Spitfire downed Messerschmitt over Epsom

What connects Epsom's Market Square statue of Emily Davison and the Spitfire that shot down a German Messerschmitt over the Town in World War 2?

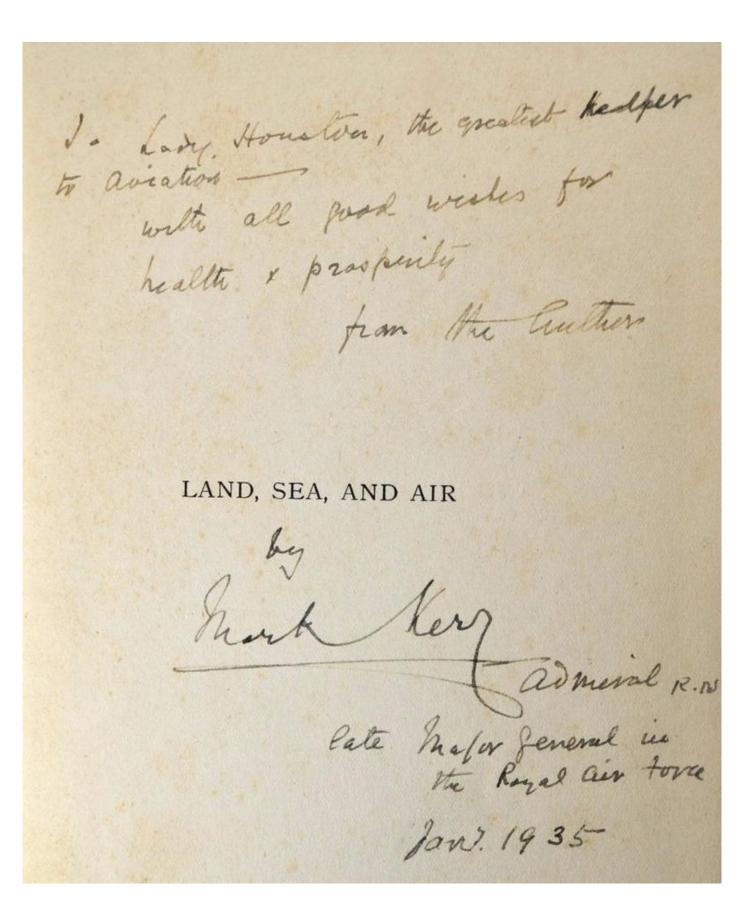

"WW2 People's War" is an archive of World War 2 memories that have been documented by the public and gathered by the BBC.

A gentleman who was a young boy living in West Hill, Epsom when war was declared in 1939 contributed to the archive in 2003 and referred to the time a Supermarine Spitfire flew down Epsom High Street:

"I remember a German Messerschmitt flying very low along Epsom High Street, coming down over the Clock Tower. It was heading towards Ewell and being chased by a Spitfire. Everyone ran into the shops to take cover. The aircraft was shot down by the Spitfire over Epsom Downs; the pilot bailed out and was captured".

It seems likely that the Supermarine Spitfire flew over the space now occupied by the bronze statue of the suffragette, Emily Davison and if this is indeed the case then the statue of Emily Davison also serves as a reminder of an almost forgotten suffragette who played a major role in the development of the iconic Supermarine Spitfire that was only just created in time for The Battle of Britain in 1940.

I have to be honest and admit to not knowing who the forgotten suffragette referred to above was until I commenced researching the life and career of Admiral Mark Kerr and acquired an old book from an online auction site.

The first photo shows the inscription I was amazed to find inside the book which was written by Admiral Mark Kerr, who was one

of the founders of The Royal Air Force and who had been beaten by Alcock and Brown in the race to fly across the Atlantic Ocean in 1919.

The book was therefore given to Lady Houston by its author, Admiral Mark Kerr and it was Admiral Mark Kerr who described Lady Houston as "the greatest helper to aviation", but who was Lady Houston and why was she so highly respected?

Lady Lucy Houston had been a suffragette and in 1931 donated the £100,000 funding the Government refused to give Supermarine and the aircraft designer, Reginald Mitchell (see the film "The First of the Few" on You Tube) allowing the RAF to win the Schneider Trophy and Reginald Mitchell to make inroads into the creation of the Supermarine Spitfire which came just in time for The Battle of Britain.

In 1933 Lady Houston financed the Houston - Mount Everest flight expedition, in which aircraft flew over the summit of Mount Everest for the first time - a feat Admiral Mark Kerr had previously claimed could not be achieved until 2018 at the earliest.

Lady Lucy Houston was therefore instrumental in the development of the Supermarine Spitfire and in aviation advancements that enabled man to fly over Mount Everest much sooner than anticipated. It is for this reason I believe that Admiral Mark Kerr, one of the founders of the RAF referred to Lady Houston as being "the greatest helper to aviation" in 1935 when gifting her this book one year prior to her death.

The book was Admiral Mark Kerr's own copy because he made some amendments inside it which only he would have known to have made.

Without Lady Lucy Houston's generous £100,000 donation to Supermarine and Reginald Mitchell the Supermarine Spitfire would not have been ready in time for The Battle of Britain and the consequences could have been very serious indeed.

Admiral Mark Kerr, one of the founders of The Royal Air Force clearly wanted to thank Lady Houston for her endeavours whilst acknowledging the fact that she proved him wrong re flying over Mount Everest by giving her the book I later acquired from a well-known online auction site with the inscribed page shown above inside it.

The bronze statue of Emily Davison is suitably positioned in Epsom's Market Square to remind us of the Supermarine Spitfire that once flew over the Clock Tower in defence of our town, which would probably have never been created if it had not been for the enormous generosity of one of Emily Davison's fellow women's rights campaigners – the remarkable Lady Lucy Houston.

This gathering marks the solemn second anniversary of the commencement of the war in Ukraine.

The local Ukrainian choir, **Renaissance**, will render the Ukrainian National Anthem. Attendees will have the opportunity to engage with Ukrainian residents regarding the ongoing situation in Ukraine and to learn how they can extend support to the Ukrainian community within Epsom & Ewell.

The Mayor of Epsom & Ewell, Cllr. **Rob Geleit** (Labour Court), will attend. The event will foster a sense of unity and solidarity with the Ukrainian population residing in and around Epsom.

"We are deeply moved by the outpouring of support from the Epsom community for Ukrainian refugees," said **Jo Sherring**, Epsom & Ewell Refugee Network Lead. "This gathering is an opportunity for us to stand together in solidarity with our Ukrainian friends and reaffirm our commitment to supporting them as they rebuild their lives."

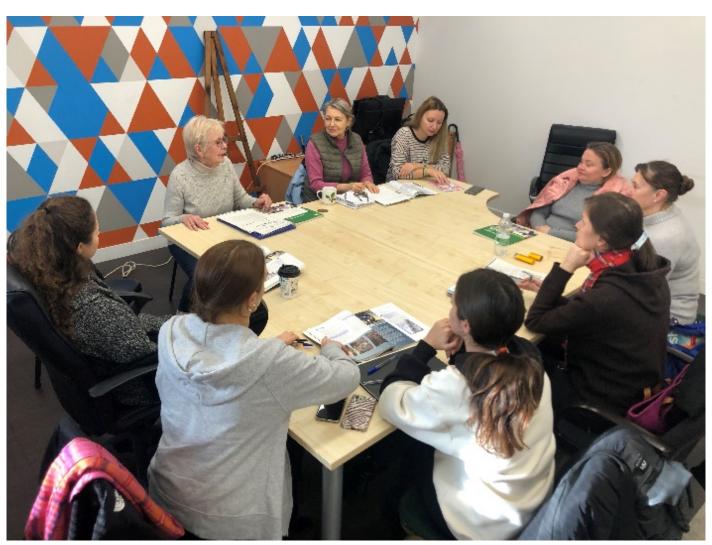

"It is important for us to get together on this sad date to commemorate those who lost their lives in the war, to thank our supporters, defenders, volunteers, and the British people who gave shelter to us at these hard times for Ukraine." said **Natalia Zadorizhna**, pianist and director of the Renaissance choir who has been living in Ashtead with her 11 year old daughter since May 2022. "It is an enormous privilege to stay in the UK and to be surrounded by such noble, caring and generous people."

Epsom has exhibited remarkable solidarity with Ukraine since the outbreak of the war, with numerous families opening their doors to Ukrainian refugees and contributing substantial amounts towards humanitarian aid. The community has banded together, with volunteers actively aiding refugees in assimilating into the local fabric.

SSWU provides support to both the Ukrainian populace within Ukraine and those residing in the UK by gathering and distributing medical supplies and other essential aid. Operating under the registered charity **Harrop HR Missions Ltd.**, SSWU ensures that 100% of all donations are directed towards supporting the people of Ukraine, with no fees or wages deducted for volunteers or trustees.

EERN and SSWU are very grateful for the magnificent support provided for their efforts by **The Ashley Centre** Epsom, through its donation of the use of a suite of offices used for processing donations, English classes and an advice centre. Also to **Epsom and Ewell Borough Council** that has waived the imposition of business rates.

30 years' smile stamped on local Post Offices

Postmistress **Nidhi Prashar** has reached her 30 years' milestone of serving Post Office customers in Surrey. Three decades ago, Nidhi and her husband, Anil, bought Oxted Post Office and for most of that time Nidhi has served that community. Now Anil runs

that branch since Nidhi became Postmistress for **Epsom** in July 2017.

Postmistress, Nidhi Prasahar, said: "I loved serving the people of Oxted, but there was suddenly an opportunity to take on a bigger, busier, branch as well at Epsom, so Anil now runs Oxted branch. First Epsom was temporarily based at Epsom & Ewell Town Hall to restore service to the town, then I opened my permanent branch and card and gift shop in the High Street in February 2018.

"I get on really well with my customers in Epsom too. Thankfully I'd just got settled before Covid struck, but that was strange as many businesses in the high street were closed, so those customers were not around. However, other people who would normally have been commuting to elsewhere, were suddenly working from home and visiting my Post Office, so there were lots of different customers to get to know. People were grateful that Anil and I were able to keep both Oxted and Epsom branches open."

Last year Nidhi was filmed at Epsom branch as part of an episode of Stacey Solomon's Sort Your Life out programme. A local family had their home de-cluttered and they came across lots of different foreign currencies, which was then converted into useful sterling at her Post Office. Many of her customers immediately recognised her from the programme.

Nidhi, said: "I love being a postmistress. It's the people that you meet that make it so great. There aren't many jobs where you have this great interaction with people. People come in regularly and you build up a relationship. Customers become like extended family.

"In Oxted there are no banks left and we meet the banking needs of the community – so it's non-stop banking customers. In Epsom there are lots of banks and building societies, but we are open longer hours than all of them, so for some customers they find it more convenient to come here."

At Oxted and Epsom customers also have the choice of DPD and Evri services in addition to Royal Mail and Parcelforce mail services.

Post Office Area Manager, **Richard Wilder**, presented Nidhi with a 30 Years' Long Service Award. He said: "I want to thank Nidhi for being a first class Postmistress in Surrey for 30 years. Nidhi and Anil provide great customer service and they really care about the people that they serve in Oxted and Epsom. Both branches look great too with the retail alongside."

Epsom 3rd in a 2024 "Best Places to Live"

In the latest edition of national estate agents "Garrington's Best Places to Live" index for 2024, Epsom has clinched the third spot after an assessment of rankings in a range of categories.

Garrington's evaluation of **over 1400 locales** across England and Wales underscores Epsom's strengths in various key aspects, including heritage, wellbeing, educational opportunities, employment prospects, and housing affordability.

With its longstanding association with the prestigious Derby and a rich historical backdrop, Epsom ranks high in heritage, landing at 90th place. Its commitment to community wellbeing, supported by a serene natural environment, earns it a respectable 282nd position in this category.

Moreover, Epsom's strategic location near London, coupled with its excellent schools and robust job market, positions it favorably in terms of employment prospects and connectivity, securing the 99th spot in Garrington's evaluation.

While property prices in Epsom reflect its status, with the average family home costing £810,809, a modest 0.4% increase in the past year underscores its resilience amidst market fluctuations.

According to Garringtons: "As the real estate landscape evolves, Epsom maintains its reputation as a stable and desirable locale, offering residents a blend of tradition, convenience, and quality of life."

Jonathan Hopper, CEO of Garrington Property Finders, emphasizes the practical significance of the 2024 ranking, stating, "As the market stabilizes and borrowing costs decrease, buyers are re-evaluating their options. Garrington's guide offers insights to help individuals identify locales that meet their needs and preferences."

"Epsom remains attractive to homebuyers with its solid fundamentals and promising prospects for a fulfilling lifestyle."

Salts defeated in presence of legend

AFC Croydon Athletic 5-2 Epsom & EwellFC. Combined Counties League - Premier Division. Saturday 10th February.

Despite scoring seven times in matches against AFC Croydon Athletic this season, we only have three defeats to show for our efforts and without sounding like a broken record, I felt we have been unlucky in all three of them! In this match, and despite the introduction of four new debutants, we gave as good as we got, only to be punished by some clinical finishing that gave the scoreline of 5-2 a hugely flattering look.

Fortunately, from a personal point of view, the disappointment on the field was eased by the presence behind the goal of our Club legend and record goal scorer **Tommy Tuite**, who scored the huge total of 391 goals for our club between 1973 and 1987. How we could do with that sort of loyalty and production right now. His attendance enabled us to talk about the good old days when we were one of the better teams in Surrey and had a ground with a welcoming atmosphere. Those days are sadly gone for now at least.

Our four new starters were Conor Beattie, Alex Green and Mekhi Savage, whose father Reggie would also make his debut later on. However, any chance of us having a father and son combination on the pitch for what would be only the second time in club history would have to wait until next week, as one replaced the other! Some of you may not be aware that a large number of players have departed in the last week, hence the replacements, although it was interesting to note that the opposition Manager stated in the match programme that we had let some players go, which couldn't be further from the truth!

Either way though, the new Management Team were going to have to add some players and Savage and Green look like being useful additions to the squad, while we may have to wait a little longer to analyse Beattie's performance as he injured himself very early in the second half and was unable to continue.

Despite the bare facts that showed AFC Croydon Athletic had won their last four League matches while we had lost our last four, we started confidently and had the early share of possession. Until the fifth minute that is, when Oalekan Osideko broke away on the right and drilled a shot low at goal. Beattie was down to make the save but could only parry it back into the danger area where the Croydon goal machine Louis Theophanous was waiting to drill the shot past our by now horizontal keeper from a few yards out. It didn't seem to dent confidence too much though and Savage Junior struck low from twenty yards, requiring Toby Fisher to turn the shot wide. From the corner Thompson Adeyemi was there first, but was unable to keep the header down.

The home side headed another good chance over, although the offside flag would have cancelled any goal out, and we were back on the attack soon after. Carl Oblitey, playing against one of his former clubs, nearly scored when he was denied by a good block, with the loose ball being sent back in with interest by Green who saw the ball deflected wide. Oblitey then headed just over from the resultant corner. However, fortune was not going to be on our side today and on the half hour mark Osideko's shot was well saved by Beattie, only for the rebound to strike the incoming Nick Wilson, who was only able to clear the ball once it had gone over our goal line. A really unlucky way to concede, although we scored twice last season in similar circumstances. Swings and roundabouts!

Again though we responded well to the set back and within a minute we had a goal back. Ethan Nelson-Roberts fired the ball towards goal, only for his somewhat wayward strike to reach Oblitey, who controlled the ball on the edge of the area and drilled the ball low into Fisher's right hand corner. Savage then produced a good run, only for the final product to be straight at Fisher. As we went in at the half, we were very unfortunate to be 2-1 down.

The half had been in progress for a few seconds when Beattie came out to clear a long ball, but missed his kick and injured his leg in the process, requiring his replacement. Toby Colwell came on and the game continued in a similar style with Green next to have a try after some good pressure, only for his shot to go just beyond the far post from an angle. In response, the hosts struck the bar with a powerful shot from an angle, but we were asking as many of the questions, if not more than our opponents and Sirak Negassi made a good run, only to be fouled just outside the area. Regrettably though, the free kick was cleared and on the break it took two simple passes to cut our whole team out and leave Andre Coker the easiest of tap ins at the far post in the 68th minute.

With that two goal lead the home team began to grow in confidence and seven minutes later they extended their lead with a fantastic strike from Theophanous who volleyed the ball in from thirty yards with Colwell completely unable to do anything about

it. Things got worse as it became 5-1 in the final minute of normal time as Theophanous drilled the ball low past Colwell from the edge of the area.

We had time to pull a goal back when substitute Rory Edwards made a good run on the right and his early low cross was guided past Fisher from six yards by Nelson-Roberts in the 94th minute, but it was barely a consolation and the final whistle blew a few minutes later with the home side victorious by five goals to two.

It wasn't all bad though; there were glimmers of hope as we performed fairly well against one of the form teams in the League who will surely make the playoffs if they continue to stay fit and healthy, in particular their striker Theophanous who was almost unstoppable. We have brought in some new players, but no defenders yet, and it is fair to say that we are going to need to strengthen in that area if we are to avoid further defeats, even if we manage to score more. Up front Oblitey looks a handful and if only we could have had a young Tuite playing alongside him, we could go into the next matches with more confidence, but up next is the Farnham juggernaut, chasing a world record, and that match looks rather daunting right now.

Epsom & Ewell: Conor Beattie, Ethan Brazier, Ethan Nelson-Roberts, Adam Green, Reece Tierney, Nick Wilson (c), Mekhi Savage, Thompson Adeyemi, Carl Oblitey, Tijani Eshilokun, Sirak Negassi

Subs: Toby Colwell for Beattie (50), Reggie Savage for M.Savage (75), Rory Edwards for Adeyemi (75), Ayran Kugathas for Negassi (83)

Epsom PC is tough on crime and the causes of crime

Police Constable **Bethan Evans-Jones** has been working to reduce shoplifting in **Epsom & Ewell** including working with one prolific individual who has recently been convicted of 24 counts of theft. Thanks to her interventions, he is also being supported to break out of the cycle of crime.

Bethan joined Surrey Police in 2022 via Police Now's National Graduate Leadership Programme, which recruits, trains and develops talented graduates to excel as neighbourhood officers across England and Wales. Previously training to be a solicitor and working in her local MP's office before deciding to become a police officer, Bethan speaks to us about her role on the frontline and her passion for supporting vulnerable people in the community.

Last summer, Bethan investigated a series of repeated thefts that targeted a petrol station in the borough of Epsom & Ewell.

Bethan began to visit the petrol station as part of her regular patrol route, and developed strong relationships with the staff, to ensure she would be directly alerted to any incidents while in the area.

She was subsequently able to intercept and arrest the offender as he attempted to shoplift alcohol. Thanks to the evidence she gathered during her investigation, he was convicted of 24 counts of theft at a local magistrates' court. He was given a Community Protection Warning prohibiting him from entering any local businesses without the means to pay. He is also required to undertake drug rehabilitation and to pay compensation for his offences.

Police Constable Bethan Evans-Jones said: "I'm pleased to have been able to support staff at the local petrol station, who have the right to feel safe in their place of work.

"It is also important to me that the offender is supported to break out of the cycle of crime he had fallen into and receive the help he needs. He is well known within the community and, despite the crimes he committed, the shop staff spoke kindly of him – so it was important to all of us that he receive help.

"I referred him to local partner agencies, and he was able to get help from a charity that supports those with drug addictions and was also assigned a social support worker. He recognised that these were the first steps to 'getting better' and we believe that this will be an important step to prevent him from re-offending.

"Drugs and drug misuse has become a particular area of interest for me, because of the often-vulnerable nature of the offender themselves, as well as the need for victim support. This is the kind of thing that neighbourhood police officers can really support

with, through strong partnership working with local charities and organisations, as well as compassion and a real understanding of what the vulnerable members of society experience. Getting to know people in the neighbourhood and being on patrol is what ultimately enabled me to apprehend this individual.

"That's one of the reasons I decided to join the force via Police Now's neighbourhood programme, where I knew I could embed myself in the local community and build relationships to make a difference. The programme also offers other development opportunities and I have successfully secured a four-week secondment with the Home Office to work on county lines policy. This will be a great opportunity to develop my skills further and bring key knowledge back to my neighbourhood, to better support residents across Epsom and Ewell."

West Surrey Intelligence Manager, **Inspector Alan Knight**, said: "Bethan is a very competent and capable police officer. She has the principles of community policing at the heart of all the work she undertakes, and this is reflected in what she has achieved.

"By tackling the core issue of the matter and diverting offenders from the vicious circle of reoffending to fund an addiction, Bethan has not only supported her community by preventing future criminality but is inspiring neighbourhoods that feel safe. I hope that the results in this case will provide reassurance to victims of crime that we are focused on pursuing those responsible.

"Bethan's work has shown that working with communities and victims of crime promotes the partnership sharing of intelligence and information which is so vital when combating all levels of criminality."

Epsom MP cuts ribbon of new nursery

Children at a new nursery welcomed MP **Chris Grayling** who cut the ribbon to officially open the new provision at an Epsom school.

The **Vale Primary School** now offers a curriculum for two to 11-year-olds and its nursery already has 23 children on the roll with more joining in the spring.

Mr Grayling, MP for Epsom and Ewell, joined **Julian Drinkall**, CEO at GLF Schools, in cutting the ribbon to officially open the nursery on Wednesday 7 February.

"I was delighted to be invited to attend the official opening," said Mr Grayling. "The additional nursery places will support the government's expansion of childcare support to working parents and offer the local community free, funded 15 and 30 hour early years places for two, three and four-year olds. It is clearly going to be a really happy nursery," he added.

The school is a member of the GLF Schools Multi-Academy Trust which has a strategy to promote school readiness by ensuring as many as possible of its primary schools can cater for children aged from two to 11 with a school-run nursery on site.

Sarah Leyland and **Cathy Browne**, co-heads at The Vale, said they were both very proud of the hard work and community collaboration which has seen the creation of 'such a positive environment for our young children.'

To add to the celebration aspect of the event, a specially made cake depicting the school logo and an array of cupcakes were made by a former parent of the school.

"I am delighted for our community and the parents and carers with us today that GLF can offer this new nursery provision. GLF's nursery strategy emphasises the importance of ensuring our youngest children have access to high quality early education and being ready to start school," said Mr Drinkall.

"It was clear today that our new nursery at The Vale Primary School is quickly becoming an integral part of the local community and provides local families with the opportunity to access a new and exciting two-11 curriculum."

The nursery will be holding an open morning on Wednesday, March 6 and Friday, March 8 and visits can be booked at the school on 01372 273639 or via info@thevaleprimary.org

The Vale Primary School website also has details on how nursery funding is changing and how parents can apply for funded places for 15 hours childcare for two-year-olds. More details on www.thevaleprimary.org

Louisa Butters, Head of Retail Asset Management UK at CBRE IM, commented: "Primark's signing is a milestone moment for the Ashley Centre. The opening will mark the final stage of our two-year repositioning project that underpins our long-term strategy for the revitalisation of the Ashley Centre, ensuring that it continues to serve the needs of the community in every way possible. We are looking forward to welcoming Primark early next year, and delivering an optimised and enhanced experience and environment for our visitors."

We look forward to becoming a part of this community and playing a central role in the refurbished Ashley Centre."

Primark in Epsom will join Newbury, Berkshire, as the next locations confirmed for Primark in 2025. Local shoppers in Epsom and the surrounding areas looking to get their Primark fix in the meantime will be able to visit the nearby Sutton, Kingston or Woking stores.

In 2023, the Ashley Centre welcomed a raft of new openings such as JD, Deichmann, and GAIL's Bakery, forming a key part of the centre's leasing strategy to evolve its retail and F&B offer. The centre's £7 million refurbishment will also work in tandem, seeing the reconstruction of the East entrance and enhancements to the interior, creating a refreshed and modern look.
