

An Epsom Christmas poem

13 December 2022

Christmas comes early in the month of December
But preparations start as early as September
Toys appear in the shop and the store
And children's expectations start to soar

Adverts appear in the News and TV
Of miraculous games for all to see
Visions of food and decorations so high
Make us all wish that the time was nigh

But leaves have not fallen from the trees
And flowers are still buzzing with the bees
Why are we tempted in this way?
When the Christ child's birthday is still far away

Have they forgotten that the presents we bring
Are only reminders of the presents for Him
Of frankincense and myrrh and gold
Foretelling the scriptures story of old

And when finally the great day is here
Let us remember, amidst our good cheer
As we celebrate around the table,
The baby Christ child, born in a stable

Michael Barber (first published in 2012)

Michael moved to the Wells Estate in 1966 for his first family home. He continues to live there to this day. He has lived in the Borough for all of his 87 years as his parents lived in Stoneleigh. His connections with Epsom have been as President of the Epsom Cycling Club from 1981 to 1991, and he joined the Epsom Male Voice Choir in 2010 and continues to be a keen and popular member of the choir. He started writing poetry seriously when he became treasurer of the Headley Poetry Group. This group meets monthly to read and share poetry – Michael has had poetry published in the Epsom United Reformed Church Newsletter, the Mickleham Parish Magazine and the Brooklands Museum Volunteers Newsletter.

Do good intentions square with homeless savings?

13 December 2022

Epsom & Ewell Borough Council has launched its **Homelessness and Rough Sleeping Strategy**, setting out how it intends to meet the needs of residents who are homeless or at risk of homelessness over the next five years.

The Strategy details the Council's strategic vision and key objectives to address homelessness within the borough. It focuses on a commitment to preventing homelessness at an earlier stage, and the importance of working with partners across all sectors to develop an integrated approach to tackling homelessness and rough sleeping.

A detailed review of homelessness in Epsom & Ewell was undertaken to inform the strategy, which helped to establish the extent of homelessness in the area, identify future trends and any gaps in the service currently being provided.

The Strategy identifies six key objectives which emphasise the importance of early intervention and prevention, as well as the development of new affordable housing in helping to meet the need of homeless people:

1. The early identification, intervention & prevention of homelessness
2. Reduce Rough Sleeping
3. Increase accommodation options including social rented, private rented, supported and move on accommodation and in-borough temporary accommodation
4. Improve the Health & Wellbeing of homeless people
5. Ensuring sufficient support is available for homeless people
6. Partnership working

Cllr Coley

Cllr **Alex Coley**, (Residents Association - Ruxley Ward) Chair of the **Community and Wellbeing Committee**, said: "The impact of homelessness cannot be underestimated. A home keeps you warm and safe, but it is so much more than just a roof. Homelessness leads to a significant reduction in emotional wellbeing, self-identity, social inclusion and life opportunities. Reducing homelessness in Epsom & Ewell will benefit everyone who lives in the borough.

"Over the past year we have expanded the Private Sector Leasing scheme, acquired an additional 14 emergency accommodation placements, and secured additional funding to enhance the East Surrey Outreach Service, who work with rough sleepers, but there is much more to be done. This Strategy will allow us to build on this progress to fully address the challenges local homeless people are facing, and ensure better outcomes for all."

Commenting on the strategy **Cllr Julie Morris** (LibDem College Ward) said "We are particularly concerned with the increase in single people with mental health issues who require homes, so the integrated approach is really key here. There's a shortage of homes for families with children and private landlords can help here. There are some incredibly dedicated council officers who are charged with implementing this strategy and councillors will support them as much as they can."

- The Homelessness Act 2002 places a duty on every local authority to develop and publish a Homelessness Strategy, setting out how the local authority intends to tackle and prevent homelessness in their area.
- The strategy must be based on a review of all forms of homelessness within that local authority's area and should be reviewed at least every five years. The Council carried out six weeks consultation between 12 July and 23 August 2022 with a range of stakeholders, service users, staff and residents.

- Central to reducing homelessness within the borough is increasing the amount of affordable housing available. The Council is currently developing a Draft Local Plan which is due to go out for public consultation on 1 February 2023, and proposals for affordable housing in the borough will form part of the Plan.
- In Epsom & Ewell and nationally the 3 main causes of homelessness are:
 - Asked to leave by family and friends
 - Termination of Assured Shorthold tenancies
 - Domestic Abuse
- The full strategy can be found here:

<https://epsom-ewell.gov.uk/residents/housing/homelessness>

Body found in Ewell house fire

13 December 2022

An investigation is underway following the discovery of a body at an address in Thorndon Gardens, Ewell, in the early hours today (12 December).

Police were called to the address around 1.50am following reports of a fire at the address.

A 44-year-old man has been arrested in connection with the incident and remains in custody.

A search of the property is underway and the investigation remains ongoing.

Epsom and Ewell Borough Commander Inspector Jon Vale, said: "A number of people called emergency services to report the fire and we would like to thank them for their prompt action. We realise that this incident would have caused a great deal of distress and concern in the local community and we would like to reassure you that an investigation is underway to establish exactly what happened.

Anyone with any information is asked to contact Surrey Police quoting PR/45220134346.

Senior local Councillor slams Surrey's budget

consultation

13 December 2022

Cllr Eber Kington, long serving **Residents Association** Borough Councillor and former Epsom and Ewell Mayor has served as a County Councillor since 2009. He has long campaigned against waste on staffing and councillor expenses. For example when standing in 2017 he stated he had “..called for a review of the County Council’s senior management structure to reduce the then £42 million salary bill [that] was voted down by the Conservatives. He opposed the Conservatives’ 2015 decision to increase their council allowances by over 60%. He has argued for the need to cut the use and cost of agency staff, which [then] stood at over £13 million.”

Today he has focussed on **Surrey County Council**’s public consultation on the 2023/2024 draft budget. He describes “as biased and meaningless”. He goes on to claim “The questions are deliberately designed to lead residents towards those responses that support the draft budget. Negative responses are discouraged by additional and unsupported commentary warning of the consequences of choosing the response.

In addition, the final question invites residents to give details of “any benefits” they can see if the budget was implemented. Quite clearly SCC is not interested to learn of residents’ views on any disbenefits of the budget, as that question is not even asked.

A truly impartial survey would have also encouraged residents to state what they felt was unnecessary expenditure, perhaps on high level salaries, or what for them is a higher priority, for example night-time safer streets.”

In addition, Councillor Kington was critical of information gathering on the respondents’ personal circumstances.

“There are 24 questions, but only the last three are on the draft budget. The first 21 questions are on the status, background, salary, and other personal details of the respondent. You have to ask why any Council requires its residents to provide so much personal detail before they can even start to give an opinion. Maybe one cost saving would be for SCC to reduce its spend on such biased and meaningless surveys”.

It is believed that a similar survey in 2022 produced about 100 responses out of a Surrey population of 1.2 million.

Epsom and Ewell Times has verified Cllr Kington’s claim. The consultation questionnaire indeed has just 4 questions directed at the issue with the first 21 directed at profiling respondents.

Surrey County Council state: “The council is setting its budget for 2023/24 and has set out plans for £1,095.6m (just over £1bn) of spending. The council faces a budget gap of £83m for next year, largely due to inflation pushing up the cost of delivering services, but also due to increasing demand for services, policy changes from government, workforce shortages and continuing impact from the Coronavirus pandemic. Having worked to identify £68.6m of efficiencies within the budget, the draft budget is currently facing a £14.4m overspend.”

You can find more information and a link to the survey [HERE](#)

Local sewage uploaded

13 December 2022

Epsom and Ewell’s **Hogsmill River** and **Green Lanes Stream** feature in the latest sewage report. The Rivers Trust undertake a review of the health of the nations rivers. Recent publication of the statistics for 2021 has prompted a petition to reduce sewage discharges. The main local water supplier is Thames Water. A company that reportedly has not issued dividends to shareholders other than holding companies for several years. The company’s earnings before interest, taxes, depreciation and amortisation are about 50% of its approximate £2 billion annual revenue. Yet, in July it awarded its chief executive £727,000 of a reported £3.1 million “golden hello” on top of her £2 million annual salary. The announcement came shortly after a damning report from the Environment Agency about the failure of water companies to stop sewage entering our rivers and waterways.

Images and data courtesy the Rivers Trust

Thames Water stated that the spillages from the Longmead arose due to a faulty sensor.

The Rivers Trust provide things you can do to maintain healthy rivers. [CLICK HERE](#) to its website.

The Rivers Trust is a registered charity and an umbrella organisation of 65 member trusts. The member trust for our area is The South-East River Trust

We will publish a gallery in the early New Year.

Thank you.

Surrey inspiration for writing and photography

13 December 2022

Fanny Burney (1752-1840) lived and wrote in Surrey and was inspired by the area's beautiful countryside and gardens in the Mole Valley area, particularly around Bookham, Mickleham and Box Hill. To celebrate Fanny Burney and the area she loved, Surrey Libraries and Surrey Heritage are pleased to announce our Photography Competition 'Frances Burney's Surrey'.

SHC would love to receive your photographs of places or buildings around Surrey, especially in the Mole Valley area, which were associated with Fanny Burney, or which inspire you today.

The competition is open from now until Sunday 22 January 2023. Submissions should be made online and emailed to leatherhead.library@surreycc.gov.uk and should have been taken during the competition period only.

We would also be pleased to receive printed entries, together with your contact information, at Leatherhead Library.

The winning entry will be announced in February 2023. The winner will receive an Amazon voucher for £50. Two runners-up will each receive an Amazon voucher for £25.

A selection of entries will be on display in Leatherhead Library from December 2022 onwards.

Coining it in Surrey

13 December 2022

Over the last 20 years the British Museum's Portable Antiquities Scheme (PAS) has allowed finds made by metal detectorists in Surrey to be added both to the national database and the county's Historic Environment Record (HER). Any groups of coins, groups of prehistoric metal objects or individual precious metal objects over 300 years old have also been required to be reported to the Coroner under the 1996 Treasure Act. This reporting process is undertaken by the county's Finds Liaison Officer (FLO). The purpose of the Treasure Act is to provide museums with the chance to save important finds before they are lost to commercial auctions and to preserve them for local communities and public collections. Finders and landowners receive full financial reward for everything acquired as part of this process.

One recent discovery from Surrey which has been reported under this law, is a hoard of 28 silver Roman coins (denarii), found dispersed across a small area of equestrian pasture in the Elstead area (recorded as SUR-EA4D41 and SUR-0E4DC2). The coins were most likely originally buried in a bag or box which has long decayed and released its contents to be scattered by ploughing. These coins represent an unusual and significant find for the county and after being declared Treasure at Coroner's Inquest were acquired by Godalming Museum, with financial assistance from Surrey Archaeological Society, Council for British Archaeology South-East and the V&A Purchase Grant Fund

2030 vision for the elderly in Surrey

13 December 2022

Surrey County Council sets out its vision for the care and living of the older generation by 2030. In 2021/2022 Adult Social Care in Surrey spent £506 million to support older people. This money helped over 5,600 older people and their unpaid carers. Money was also spent with voluntary organisations that support people in their community too. Adult Social Care also ensures services for information, advice and guidance are available to help people understand their care options and to make good care-related decisions.

The county of Surrey has a population which is getting older with people living longer than in other parts of the country. These changes mean that many more people are likely to be living alone, without support from their family. By 2030, the number of people aged 75+ predicted to be living alone will have increased by 27%. National reporting states that the number of unpaid carers 65 years old and over will increase by 17% from 2016 to 2025.

Dementia is most common amongst older people and in Surrey it is estimated that between 2020 and 2030 the overall number of people with dementia could increase by 28%, from 17,700 to 22,672.

In building the 2030 strategy SCC stated "We spoke to over 750 people living in Surrey. We worked with many diverse groups of Surrey residents of all ages including unpaid carers, care providers, partners, and colleagues. This took seven months and included workshops and surveys. We wanted to know what works well, what does not work well, what could be improved and what is important to our residents."

The plan sets out all the ways SCC, working with its partners in the NHS, care sector and districts and boroughs, will support people to live and age well in Surrey over the next decade. At the heart of the plan is a commitment to improving opportunities and care choices in local communities so that older people can be as active and independent as they wish.

The council engaged with residents and their families, as well as staff and partners, to draw up the strategy - and is now seeking input to help shape how it's put into practice.

The plan is centred around three priorities. They are:

- Prevention – supporting people to lead healthy and independent lives in their local communities for as long as possible
- Living independently – enabling people to live in their own homes with care and support tailored to their strengths, including through planned new extra care housing
- Care homes – making sure that Surrey can offer the right mix of high quality care homes for those who need them

Further details can be found in the summary version of the plan at surreycc.gov.uk/livingwellinlaterlife.

Working with partners, including the NHS in Surrey Heartlands and Frimley, as well as care providers and voluntary organisations across the county, the council has already achieved some key milestones in its plan.

These include:

- signing a new contract for home care services so that people receive even better care in their own homes
- enhancing its reablement service for people needing short-term care, such as after a hospital stay, through linking with specialist care workers
- carrying out in-depth planning to help SCC and its partners meet the growing need for care home places catering for complex and challenging needs

The council's keen to continue to gather residents' and partners' input as it works towards meeting the commitments in the plan. There will be opportunities to take part in workshops and surveys.

Anyone who has an interest in shaping services for older people can sign up via the web page or by calling 0300 200 1005, SMS (for the deaf or hard of hearing) 07527 182 861, text relay 18001 0300 200 1005 or BSL video relay.

Mark Nuti, Surrey County Council's Cabinet Member for Adults and Health, said: "Our ambition here in Surrey is that no one is left behind – we're committed to helping those who need us most, and improving quality of life for everyone. We want older people to be able to lead independent and active lives for as long as possible in their own homes and communities and, if they need extra support, to receive tailored and dedicated care. Our Living Well in Later Life plan sets out how we will continue to modernise our services and work with our partners over the rest of the decade to enhance the lives of older people in Surrey. If you have an interest in shaping services for older people, please come forward and help us put our plan into practice."

Additional reporting from Surrey County Council news service.

Council help for cost of living

13 December 2022

Epsom & Ewell Borough Council (EEBC) is raising awareness of the range of support available to residents struggling with the cost of living crisis. The Council have created a dedicated page on the EEBC website, which pulls together information on what the Council and other local and national organisations can do to help in one place at www.epsom-ewell.gov.uk/cost-of-living.

Residents will find advice in a wide range of areas, including energy and housing payments, health costs, food, applying for benefits, employment support and local places to go to keep warm. There are also specific areas for families with children and older residents.

The Council will also be sharing information and money-saving tips through social media and other material out in the Borough to reach as many people as possible with the help available.

Councillor **Alex Coley**, (Residents Association- Ruxley Ward) Chair of the **Community and Wellbeing Committee**, “We are aware of the significant effects rising costs in all areas are having on people’s everyday lives in the Borough. We want to ensure that those who need help are aware of what support is available and are able to access it.”

“This campaign is an opportunity for the residents, charities, the Council and Councillors to work together to help each other through the current crisis. If you are affected by the cost of living crisis, please visit the Council’s webpage, look out for and engage with the advice on its social media and across the Borough or contact your ward Councillor to share your concerns. We’re all here to help.”

Ward councillors’ details can be found here – <https://democracy.epsom-ewell.gov.uk/mgMemberIndex.aspx>

The webpage covers the following:

- What we’re doing in Epsom & Ewell
- Applying for benefits and paying your council tax
- Difficulty paying your rent or mortgage
- Employments, skills and training support
- Help for families with children
- Help with food
- Help with health costs
- Help for older residents
- Help with your broadband and phone packages
- Independent advice
- Paying for your gas, electricity and water
- Warm Hubs

Epsom and Ewell Borough Council Communications.

Local Plan Battle: early skirmishes on Downs Farm

13 December 2022

As **Epsom and Ewell Borough Council** is expected to publish a draft **Local Plan** in February 2023 **Epsom and Ewell Times** carries below an opinion piece authored by the **Keep Epsom & Ewell Green Belt Group**. We cannot confirm these campaigners’ contentions but we are happy to stimulate public discussion and interest through our pages. The Local

Plan will shape for several years to come the decisions on new housing development locations in the Borough.

Opinion Piece:

Alarmed by well-sourced leaks, residents have decided to come out fighting early against joint landowner and developer discussions with Epsom & Ewell Borough Council (EEBC) to build hundreds of homes on the 110-acre Downs Farm, destroying forever one of the closest Green Belt sites to London.

Other Green Belt sites near Epsom's Hook Arena and Horton Farm are also believed to be earmarked housing in the Local Plan process, and it is even feared that other areas within Epsom's 42% of Green Belt land could also have been offered up and included.

Residents in Surrey's already highest populated borough are so concerned that they are not waiting for what they say could be a flawed consultation process, expected in February.

Under Government pressure to deliver nearly 700 homes for each of the next 20 years, planning officers and councillors should instead be prioritising developer partnerships for an imaginative alternative "brownfield" core scheme, claims the residents' campaign group.

However, following much-publicized Government climbdown guidelines announced this week by Secretary of State, Michael Gove, that top-down housing targets were to be "advisory only" and could be challenged by local authorities if the character of their area would be irrevocably changed, EEBC should be in no doubt, say residents, that Green Belt sites should be now removed from its Draft Local Plan.

By redeveloping the Kiln Lane/Longmead area closer to town centre facilities, "more starter and lower cost young family homes could be built - and bring much needed rejuvenation and job opportunity benefits. Yet there is little sign that the planners are engaging with developers on this opportunity, preferring the easier, but devastating, option of

building higher end housing on Green Belt fields."

The borough-wide residents' campaign, "Keep Epsom and Ewell Green Belt" involves social media, mass leaflet drops, a new petition (<https://www.change.org/EpsomGreenBelt>) and its own website(<https://epsomgreenbelt.org/>). Some residents may well stand as independent Green Belt candidates in the May elections.

'Our advice is that once a site has been publicly designated as suitable by the Council in the Local Plan, public consultations rarely change what are perceived as "done deals" - and we are not simply prepared to stand by and let that happen. In 2019, EEBC listed Downs Farm as a Green Belt site not suitable for development, yet it now appears to conveniently ignore this just because the site has been offered up to them' said Yufan Si, campaigner of Keep Epsom and Ewell Green Belt.

Downs Farm is a rare chalk grassland habitat for protected species such as skylarks and bats, with regular sightings of deer, redkite and pheasant.

"Destroying forever high quality Green Belt sites will result in mainly luxury houses. We are deeply disappointed that the Residents Association controlled EEBC appear set to prefer Green Belt desecration over redeveloping a core brownfield scheme in central Epsom. Properly phased, this could be promoted as a creative industries hub, focussed on the town's University of Creative Arts centre for excellence. As well as a much better mix of around 5,000 affordable starter and rented homes for young families, this would provide job opportunities in a much-needed Epsom rejuvenation."

The campaign group also points out keeping Green Belt spaces also helps sustainability and the UK commitment to net zero by 2030.

The Elmbridge Council Local Plan is cited as an example where the council and residents challenged unrealistic top-down government housing targets. It proposes redeveloped brownfield sites without any Green Belt destruction - despite having a greater proportion of Green Belt land (57%) than Epsom.

The residents' campaign urges EEBC planners to quickly engage with brownfield developers using a £75,000 grant recently announced by the Government. Given its overriding remit to only prefer Green Belt development in "exceptional circumstances", and the recent Government policy rethink on housing, this should be done before the draft Epsom Local Plan is issued in February, say residents.

Council elastic on plastic?

13 December 2022

In March 2019 Epsom and Ewell Council agreed to phase out its use of single-use plastics. How is it getting along? Judge for yourself from the reply of Councillor **John Beckett** (Residents Association - Auriol Ward) to a progress report demanded by Councillor **Julie Morris** (Liberal Democrat - College Ward) at the Council meeting 6th December.

The Chairman of the Environment and Safe Communities Committee reported:

"Since adopting the Single use Plastics Policy as part of the Climate Change Action Plan, the Council has been working to support the reduction in the use of single use plastics within its own operations and across the Borough. We have utilised our communications channels and public events to improve awareness and to support wider behaviour change of our residents and businesses. We installed refillable water stations in 6 of our parks and opens spaces and in our Market place, to encourage use of reusable water bottles,. We have also supported all non-food stall and dry food greengrocers at Epsom Market to stop using single use plastic carrier bags, run a reusable Tote bag giveaway event, and committed to making the Market place Single use Plastic free by April 2024.

We have also reviewed the Council's own operations to understand where we can reduce single use plastics. We have removed all plastic cups from our operational buildings, encouraging staff to use reusable bottles and cups. We replaced the depot's old container-based water cooler with a plumbed-in version. We have also introduced segregated office recycling bins to enable improved recycling of plastics in our buildings.

We have stopped buying plastic-based refreshment supplies where possible but where it hasn't been possible to find a viable alternative, we are unfortunately having to continue to use that option. This does not mean that we will just accept the products but will continue to look at alternative options now and in the future.

As the Climate Change Action Plan is a living document and with changes to industry constantly evolving, we will continue to review our operations for further opportunities to reduce the need for Single use Plastics. This work will also involve partnership working with Surrey County Council, through the Surrey Environment Partnership, to support the delivery of the Single-use Plastics Strategy for the whole of Surrey.

Regarding the small milk pots which are currently used at the hot drink's machines in the members room, council chamber and committee rooms, alternative options are being looked at with the intention for these to be discussed at the January Climate Change Working Group meeting. After an initial conversation with the councils recycling officer, it is believed that the material used in the pods might be the same as yogurt pots and the solution might be as simple as removing the foil lid and having a separate container for these to be recycled at these locations.

Whilst we acknowledge it wasn't called an audit a review has taken place of Single use Plastic use and subsequent action taken as highlighted in this reply. Since then, the issue of SuP and the 5 pledges have been incorporated into the climate change action plan and will continue to be picked up through delivery of the plan. These actions are also now robustly supported

by incorporating SuP consideration into all our procurement processes. The climate change action plan has member oversight and officer resource attributed to secure its delivery and continuous review.”

Labour Councillor moves on housing

13 December 2022

An affordable housing commitment was put off at yesterday’s meeting of Epsom and Ewell Borough Council. A motion proposed by Labour’s Court Ward Councillor Kate Chinn read: “We as the Labour Group move that in the Local Plan Epsom and Ewell Borough Council will specify a minimum requirement of 40% of affordable housing in each new housing development of 10 or more units (Use Class C3) of which at least 25% will be reserved for social rent and comply with the vacant building credit.”

The matter was referred back for further consideration by the Council’s Licensing, Planning and Policy Committee that next meets 19th January 2023.

Cllr Chinn writes to The Epsom and Ewell Times – see our letters page.

Alcohol reading on duty very non-PC

13 December 2022

A former Surrey Police Constable has been barred from the profession after turning up to work still smelling of alcohol from the night before. The force’s chief constable found that the former officer had committed gross misconduct and would have been dismissed from the force, had he still been serving.

An accelerated hearing held on November 7 found that former Police Constable Jurgen Lovbakke, who was based in Guildford, turned up for duty smelling of alcohol, which he had drunk the night before.

An outcome notice from Surrey Police said the breath readings were over the “prescribed limit of fitness for duty of 13mg of alcohol per 100ml of breath”. The force’s Chief Constable Gavin Stephens found that the PC Lovbakke’s actions amounted to gross misconduct. It was also found he had breached the standards of professional behaviour in relation to fitness for duty and discreditable conduct.

A Surrey Police statement said: “Had the officer still been serving, they would have been dismissed without notice and so they were placed on the College of Policing Barred list to prevent future employment in law enforcement or similar.”

Auriol school field for golden years?

13 December 2022

Auriol School sports field in Cuddington is earmarked by Surrey County Council for 50 elderly care housing units. According to SCC: “The Cuddington site is ideally situated for Extra Care Housing and has been selected specifically for its location. The site will provide new homes in the form of 1-bedroom self-contained apartments. All of the homes will be accessible, with features designed for wheelchair users.

The accommodation has been designed around the constraints of the site and its neighbours but is still able to offer residents ready access to safe external space including landscaped gardens designed expressly to address the needs of older people; encouraging activity and promoting exercise, healthy living and wellbeing.

The design focuses on ensuring residents have sufficient space, both private and communal, and key to this have been considerations around accessibility. The development has been designed to ensure residents can remain in their homes as they grow older and/or as their needs change.”

SCC have plans for three other sites in the County. **Mark Nuti**, Surrey County Council’s Cabinet Member for Adults and Health, said: “Our ambition is to bring affordable extra care housing to locations around Surrey and these four sets of proposals bring us a step closer. Not only would the schemes help older people live life to the full, they would also breathe new life into four community sites.”

SCC is holding a consultation exercise and if you want more information and to participate go to:

Cuddington Extra Care Housing (communityuk.site)

Tennis at 95 is the norm.

13 December 2022

Epsom’s own **Norman Healey** celebrates his 95th birthday on December 11th . He is a member of The **Epsom Lawn Tennis Club** where he is admired and respected. His serve is hard to return and some of his forehand shots on the back corner of the court are nearly impossible to retrieve – worst of all is his volley at the net! He is a role model for many of us members in the club – his sense of fun and sportsmanship is inspirational. He is a ‘midweek’ player and he plays regularly in a Thursday ‘boys group’ of other members. In the past Norman has been the Chairman of the club having joined the Club in the late 1970’s. He was proud to have been the winner of the Men’s doubles in the 1980’s. The club is extremely honoured to have amongst its members such a celebrated and star quality player.
