

Epsom & Ewell local election results

5 May 2023

All the results are in and the Residents' Associations, as expected, retain control of the Borough Council. The Liberal Democrats gained two seats by winning all three seats in College Ward. With the retirement of LibDem **David Gulland** the Party's group leader **Julie Morris** is joined by new LibDem Councillors **James Lawrence** and **Julian Freeman**. The third slot gained at the expense of the sitting Councillor **Nigel Collin** of the RA. The other LibDem gain was top of the poll in Stamford, **Alison Kelly**.

Bernie Muir of the Conservatives had represented Stamford Ward but chanced her arm in the newly created ward of Horton and topped the poll. She and her Conservative colleague **Kieran Persand** beat long-serving and senior RA Councillor and former Mayor **Eber Kington** and new RA arrival **Henal Ladwa**.

Mr Kington had surrendered a safe seat in Ewell Court Ward to contest the new Horton Ward, where he lives. This defeat was despite Mr Kington recently leading a popular motion to pause the progress of the Draft Local Plan, to see what the Government is up to exactly with central housing targets.

The Residents' Associations won 26 seats. Liberal Democrats 4. Labour 3 and Conservatives 2.

However, the share of the total Borough vote shows the Conservatives (20%) having a greater share than the Liberal Democrats (17%) and Labour (15%). The Greens, who fought a few wards, failed to cross the line and have no Councillors.

The turnout of 19867 votes compares favourably with the 2019 turnout of 19051 and perhaps shows that fears of a downturn in turnout because of the new requirement for photo ID being presented at polling stations has not been made out.

Ultra-sound school kids

5 May 2023

Youngsters at **Ewell Grove Primary and Nursery School** have done it again. Back in the testing times of Covid during 2021, classes decided to organise their own entertainment programme to raise money for **Epsom Medical Equipment Fund** (EMEF), the charity launched in 1979 to help **Epsom General Hospital**.

This was the start needed to launch an appeal for the GE Ultrasound Scanner required by the Labour Ward theatre in Maternity at Epsom. With their parents backing them, they succeeded in raising nearly £1,000.

Last year they decided to repeat the feat - this time they brought a magnificent £1,132 which started the appeal off with a flying start.

This week the school was invited to present the GE Ultrasound scanner to **Dr. Dickson Osagie**. The school set the children a project to decide who would represent the school. There were eight lucky winners who visited the hospital with headteacher **Mrs Kate Keane**. "They were excited to learn the function of the Ultrasound scanner and how it works," said Mrs Keane.

Dr Osagie added "We were very lucky to have an ultrasound donated to us by EMEF. It is a £27,500 piece of equipment. The Labour Ward theatre did not have its own dedicated ultrasound for the anaesthetic team to use. Donating this machine has gone a long way in improving the care we give to pregnant women in the hospital as it will help us to be able to put in difficult cannulas, also when epidural for pain relief is difficult to perform, the ultrasound helps make this easier."

Horton hustings heat up election

5 May 2023

Conservatives, Labour and Residents Associations battled out their political differences at the hustings Tuesday. Held at local Southfield Park Primary School. Candidates for the new ward of Horton each presented themselves for 3 minutes and then opened to questions. The audience may or may not have contained any genuine floating voters. It was difficult to tell.

Mark Todd and Ros Gordon opened proceedings for Labour, followed by Henal Ladwa and Eber Kington for the Residents' Associations. Kieran Persand and Bernie Muir rounded off for the Conservatives.

The Liberal Democrat candidates did not attend.

The candidates were united in their opposition to the development of Green Belt in Epsom and Ewell, especially on Horton Farm. However, there were differences as to who should get credit for initiating the pause to the progress of the draft Local Plan. Bernie Muir (Conservative) claimed to have written to every other Councillor advising a pause was necessary. Eber Kington (RA) disclosed that he had been pressing for this earlier in emails to fellow RA Councillors and Council officers. It was Cllr Kington who tabled an emergency motion to pause the Local Plan.

A member of the audience highlighted the recent announcement of Sir Keir Starmer Leader of the Labour Party that Labour would reinstate targets and fight nimbyism. Albeit, giving the housing targets to local government to determine.

Mr Kington attacked Labour's expansion of the ULEZ zone to the London borders of Epsom and Ewell but Mark Todd made no apology for this and maintained it was necessary to protect the health of children.

There were some moments of tension and friction but all the candidates were warmly applauded for the courage of their

standing for election and for allowing the public an opportunity to scrutinise them.

The hustings was organised by Epsom and Ewell Times and we thank all the candidates for participating.

Don't forget your ID when you vote

5 May 2023

Thursday, May 4th, is election day in all of Surrey's 11 boroughs and districts. This means voters in Elmbridge, **Epsom and Ewell**, Guildford, Mole Valley, Reigate and Banstead, Runnymede, Spelthorne, Surrey Heath, Tandridge, Waverley, and Woking will be going to the polls.

These are the councils that decide planning matters, housing, and bin collections. With a year to go until the next general election this could serve as an indication of the national mood towards the current government.

As ever, voters will have plenty of questions about the rules and what needs to be taken to polling stations – even more so in the light of recent changes to voter ID requirements.

The Local Democracy Reporting Service answers some of the most common questions so voters can be armed with everything they need to know as they head to their polling stations between 7am and 10pm.

Changes to voter ID rules – Bring ID

These local elections will be the first where all voters need photo ID in order to cast their ballot. Forms of ID accepted at polling stations will include a driving licence, passport, Blue Badge, Oyster 60+ Card, Older Person's Bus Pass and more. Equivalent travel cards for young people, such as the Oyster 18+ card, will not be accepted forms of ID.

Expired ID, for example an out-of-date passport, is allowed so long as the photograph still bears a strong resemblance.

The full list is [HERE](#)

Where do I go to vote?

Vote at the polling station listed on your polling card. Your poll card is for information only, you do not need to bring it with you to vote. If you do not know where your card is, you can always check your polling station location by entering your postcode [here](#).

Ballot papers

Your ballot paper will list out all the candidates and parties you can vote for. You may be given more than one ballot paper, particularly if there is a parish council election happening in your area on the same day. Take your ballot into a polling booth, so no one can see how you vote. Read it carefully as it will tell you how to cast your vote. Mark your paper according to your own wishes, fold it in half and put it in the ballot box.

What time do polling stations shut?

Polling stations always open at 7am and close at 10pm. If you want to avoid a queue it's best to head down during the workday or in the evening as it tends to be the busiest first thing in the morning, before school run, and around 5pm-6pm after work. People who are in the queue before closing time are still allowed to vote, regardless of whether you are inside or outside the building.

Can I take my own pen to vote in the 2023 Local Elections?

There is nothing in the legislation that says ballot papers must be marked with a pencil. Pencils are provided in polling stations but you can choose to take a pen with you. There is a risk ink may transfer onto the other side of the ballot paper when folded, and if it looks like the voter has chosen more than one candidate, it could potentially lead to their vote being rejected. Some people prefer to use a pen in case someone erases their cross and adds one elsewhere.

Can I take a selfie when I vote?

Although not against the law to take a selfie at a polling station, it is strongly discouraged in or near a voting booth. Anyone who reveals how someone else voted, even without meaning to, could be fined £5,000 or get sent to prison for six

months. Voting is supposed to be secret and it's illegal to share a photo of a ballot paper - including your own - under Section 66 of the Representation of the People Act 1983.

Can I bring my dog?

Please do! Pictures of dogs at polling stations are one of the highlights of any election.

Royal Patronage of Epsom College to continue?

5 May 2023

Epsom College has been honoured to receive unbroken royal patronage from a reigning monarch since 1855 when Queen Victoria became the College's first Patron and upon its opening by HRH Prince Albert.

Whilst the College's royal patronage is unbroken, with the recent passing of Queen Elizabeth II and after Saturday's Coronation it is hoped King Charles III will become Patron of Epsom College sometime in the future.

Queen Victoria never actually visited Epsom College. However, she did attend the Epsom Derby in 1840, having first attended it with her mother, as a twelve year old child in 1831.

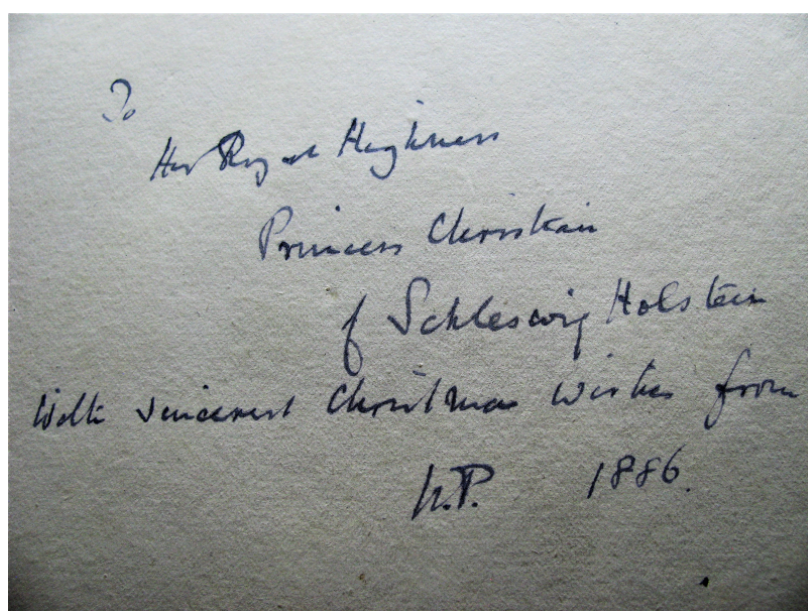

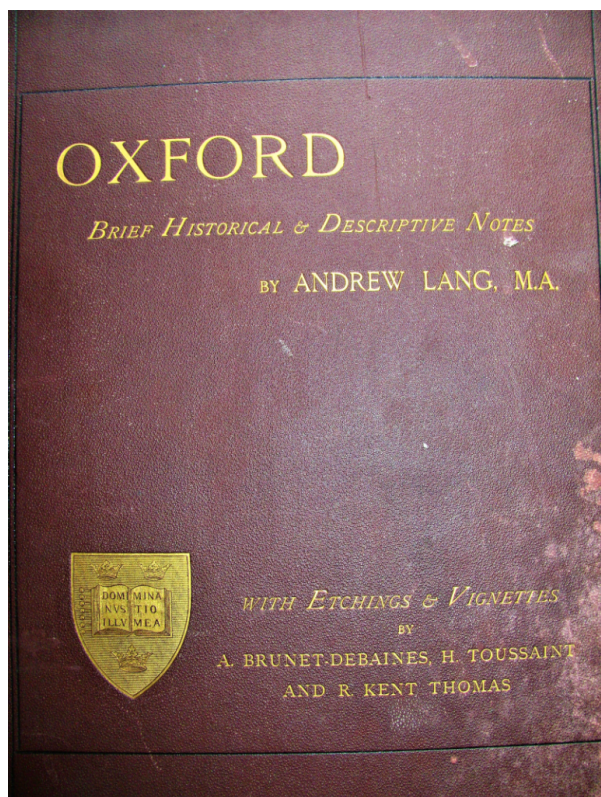

Queen Victoria watched "Little Wonder", a 50-1 outsider win the 1840 Epsom Derby and Her Majesty went on to present the jockey, the youngest and smallest in the race, with a gold whip for his victory.

Queen Victoria had been expected to return to Epsom to attend further Derbys, but sadly after 1840 she never visited Epsom again. Perhaps because of the difficulties she had experienced getting to the race track due to crowds blocking her route. This led to the construction of Tattenham Corner Train Station, that was completed after her death in 1901 and was used by succeeding British monarchs.

The entrance ticket to The Eton College Torchlight Procession at Windsor Castle, which took place in Queen Victoria's presence during her Diamond Jubilee, was found inside a book purchased from Jo's Household Clearances in Ewell.

An interesting book about Oxford that was given to Queen Victoria's third daughter Helena, after she became Princess Christian of Schleswig-Holstein, came from the same establishment a few years ago.

The book about Oxford, which bears the inscription date of 1886, was given to the Princess as a Christmas present. The timing of the gift would have coincided with her eldest son, Prince Christian Victor of Schleswig-Holstein, commencing his Oxford University education at Magdalen College.

If anyone knows whose initials are at the bottom of the inscription, or whether Queen Victoria's third daughter Helena had any links with Epsom that caused her book to be discovered in Ewell, please let me know by contacting The Epsom and Ewell Times.

Why vote for the Residents' Associations in Epsom and Ewell?

5 May 2023

Exclusive to the Epsom and Ewell Times we have brought you statements from each Party standing for election to the local council this Thursday 4th May. We conclude today with the ruling Residents Associations.

The Residents' Association (RA) is independent and not a political party. Rather it is a group of individuals who live in the Borough and are passionate about keeping party politics and rhetoric out of local government decision making. At a time when national politics is in disarray, it is more important than ever that our residents have independent representation.

Photo: RA candidates clockwise from top-left: McCormick, Frost and Froud - Woodcote and Langley Vale; Beckett and Talbot - Auriol; Kington and Ladwa - Horton; Dalton - Stoneleigh; Day, Brooks and Collin - College. "Say Her Name" is

from the “Reclaim These Streets” march that Cllr Dalton organised following the rape of a female jogger in Nonsuch Park.

Why RA?

RA candidates stand out from their national political party counterparts; manifestos are written by the candidate using their understanding and insight of the issues which are important to residents. Manifestos are factual, demonstrating a track record of delivery, the commitment to continue to work hard and do our best for our residents. This is in sharp contrast to some of the disappointing negative and baseless campaign messages we see elsewhere.

The Local Plan

As a local authority council, we face many challenges because of central government planning policy to build houses and the data used to set housing numbers. We have listened to our residents and their concerns in response to the recent draft Local Plan consultation (Regulation 18), and we will continue to consult with you and listen, as well as lobby Westminster on new national planning policy and legislation.

Government funding

The outcome of central government’s Fairer Funding Review from 2016 remains outstanding as does the outcome of their National Waste Strategy. These combined with the continued one-year government funding arrangements creates uncertainty around our longer-term funding. At a time when many local authorities are facing significant financial pressures, Epsom and Ewell BC under an RA led administration continues to have strong financial management and deliver best value for our residents. This is in sharp comparison to other politically led councils in Surrey and further afield.

The Ultra Low Emission Zone (ULEZ)

The London Mayor’s decision to expand ULEZ is going to impact many of our residents and businesses negatively. RA councillors will continue to work with other effected Councils to oppose these plans.

RA track record of delivery

As an RA led council, Epsom and Ewell BC has a long track record of working for you. In the last four years we have delivered:

- o A wide range of Council services across the Borough, despite retaining only 10% of council tax.
- o Support to the community during COVID, including the timely distribution of grants to local businesses.
- o A Youth Skills hub that has helped hundreds of young people find work, training and education.
- o Electric vehicle charging points in Council run car parks as part of our Climate Change Action Plan.
- o A reduction in our homelessness numbers.
- o Safer Streets and CCTV in Epsom Town Centre.

The next 4 years

We will:

- o Continue to listen to you and represent you.
- o Keep our Borough safe and secure.
- o Improve the health and wellbeing of our communities with a focus on those who are more vulnerable.
- o Work with partners so that the Borough is a place where people want to live, work and visit.
- o Enhance the borough’s natural assets, preserving and increasing biodiversity.
- o Work to meet our ambitious target of becoming Carbon Neutral by 2035.
- o Promote our rich history and heritage with further events and activities.
- o Keep national party politics out of local decision making.

I hope that you will vote for your RA candidates on May 4th and continue to see the benefits that an independently led council has on delivering for you through keeping national party politics out of the decisions which impact you.

Grayling’s fishy business

5 May 2023

Earlier today Epsom and Ewell MP Chris Grayling called upon the Government to ban industrial fishing boats from “scalping our sea beds and hoovering up marine life regardless of what gets trapped in their nets, especially in the UK’s marine protected areas”. Secondly, he called for the creation of “‘Highly Protected Marine areas’ around our shores, as recommended by the Benyon Review. Where no extractive activity is permitted. Where nature can be left to its own devices.”

Thirdly, he has asked the Government to “provide both regulatory and financial support to those looking to restore sea grass beds.”

Photo: Chris Grayling MP argues his points in Tuesday’s Marine Protection Areas Debate in Westminster. Parliament TV.

Rounding off his contribution in a special debate on the marine environment Mr Grayling referred to all the worldwide illegal fishing that goes on with impunity. He suggested the Government works on international accords that will “require every fishing vessel around the world to have proper satellite monitoring devices on board.”

He also called for improved sustainable fishing food labelling.

Mr Grayling addressed the meeting in Westminster on Tuesday 2nd May in the afternoon.

Why vote Conservative in Epsom and Ewell?

5 May 2023

Exclusive to the Epsom and Ewell Times we are bringing you statements from each Party standing for election to the local council this Thursday 4th May. We continue today with the Conservative Party.

This set of local elections in Epsom & Ewell are the most important for a generation. On Thursday 8th May your vote will shape the future landscape of our town for years to come. Never has your decision at the ballot box for a council election needed to be so carefully considered, it’s a big responsibility and that is why you must vote for the candidates with professional experience, vote for the candidates who have already proved themselves in your neighbourhood, vote for your Conservative candidates.

Top image: Conservative Candidates Bernie Muir and Kieran Persand (Horton) and Michael Ware (College)

The Resident’s Association has controlled the Borough Council for an astonishing 87 years! Democracy dictates that good governance needs robust opposition to scrutinise and hold to account, unfettered power invariably leads to poor outcomes. Sadly, for our town, this flaw in our council has been dramatically demonstrated in the disastrous local plan put forward by the RA this year.

The stuttering and stumbling journey the RA controlled council took to arrive at the decision to tear up 137 acres of green belt and disregard all our brownfield sites is almost more shocking than the plan itself. A consultation that reeked of laziness and narrowmindedness. Town planning consultants employed who freely admitted they had no local knowledge and offered to do the work on the cheap. A process that neglected to even review Epsom’s historic conservation areas rules. A professionally designed alternative plan commissioned by Conservative MP, Chris Grayling, to redevelop brownfield disregarded with a ‘can’t be bothered’ attitude. Stark warnings not to build on areas vulnerable to flooding ignored. The complacency of 87 years means our town is being put at risk by a plan for our future that 10,000 people of Epsom have already rejected.

The plan has been paused but be in no doubt this has been done because as RA Councillor Alex Coley admitted when asked why the local plan had taken so long at a public meeting in March, “we are terrified of you lot!” In other words,

terrified of losing their cosy seats! The danger is that, if when the election is over, the status quo is restored, the RA's fiefdom is re-established the catastrophic plan will be ploughed ahead with.

The only way to stop this is if there is a strong and effective opposition and the only opposition that is strong and effective is a Conservative opposition. Your Conservative borough Councillor, Bernie Muir has done more alone to hold the RA to account and speak up for residents than all other opposition Councillors put together. She has worked across the whole borough, not just in her own ward. Bernie has also built a team of volunteers and activists to help her fight the decisions the RA council have been making in your name. Those volunteers and activists are now your Conservatives candidates.

Michael Ware in College who worked tirelessly on the shambles of the Chalk Pit expansion while Lib Dem College Councillor Julie Morris said nothing and did nothing as thick dust was falling on our cars and washing. Stephen Pontin in Stamford an experienced councillor who campaigned alongside Bernie to successfully save the Wells Community Centre while the Lib Dems ignored the issue. Kieran Persand who ran surveys and petitions in Horton to inform locals about flooding worries and anti-social driving in Horton Lane while Labour and the Lib Dems ignored Horton until it became a ward on the electoral map. And never forget Labour and the Lib Dems will not oppose ULEZ while the Conservatives are leading the fight against Sadiq Khan and his tax on Surrey's drivers.

Our team are professional people, lawyers, engineers, accountants, schoolteachers, who all bring their expertise from their lives to bear on council issues. They will be councillors of calibre, councillors who will scrutinise, councillors who will get things done.

Emma Ware, Woodcote & Langley Vale Conservative Candidate

We understand that for some of you this will be the first time you don't vote for the RA in a local election, your patience has finally run out, but when moving you pencil tentatively across the ballot paper, ask yourself why you are changing your vote? Is it because you want a more professional council? Is it because you want councillors who have a proven track record of delivering for your neighbourhood? Is it because you want a councillor who will speak up and hold the RA to account? If your answer is yes, then let your stubby election pencil land on the box for the Conservative candidate and you will be choosing a brighter future for Epsom & Ewell. Written by **Emma Ware**

Why vote Liberal Democrat in Epsom and Ewell?

5 May 2023

Exclusive to the Epsom and Ewell Times we are bringing you statements from each Party standing for election to the local council this Thursday 4th May. We continue today with the Liberal Democrat Party.

We welcome this initiative by the Epsom & Ewell Times to set out reasons why residents should support the local Liberal Democrats. We explain our priorities for the Borough, how these arise from our values as LibDems, and why your vote for us is so important.

Our priorities for Epsom & Ewell As active local residents of the Borough our three main priorities are:

1 – Producing a sound Local Plan

Our number one priority is to make sure the eventual Local Plan not just protects the Green Belt but includes stringent conditions around bio-diversity and energy efficiency within its Policies. In addition, we want to see the Council build social housing, not just so-called “affordable housing” which does not meet the real need.

You can read a summary of our response to the Council’s Regulation 18 draft Local Plan at this link which also provides a link to our full response on all 50 questions set out in the consultation. As far as we are aware we are the only local party that submitted such a detailed response.

Our councillors would work hard to get as many of our suggestions as possible included within the next version of the Local Plan.

2 – Getting serious about the climate emergency

The Council has a Climate Change Action Plan but too little is being done to cut our own emissions and to encourage local businesses and residents to take steps to tackle the issue. Our councillors would continue to put pressure on the Council to make sure that the Climate Emergency was embedded in all decision making, and to have quantitative targets to reduce our emissions over the next 4 years.

3 – Increase local democracy and transparency

There have been too many cases in the last four years of decisions being taken behind closed doors and of important information not being shared with all Councillors, let alone residents. Two examples of these issues were a decision taken in private to investigate opening a Pet Crematorium in the borough, and not sharing the critical findings of the Local Government Ombudsman with all Councillors, as should have happened under the Council’s own constitution.

We want residents to be aware of what is happening at the Council, so informed debate can take place. Your LibDem Councillors would work to achieve this.

What is a Liberal Democrat?

All our candidates are members of the Liberal Democrat party. This means they agree with the fundamental aims of our constitution which includes in its preamble: “The Liberal Democrats exist to build and safeguard a fair, free and open society, in which we seek to balance the fundamental values of liberty, equality and community, and in which no-one shall be enslaved by poverty, ignorance or conformity. We believe that each generation is responsible for the fate of our planet and, by safeguarding the balance of nature and the environment, for the long term continuity of life in all its forms. ... We believe that the role of the state is to enable all citizens to attain these ideals, to contribute fully to their communities and to take part in the decisions which affect their lives.”

The full document can be read here <https://www.libdems.org.uk/federal-constitution>.

It is these fundamental goals that motivate our candidates and influence their decisions as councillors. You can see how the key priorities set out previously derive from these goals and if any new issues emerge for the Borough over the next four years you will know the values and principles that will influence our decisions on those issues.

David Buxton and Alison Kelly stand in Stamford Ward for the LibDems

Why should you vote LibDem?

In summary, for three reasons:

1 – To hold the lethargic Residents Association (RA) to account. Democracy needs openness and debate, and the RA seems intent on stifling both.

2 – So you know who you are voting for. The RA make a big deal of being local residents. So are we. You also know what our values and principles are. The RA include a mixed bag of individuals and at times they don’t seem to be able to agree on what they want to achieve.

3 - To help protect the more vulnerable in our community, and to tackle the Climate Emergency.

You can read more about our priorities and candidates on our Facebook site [here](#)

Why vote Labour in Epsom and Ewell?

5 May 2023

Exclusive to the Epsom and Ewell Times we are bringing you statements from each Party standing for election to the local council this Thursday 4th May. We continue today with the Labour Party.

Vote Labour on May 4th for a fairer, greener, safer Borough. Your Labour candidates are determined to do all they can for the residents of Epsom and Ewell. The Tories have broken the economy and working people are paying the price. People are struggling to pay their bills. The cost of gas and electricity, the cost of essential food and our rents and mortgages have all gone up, but pay rates are stagnating. It shouldn't be like this.

Top photo: Chris, Rob, Sarah, Kate and Mark out in Town Ward hearing from people on the doorstep about the need to make Epsom safer.

The Epsom and Ewell Residents' Association, who control the council, are out of their depth in the face of the problems created by the Conservative Government. They don't have the experience, knowledge or resources to support their residents whilst public services crumble around us. So many things need fixing: - the cuts to social housing and social care that have had a devastating effect; services for young people and police numbers that have all been cut; the pot holes that are dangerous for cyclists and damage cars which continue to deteriorate. Our own chalk stream, The Hogsmill, is being polluted with sewage and it was your Labour team that met with Thames Water to challenge this Only a Labour Government and Labour councils can rebuild the economy and address the problems we face.

Both nationally and locally, Labour is ambitious and determined to help communities grow and prosper. Labour will freeze council tax, cut energy bills by insulating homes and work to generate cheap home grown electricity.

Our priorities for Epsom and Ewell are:

- a safer borough - with more visible police back on the beat.
 - a fairer borough - with homes that local people and key workers can afford to settle in.
 - a greener borough - with more trees and we'll continue to protect our precious green belt.
 - a cleaner borough - with robust action on fly tipping and increased fines for littering to pay for more street cleaning.
- The Labour Team will continue to lead regular litter picks.

and we will crack down on town hall waste, with no more expensive, unnecessary consultants.

The Epsom and Ewell Labour Party know that proactive Labour councils can provide solutions. Labour councils improve areas by investing in their communities.

To provide homes for their residents Camden Council have approved the building of new social and living rent homes on under-utilised council land, delivering: 44 new social rent homes for families on the waiting list, 23 living rent homes for key workers and 6 supported living homes. All of these homes to be built to the highest standards of design and sustainability.

In Norwich, Goldsmith Street is an award winning 100% social housing development of 93 Passivhaus homes built in a traditional street pattern. The homes provide a high level of occupant comfort using very little energy for heating and cooling.

For a cleaner borough - Lewisham have worked to reduce fly tipping by enforcement, quickly removing it and engaging with the community to reduce the huge costs. In Epsom and Ewell we would provide free skips for different wards on a rotational basis supporting people to dispose of their unwanted larger items responsibly.

There are many good practice models of providing public transport and homes, tackling anti-social behaviour and working with communities to improve the lives of residents.

Stuart Gosling, Kate Chinn, Chris Ames and Ros Godson visiting residents in Court Ward with Labour Party colleague Kezia from Kingston taking the selfie

A Labour council in Epsom and Ewell would work with and for our residents to enable individuals and the borough to grow and prosper.

The borough of Epsom and Ewell is a great place with great people. Only Labour has a plan for a fairer, greener more dynamic economy that will deliver better jobs and raise living standards for residents.

Playoff penalty points presage Premier promotion?

5 May 2023

Epsom and Ewell win 6-5 on penalties. Southern Combination League - Division One Playoff Semi-Final. Saturday 29th April 2023.

Two good saves from Tom Theobald added to some well struck penalties were enough for us to edge past Selsey and into a home playoff final against Wick next Saturday after a goalless ninety minutes at Fetcham Grove was followed by the lottery of a penalty shootout.

On a sunny and thankfully dry day a crowd of just over 200, our largest for many years were present and it was good to see a large contingent of former Epsom players watching the match. Of the ones I saw, from the 80s we had Mark Norman, the 90s Paul Meredith and Jimmy Dack, while from more recent seasons we had Daryl Cooper-Smith and Rob Hendry along with Dale Hanson-Byatt, Louis Chin and Jerry Antwi. In addition both of our former Managers from earlier in the season Anthony Jupp and Liam Giles were also present. We almost had more players on the sideline than we had on the pitch!

It's only fair to say that it was a very nervous and underwhelming contest at times. The match seemed to follow a regular pattern for much of the game with our boys holding most of the possession but failing to really threaten Syd Davies in the visitors goal. Selsey attacked from time to time, but not with the same frequency and the decision to give Johnny "Sonic" Akoto the job of marking their danger man Shane Brazil out of the game was the main reason the visitors carried so little threat, switching over with Gideon Acheampong whenever he switched wings. In fact, he's probably still marking him now!

As with most weeks we rotated the squad once again; at the back Sonic and Dylan Merchant came in for Lewis Pearch and Alex Penfold, both of whom dropped to the bench. Nick Wilson came in for Rory Edwards, while Jaevon Dyer also returned to the starting eleven at the expense of George Owusu and Jaan Stanley also started ahead of Thompson Adeyemi. It was a strong looking line-up, but it was also a strong looking bench too and they would be needed as the match went on.

We started brightly with Stanley putting Athan Smith-Joseph through in the seventh minute, but his attempt to score against the same opponents for the fifth successive game was well blocked for a corner. Next to try was Jamie Byatt whose shot was also deflected wide. We won a lot of corners in this match, but we were lacking a bit of height in the penalty area and we very rarely looked like having success from the set pieces against a well-marshalled Selsey defence. In fact we only really had one opportunity when Stanley met a Steve Springett corner with a downwards header that was cleared by a defender standing on the goal line right by the post.

Both Smith-Joseph and Dyer were asking a lot of questions of the visiting full backs, but there was very little in the way of real service for Byatt to take advantage of. To be fair though, we were looking equally solid ourselves and when Akoto broke down the left wing Brazil brought him down, earning the first yellow card of the match, although we would eventually see two issued to each side.

Just after the half hour a lovely crossfield ball was taken in stride by Smith-Joseph, although his attempt to nick the ball over Davies was blocked out for a corner and the closest we came in the half was when Akoto's deep cross caught everyone out and bounced out for a goal kick off the Selsey crossbar.

The pattern of the first half continued into the second and Dyer sent a header over the bar before Smith-Joseph sent a shot goalwards for Davies to gather. But these were only half-chances really. In the 65th minute we had our first really good opening after Stanley broke down the left and put in a superb cross. Davies had anticipated this and came out of goal to cut out the cross, but it was so good that he was out of the picture, although the incoming Dyer then missed his kick from eight yards with the goal gaping!

Selsey sent a reminder that they were still in this match with a low shot from Rocco Gamblin that went into our side netting, but at this stage it was becoming a question of whether we would score or would have to go to penalties. With just two minutes of normal time we should have rendered penalties redundant as substitute Lewis Pearch beat a man on the right wing before running at goal and pulling the ball back nicely for Smith-Joseph, but he too then missed his kick from just ten yards out! Five minutes of additional time couldn't separate the teams and so we went straight to penalties.

This was our eleventh shoot out in club history (with just four wins from the previous ten) although it was our first since the Covid affected season of 2020/21 when we had two in three days. This one was to be held at the Leisure Centre end, which caused people a little surprise and led to a number of us having to get to the other end of the ground in rapid time! We went first in the shootout, but it looked like that advantage wouldn't count for much as Rory Edwards' kick was saved comfortably by Davies. Fortunately, Dillon North also produced an average penalty and Theobald went to his left and kept it out.

Stanley was the second man up and if I'm honest, his spot kick wasn't the greatest either. Davies went down to his right to save, which he did, sending the ball flying up into the air. However, it hadn't finished yet and it came down and spun over the goal line just out of reach of the frustrated keeper! We took full advantage of this piece of fortune and wouldn't let that lead slip. Superb penalties from Gavin Quintyne, who had an excellent game, Kevin Moreno Gomez and Wilson meant that we had scored four of our first five. However, Selsey also scored all of their remaining penalties so we were locked at 4-4 and went to sudden death. At number six Dyer stepped up as the only member of the sixteen players on show to have scored a penalty for us this season and his strike was unstoppable, although this was then answered equally emphatically by Dale Hayes.

Captain Acheampong stepped up to put us 6-5 ahead with a solid penalty, leaving the pressure all on James Henton to follow suit, and in truth his wasn't a bad penalty, straight down the middle, Theobald originally went to his left but reacted brilliantly to stick out a right leg, diverting the ball up onto the bar and away. We were through to the Playoff Final!

In summary, over the course of the match we were the better side and we deserved the win, even if it had to go to penalties before we could achieve it! Our final opponents this season will be Wick, who, like Selsey were beaten twice by us in the regular season and were on the end of a 6-1 hiding at Fetcham Grove back in September. Something tells me this next encounter will be a little closer!

So on Saturday 6th May we will say farewell to Fetcham Grove and hopefully also to Step Six football after five seasons at this level. I know some important chap is getting a crown put on his head the same day and good luck to him, but seriously, where would you rather be next weekend, the Abbey or the Grove?

Why vote Green in Epsom and Ewell?

5 May 2023

Exclusive to the Epsom and Ewell Times we are bringing you statements from each Party standing for election to the local council this Thursday 4th May. We start today with the Green Party.

Vote Green to beat the housing crisis and ensure that the Green Belt and other treasured green spaces are protected. Vote Green for a council that stands up to Whitehall’s wild housing demands, turns away speculative developers and expensive consultancies. A Green focus opts for low-carbon, preferably Passivhaus standards to provide social housing that people can afford to rent and buy in the places people need them. Vote for Green answers to providing adequate community infrastructure – surgeries, cycling and walking networks, nurseries and schools, vibrant youth centres and care services.

Vote Green to alleviate the cost of living crisis with a freeze on rent rises, a ban on no-fault evictions, free school meals and 35 hours free childcare from 9 months old. We support £1 fares on local bus routes, subsidised insulation schemes, housing – not hotels – for the homeless and refugees. Vote Green to view a successful economy as one that provides a sustainable and fair society for all.

Excellence on ageing

5 May 2023

Between the two censuses of 2011 and 2021 the over 65 population of Epsom and Ewell increased by 16.1% to a total of

about 14,670. About 18% of the total Borough population of about 81,000. As of 2021, Epsom and Ewell is the 12th most densely populated of the South East's 64 local authority areas, with around 17 people living on each football pitch-sized area of land. Surrey University is doing something about ageism.

Combatting ageism and promoting the interests of older people through scientific research is crucial, particularly as a response to the discriminatory treatment they faced during the pandemic, according to the Director of the University of Surrey's new Centre of Excellence on Ageing.

The University of Surrey's new centre is in partnership with the Global Initiative on Ageing (GIA), which operates under the auspices of the United Nations. The Centre was formally launched on 26 April 2023, with the University hosting a formal dinner that brings together notable scholars and stakeholders focused on ageing. This was followed by a one-day showcase on 27 April, celebrating Surrey's work in areas such as ageing and work, artificial intelligence and ageing, sleep patterns, nutrition, and generational shifts in ageing.

Professor **Max Lu**, President and Vice-Chancellor of the University of Surrey, said:

"The Surrey community is deeply passionate about improving the standard of wellbeing for our elderly population – this is evidenced in our internationally-recognised research activities in areas such as improving the quality of sleep of individuals living with dementia, improving inclusion of the elderly population in the tourism and hospitality sector, and investigating the mechanisms underlying osteoarthritis and finding ways to treat it.

"The new Centre of Excellence for Ageing will serve to amplify these efforts, allowing us to understand more and provide genuine solutions that help to enrich the lives of our elderly relatives, friends, and fellow citizens while safeguarding their rights."

More than 1.1 billion people worldwide are over 65 years of age; by 2050, the global population will be more than 2.1 billion.

GIA's mission is to support the goals laid out within the UN Decade of Healthy Ageing, and the Sustainable Development Goals (SDGs), by improving the overall standard of living, participation and inclusion of the world's ageing population. One of GIA's key implementing partners is the UN's Institute for Training and Research, UNITAR, which is dedicated to training and capacity building on a whole range of policy-based areas.

Professor **Paul A. Townsend**, the inaugural Director of the Centre of Excellence on Ageing and Pro-Vice-Chancellor and Executive Dean of the Faculty of Health and Medical Sciences at the University of Surrey, said:

"I am incredibly proud to be part of our new Centre of Excellence on Ageing, which is a critical part of a global movement that recognises the need for a better understanding of the life course and ageing. We will focus on processes ranging from preconception through to appreciating the treatment of our elderly population. The pandemic disproportionately affected our seniors, leaving them to face discrimination and a lack of sympathy, with many left in care homes unable to see their families. This new Centre is dedicated to helping older people to benefit from the latest research and greatest advances in science today. They should receive the respect, care and quality of life that they deserve."

Silvia Neira, Vice President of GIA, said:

"We are thrilled to announce the launch of the Centre of Excellence on Ageing at the University of Surrey. This new initiative will build on the incredible work of the GIA Foundation, expanding our capacity to research and engage with the many intersections of ageing and longevity."

Epsom author says hearing is believing -the inside story

5 May 2023

Once Upon a Lunchtime, several years ago, a group of friends were reminiscing about the exciting lives they lead as young female journalists working on top selling pop and women’s magazines in the ‘60s, ‘70s and ‘80s.

It all came flooding back, the incredible interviews, the ground-breaking features, the photo shoots, the dramas, the drugs, the creativity, the opportunities, the freedom, the glitz and the glamour and the sheer excitement about being part of the explosive magazine world in the most crazy and attitude-changing decades.

‘We should write a book’, they said. And they did.

Top photo: The Magazine Girls left to right: Penny, Linda, Shirley, Sandie and Jan.

The Magazine Girls took six years from possibility to publication, during which time they saw four Prime Ministers, battled with Brexit and struggled with Covid, losing loved-ones along the way, but overcame the trials and particularly the distance and time difference between them, being scattered between Epsom and Sutton, London and Loughton, Herefordshire, Hampshire and Montreal, where co-author Jan Iles-Kaluza has lived and raised her family for many years. Now in their ‘70s, the seven authors of The Magazine Girls-The inside story, are still firm friends and celebrated the launch of their book with bubbles, nibbles and sparkling repartee at a signing event in **Waterstones Epsom** on Sunday 23rd April.

‘None of this would have been possible without learning that essential new skill – Zooming – says co-author **Jan Collier**. ‘It kept us on track and united in our determination as we made important democratic decisions, which to be fair weren’t always easy and we did have our differences at times.’

One of the greatest bonuses for the girls, says Jan, who volunteers with **Epsom and Ewell Talking Newspaper** for the blind and visually impaired, was learning about and working with Calibre-Audio. The national charity started in the 70s and brings the written word to life via audiobook, free of charge, for those members who are visually impaired or have any form of disability that makes reading print difficult. ‘We are so pleased and proud that members of **Calibre-Audio** will soon be able to hear our ‘inside story’ and hope it will bring back happy memories of those iconic decades to all who lived through them.’

Former Editor of Rave Magazine who worked with the girls in the late ‘60s, esteemed comedy writer **Colin Bostock-Smith** adds “The magazine girls made my life mad –and magical. They were sweetly feminine and tough as old boots. Stunningly sane and frequently quite cuckoo. They were a riot. And judging from this great book, they still are.”

Cautious candidates cause College and Court cancellations

5 May 2023

The three willing Residents Association candidates for College Ward were disappointed that the Liberal Democrats, Conservatives and Labour Candidates did not register to participate in last night’s scheduled local election hustings. The Epsom and Ewell Times pulled the plug on the event in the afternoon as we did not think it appropriate to stage a one-party event. Cllr **Nigel Collin** (RA College Ward) and his colleagues **Charlotte Day** and **Kate Brooks** had willingly registered after the first invitation to do so.

Top image – an empty 3rd Scout Hall St John Chandlers, Church Road, Epsom

Similarly, for Court Ward, only **Robert Geleit** of the Labour Party registered to face the public and debate with his opponents from the Liberal Democrats, Residents Association and Conservatives, but they did not show willing and we pulled the plug to avoid a one-man one-party show.

The willing candidates:

Charlotte Mary **Day** – Residents’ Associations of Epsom and Ewell for College.

I aim to create a sustainable future and if elected, I will focus on sustainable development as well as protecting the countryside and our green spaces.

Kate Emily **Brooks** – Residents’ Associations of Epsom and Ewell for College.

I am committed to protecting our area and my 10 month old daughter has made me want to make Epsom and Ewell the best place to enable families to thrive. I will press SCC to improve maintenance of our roads and pavements.

Nigel **Collin** – Residents' Associations of Epsom and Ewell for College.

My aim is to continue to improve the Community and to help resolve residents problems. If elected , I will continue to scrutinize Council Expenditure to ensure value for money and to fight for a cessation of the statutory nuisance caused by operations in the chalk pit.

Cllr Collin was keen to use the opportunity to rebut LibDem claims: On the Local Plan Cllr Collin points out the LibDems voted for the Draft Local Plan, the Government forces EEBC to use Green Belt, Council meetings are only held in private to protect 3rd party privacy and potholes are Surrey's responsibility and we will press them hard.

Rob **Geleit** – Labour Party for Court.

I am standing to stick up for my friends and neighbours in Court Ward. We go out door knocking every weekend and get round the area once a year. Every time we are out we pick up two or three problems to fix, so over the course of an electoral term we really lift the area.

No other Party will do this for you.

We are a strong opposition to the ruling Residents' Association Party. I have heard one of them say that we are their 'conscience'.

Vote Labour!
