and Ewell, along with business leaders and other guests.

Annual Awards Recognise Outstanding Students

A number of special awards were presented during the ceremony:

- **The Olatunde Idowu Memorial Prize**, awarded to Holly Stuart for outstanding business awareness.
- **The Richard Maryan Prize**, recognising excellence in osteopathy, awarded to Luke Tanner.
- **The Dr John Osborn Memorial Cup and Prize**, awarded to Michaela Joseph in honour of the late Dr Osborn, who played a key role in Nescot's HE provision.
- **The Rotary Club of Epsom Raj Amodia Trophy and Prize**, awarded to Spencer Holmes.
- **The Rotary Club of Ewell Cup and Prize**, awarded to pre-degree HE student Jackie O'Connor.
- **The Principal's Prize**, awarded to Sienna Campbell, selected by Principal Julie Kapsalis.

Honorary Fellowships Recognise Exceptional Contributions

Two Honorary Fellowships were awarded at this year's ceremony, an accolade introduced in 2023 to mark Nescot's 70th anniversary.

The first was presented to **Yvonne Spencer**, Director of Science Capability at the Animal & Plant Health Agency (APHA). A former Nescot student, Spencer has been instrumental in developing the college's Level 6 Degree Apprenticeship in Laboratory Science. Her work has strengthened the partnership between Nescot and APHA, providing career development opportunities for science professionals.

The second fellowship was awarded to **Val Neame**, a former Nescot staff member, in recognition of her 47 years of service to the college. Described as a mentor and friend to many, Neame was praised for her dedication and the lasting impact she has had on both staff and students.

A Student's Perspective

Delivering the student vote of thanks, Jackie O'Connor, who graduated with a Foundation Degree in Supporting Teaching and Learning, reflected on the encouragement she had received throughout her studies. Paying tribute to her tutor, Mark Warner, she said: "I believe that if you have someone who helps you rethink how you see yourself and how others see you, that is a truly special person."

A Silver-Rated Institution

Nescot's Higher Education provision has been recognised with a **Silver rating in the 2023 Teaching Excellence Framework (TEF)**, including Silver ratings in the new categories of Student Experience and Student Outcomes. The accolade highlights the college's commitment to high-quality teaching and student support.
