Noble housing intentions?

18 October 2023

Crest Nicholson and the Vistry Group have partnered for a “sustainable development” initiative near Noble Park in Epsom. They plan to submit a comprehensive planning application to **Epsom and Ewell Borough Council** this Autumn. The proposal aims to construct around 90 new homes, with 40% allocated as affordable housing.

The project includes the creation of communal open spaces and green areas, featuring a community orchard and a children’s play area. Noble Park allotments will remain untouched, highlighting a “commitment to preserving community assets”. Additionally, plans include dedicated private parking facilities for allotment holders.

The developers have invited the local community to participate in shaping this initiative by providing input and ideas. Residents can offer feedback or seek more information through the ‘Feedback and Contact’ tab on the following unattributed website. http://nobleparkconsultation.com/

The project is located on 5.67 hectares of land to the east of the existing Noble Park development, at the intersection of West Park Road and Horton Lane, with vehicular access from West Park Road. While specific timelines depend on the planning process, construction may begin in 2025, contributing to family housing and affordable homes in the area. This initiative “aims to address housing shortages and bring positive change to the community”.

Epsom and Ewell Times can confirm that Epsom and Ewell Borough Council will meet at 7.30pm on 24th October, to decide whether to “un-pause” progress on the Local Plan. The Plan that will establish the planning policy framework for where and how many houses may be built in the Borough in the future.
