

Grayling not to contest a seventh election

6 October 2023

Chris Grayling MP has announced he will not be seeking re-election at the next General Election due 2024 / January 2025 latest.

In a message to the Epsom and Ewell Conservative Association he wrote:

“I am writing to let you know that I told the Conservative Association AGM on Wednesday that I would not be standing again for Parliament at the next election. Earlier this year I was diagnosed with prostate cancer, and although the treatment has been successful, it has prompted me to think that after 22 years it is time for a change. The Association will now move ahead and select my successor as Conservative candidate.

I am very grateful to you for the support I have been given by you all over the years. I will obviously carry on working as normal until the election and will hope to see you at one of the upcoming events.”

An MP with a chequered career at ministerial level he is nevertheless recognised as a dedicated and attentive constituency MP.

This has been reflected in sustained large majorities against all challengers in the six elections he has fought, with his share of the vote peaking in the 2017 election at 59.6%.

The Plan to improve Planning pays off

6 October 2023

Epsom & Ewell Borough Council have received official notification from the Minister of State for Housing and Planning, Rachel Maclean MP, that their planning department is no longer under review for designation.

In April 2023 the council, along with nine other local authorities, received a letter from **Michael Gove** MP, the Secretary of State for Levelling Up, Housing and Communities, which stated that due to the performance levels of the council on planning applications during October 2020 and September 2022, designating the council was under consideration.

See **Epsom and Ewell Times** report of 15th May 2023 Epsom and Ewell planning improving after Government threat?

The council had been fully aware of this historic issue relating to performance over that period, which was a result of Covid and capacity-related issues. Having acknowledged the issues, the council took swift decisive action to address them, securing additional staffing resourcing within the department as well as investing in IT and improved ways of working.

As a result of the council's actions, service levels and performance on planning applications improved rapidly and significantly. Since early 2022, the council has continued to determine at least 90% of planning applications within the statutory timescale target, compared to the government threshold of 70%:

- Apr-Jun 2022 – 95%
- Jul-Sep 2022 – 91%
- Oct-Dec 2022 – 95%
- Jan-Mar 2023 – 96%
- Apr-Jun 2023 – 95%.

▪ Jul-Sept 2023 – 90%

Jackie King, Chief Executive of Epsom & Ewell Borough Council, said:

“We are very pleased that the Secretary of State has recognised the issues the council faced were historic and temporary in nature, and that the council has worked very hard to take significant proactive steps to address and improve them, resulting in our Planning Department far exceeding national targets over the past five consecutive quarters. We have a strong and stable team and systems in place and are very confident that we will continue to provide a high level of service, over and above what is expected, into the future.”

Surrey schools fly their green flags

6 October 2023

Surrey County Council has been confirmed with the highest number of schools awarded with a **Green Flag** of any local authority in England, with its **88 Eco-Schools**, all of which have a Green Flag status – the highest accreditation in the scheme.

Eco-Schools is the largest education programme in the world which helps sustainability become an integral part of school life. Eco-Schools is pupil lead, supports the enrichment of the curriculum and helps unite young people and the wider school community to care more about protecting the environment and making positive changes.

Various projects have been set up across Surrey’s schools and have had a positive impact on the environment. Activities that have taken place include:

- Building new ponds to increase biodiversity.
- Creating allotments to grow vegetables.
- Planting trees to encourage more wildlife and improve air quality.
- Running switch off campaigns to save energy.
- Making signs for bins to make sure people use the correct bins, to help increase recycling.
- Building a greenhouse out of plastic bottles to grow plants.
- Following national campaigns such as Walk to School Week.

The projects have engaged over 50,000 pupils and are already reaping benefits which include:

- Saving a total of 648,330kwh of electricity
- Diverting 111,645 tonnes of waste from landfill
- Creating 8,322 (m2) of natural habitat
- 7,400 pupils participating in walking and cycling initiatives.

Marisa Heath, Surrey County Council Cabinet Member for Environment said: *“This project is so important and very close to my heart because we know informing and educating the young generation will pay dividends in the future to protect our environment. I am so proud that Surrey’s schools are getting behind the green agenda and are encouraging so many young people to play their part to help tackle climate change. We know it’s a joint effort and if everyone plays their part, we really can have a positive impact.”*

“It’s an amazing achievement to be recognised as the highest performing county and hope this also inspires other Surrey schools to find out more and get involved.”

Adam Flint, Eco-Schools England Manager from Eco-Schools said: *“In academic year ‘22/23, schools in Surrey County Council achieved more Eco-Schools Green Flags than any other county council in the country. When it comes to enabling young people and schools staff to make positive impacts on our planet, the region is exemplary. The Council has supported their schools in various, showing a great commitment to the future of their pupils and placing faith in them to lead action on climate change and work for a better future for everyone. It’s a phenomenal achievement.”*

More information about Eco-Schools in Surrey, including how to sign up can be found on **here**.

Pollution around Epsom and Ewell Schools

6 October 2023

Epsom and Ewell Extinction Rebellion embark on a public education drive on Sunday 9th October in Epsom High Street. The climate action group has tabulated the pollution statistics for schools in and around the Borough.

The table below is based on statistics provided by addresspollution.org a United Nations accredited initiative of the Central Office of Public Interest.

Between 10am and 1pm the XR group will have a Doctor’s surgery (with an Intensive Care Unit Doctor) giving real world advice on the health impact of Air Pollution. A Citizens Polling Board so passersby can vote for their favourite Pollution Solutions and an information desk so you can find out the Air Pollution levels at your home and local schools.

In 2020 in a study published by the journal *Science of the Total Environment*, experts from the University of Surrey’s world-renowned Global Centre for Clean Air Research (GCARE) partnered with a local school and the local community in Guildford to investigate the impact cars have on air quality in and around schools during drop-off and pick-up times.

Children face a worrying threefold increase in air pollution during the daily school runs, causing air quality experts to call for restrictions on the use of cars during those periods.

These are the statistics provided by addresspollution.org for local school postcodes year long average figures assessed on 4th October 2023:

School	A i r Pollution Level	UK Ranking Higher is worse	PM2.5 Level mcg/m3 WHO Safe Limit 5 .	PM10 Level mcg/m3 WHO Safe Limit 15 .	NO2 Level mcg/m3 WHO Safe Limit 1 0 .

Child psychological waiting in Surrey eats savings

6 October 2023

Families are using their “savings and holiday money” to pay for private educational psychologist assessments having been told they would wait two years for an assessment through the council, a select committee has heard.

One councillor said all families who had been told they faced a two-year wait and had opted to fund a private assessment should get their money back and Surrey County Council would fork out for the refund.

Questions were also raised about how well the council was communicating with parents over eligibility and the scheme to refund parents, at a meeting of the county council’s children, families, lifelong learning and culture select committee on Monday (October 2).

The meeting heard about the steps being taken to reduce the wait times for children getting an education, health and care plan (EHCP), which is put in place to ensure children with additional needs or disabilities get the provision they need at school.

In 2022, Surrey was completing just 26 per cent of EHCPs within the legally required 20-week timeframe, down from 65 per cent in 2021. The council is aiming to be back over the target of 60 per cent of EHCPs issued within 20 weeks by the end of May 2024.

For the summer and autumn terms of 2023, a temporary reimbursement offer is in place for parents, up to a maximum of £925, where private advice has been obtained and where no further Surrey County Council professional advice is required.

The offer is part of the steps being taken to try to improve the council’s speed of getting through EHCPs, with a shortage of educational psychologists being one of the factors behind the delays.

Councillor Rachael Lake (Conservative, Walton) said she had been in contact with a family who were told in summer 2022 there would be a two-year wait, and challenged the policy of only allowing reimbursements in specific circumstances. Cllr Lake said: “Last summer when this family was told that it was a minimum two year waiting list, in writing, they chose to use their family savings and holiday money for an assessment which Surrey County Council has accepted in its totality and has acted upon, for which they are extremely grateful. Had they not spent this money, they would be one of the people still waiting this summer with another year to go.”

She said she thought it was “wrong” that this family could not apply for the money to be given back to them, saying she thought any family told they would have a minimum of two years to wait should be eligible.

One parent spoke to the select committee and said they only became aware that private assessments could be considered

on September 22 ,when they were told by the caseworker helping with their daughter’s request.

The parent was sent a link to a web page which no longer existed and said she had only found out that there had been an extension to the eligibility criteria when asking questions ahead of the select committee meeting.

She said: “I commend the committee’s efforts to try and reduce waiting lists, but without effective communication, both internally to your staff and externally, the decisions and policies that you make are meaningless.”

The meeting’s chair said it was clear the council had a “challenge communicating with parents and carers”.

Cllr Fiona Davidson (Residents for Guildford and Villages, Guildford South-East) said: “I’m not sure that we’re really tackling it as effectively as I think everyone would choose. On behalf of the committee, I would certainly ask if there was a renewed focus on those communications.”

Assessments for EHCPs will be carried out in chronological order, starting with those who have been waiting longest, except for more vulnerable children, where there is a safeguarding concern, or where they are due to transfer to the next phase of their education, which are being prioritised for completion on time.

Documents show that in order to catch up with the outstanding EHCPs, the county council will need to issue 330 overdue EHCPs in September, 321 in October and 260 in November.

The number of overdue plans being issued per month will be over 200 until May 2024, when it is forecast to drop to 86, compared to 147 which should be completed on time and meeting the 60 per cent target.

But documents also show that this target can only be achieved if the demand for assessments for an EHCP reduces.

The county council will focus on meeting needs “at the earliest opportunity”, with more language and communication support for reception classes.

The county council’s leader said before the meeting that, with access to appropriate support services at an earlier stage, families might not need to go down the road of getting an EHCP.

Cllr Tim Oliver (Conservative, Weybridge) said “looking through the other end of the telescope” could lead to “low level” support given earlier on and building a “more resilient, preventative system”, as well as allocating funding to those already in the system.

He added: “I accept that it’s a challenging process for parents. It’s not really their first choice.”

While the cabinet member education and learning, Cllr Clare Curran (Conservative, Bookham and Fetcham West), told Monday’s meeting she was “really confident” the plan to catch up on overdue EHCPs was realistic and could be achieved. But she said it would be put under pressure if there were a “massive increase” in new requests coming forward, or if there were a large number of staff leaving roles, as happened in 2022.

Bloomin’ marvellous for Epsom and Ewell

6 October 2023

Epsom & Ewell Borough Council, Go Epsom Business Improvement District, and dedicated volunteers from across the borough were delighted to pick up a number of awards for Nonsuch Park, Epsom Town Centre and Ewell Village at this year’s South & South East in Bloom awards.

For the first time, Nonsuch Park picked up two awards, a prestigious Gold Award for Large Conservation Area and a Silver Gilt Award for Heritage Park.

Judge **Peter Holman**, who is also Chairman of the South & South East in Bloom scheme, praised the efforts of the Nonsuch Voles Volunteering Group, and Epsom and Ewell Borough Council’s Operational Services and Countryside Team, who all work together for the overall benefit of the park.

Mr Holman said, “Woodland management, planting new trees and beds, and uncovering and restoring horticultural features all add value. Since my last visit, it’s good to see progress and the natural areas of the park are an excellent example of what can be achieved to benefit wildlife.”

Ewell Village kept its Silver Award status in the Large Village of the Year category and was congratulated on the efforts of the community volunteers who help maintain the Gertrude Longhurst Memorial Garden and Bourne Hall Park.

The council’s work at Bourne Hall was also praised. The judges said, “With its historic grounds, Bourne Hall showed noticeable improvements to the area at the rear of the building, which now forms an outdoor extension to the café area. It

is understood that planting to soften its appearance is planned along with a new children's play area. Adjacent to the pond, a new pollinators bed has been successfully planted and looked attractive.

"The Wheatsheaf public house was pleasing to see and welcoming. Also of note was the work at Gertie's garden."

Epsom Town Centre entered the Business Improvement District category and retained its Silver Award status. The judges noted the planting schemes in Rosebery Park, the 'Pocket Park' in South Street and the new planters outside TK Maxx, they were also impressed with the murals around the Town Centre and the Lidl Living Wall in Upper High Street.

Councillor **John Beckett**, Chair of the Environment Committee, said "I am pleased to see the hard work and dedication of the council, Go Epsom, businesses, residents and volunteers has been formally recognised at this year's South & South East in Bloom awards.

"Maintaining our standards by winning Silver Awards in Ewell Village and Epsom Town Centre again and improving on last year's awards tally by winning Gold and Silver Gilt for Nonsuch Park is a brilliant achievement.

"Plans are already being put in place for the borough to take part in Bloom next year. I would like to take this opportunity to thank everyone who is committed to ensuring our borough is the best it can be for the local community, visitors and wildlife all year round."

Karen Pengelly, BID Manager at Go Epsom said, "Epsom is a lovely town, and the introduction of planters, murals and general greenery are welcome additions to our street scene. Visitors and local workers have commented on how much they appreciate the efforts of everyone involved in making Epsom look even better. Onwards and upwards for 2024 - there's always more to do!"

The awards were held at RHS Wisley on Friday 29 September 2023.

South & South East in Bloom is part of Britain in Bloom and runs annual competitions across the counties of Kent, Surrey, East & West Sussex, Hampshire and the Isle of Wight, East & North Dorset and East Wiltshire.

Sutton and Epsom's Alley of dreams dashed in the end.

6 October 2023

Old Alleynians 29 Sutton & Epsom RFC 25. Saturday 30th September.

For Sutton and Epsom supporters with good memories, and multiple miles on the clock, they will recall opening three consecutive league campaigns from 1989-90 onwards against Old Alleynians. However, 3rd November 2012, in S&E's league winning season, was the last time that the two teams met at Dulwich Common with the hosts shading it 18-17. For Saturday's clash the Black & Whites welcomed back wingers Kyren Ghumra and Robbie Martey which meant that the Rugby Lane team no longer resembled Alf Ramsey's World Cup winners. It was another thrilling chapter in the story of this season with Old Alleynians triumphing 29-25.

Freddy Bunting kicked off in front of a miniscule crowd, no doubt affected by the rail strike, making the very busy roads in the environs even more congested. Thankfully the numbers grew throughout the afternoon and they were rewarded with an exhilarating game. A perfectly flighted kick descended just outside the host's 22 and was followed by a resolute Jack Benton tackle. OAs went wide but conceded a penalty. Freddy Bunting accepted the opportunity to give his team the early 3-0 lead.

The host's reply was instantaneous. The first of many sumptuous offloads by the Alleynians had them invading the visitor's 22 and a kick ahead gave them an attacking lineout. With clinical efficiency hooker Rory Simpson forced his way over for the first try of the game. Henry Dewing's touchline conversion went awry but OAs were 5-3 up.

Sutton & Epsom were equally rapid in their riposte. Declining a penalty shot at goal they went in search of the premium points with a kick to the corner with the attacking lineout to follow. Matt Whitaker secured the throw and the S&E pack was initially halted but a second surge carried Josh Glanville over the line for a very similar score to their opponents. Captain Bunting made light of the kick from the flank to restore Sutton's lead to 10-5. Old Alleynians pressed hard for the next score. Their swarming defence and high tempo game pressured the Rugby Lane team into errors. The visitors survived a charged down in their 22 but later a mistimed lineout created a turnover with fatal consequences. The home team ruthlessly exploited an overlap for Will Malins to score the first of his trio of tries. Henry Dewing bisected the

uprights to put the Dulwich-based club into a 12-10 lead. As the first quarter ended OAs, tighthead prop Tom Weightman offered sagely advice to his teammates at the restart: “Boys they cannot exit let’s play territory”.

Within five minutes it looked as if OAs were about to extend their lead from a 5-metre lineout. Defiant defence stopped the advancing forwards and when it went wide a desperate grasp from Michael Bennion prevented the backs applying the coup de grâce. From the ensuing scrum a stunning break from Matt Whitaker supported by Kyren Ghumra took play into the host’s half. A penalty for a high tackle was advanced to the 22. Superb play saw Kyren Ghumra to 5 metres out but Jack Howes in support could not hold on to the pass with the undefended line awaiting him. The error was not costly as the Black & White pack won a penalty at the scrum. Opting for tap penalty from 5 metres George London got to within a metre before transferring the ball to Chris Farrell to score. The conversion hit the post but Sutton led 15-12.

Old Alleynians then dominated the remainder of the first period with two tries in the last ten minutes. The first score was Will Malins’ second as he got the ball in space and finished with pace and power in the corner. Though the conversion failed the lead had changed hands once more with OAs 17-15 to the good. With the wind in their sails the southeast Londoners were soon pressing for another score. Desperate defence held up the hosts over the line. The goal-line drop out was taken by the hosts who laid siege to the Sutton line. A diving Ghumra interception denied a try but soon after Will Malins turned provider with a wonderful offload to create a try for Number 8 Tom Grahamslaw. Henry Dewing concluded the first period with his second conversion of the afternoon for a 24-15 lead. The teams turned around with a bonus point already secure in Old Alleynians’ back pocket for the four fabulous first half tries.

The contest resumed, the tempo increased and the chances to score multiplied exponentially. Quite remarkably there followed thirty minutes of end-to-end rugby with numerous chances but no additional scores. As one matchday photographer mused both XVs were specialising in try avoidance. The catalogue of close calls began with that man Malins once more to the fore. The Sutton defence dawdled by the touchline and the winger manufactured a kick ahead and from nothing the ball was rolling over the try-line with a couple of Alleynians vying for the glory. However, they were denied by the diving Sutton lock Josh Glanville, who used every inch of his frame, to rescue S&E. A few minutes later Kyren Ghumra was sprinting clear in the wide open spaces with a try beckoning before his errant pass sailed high into touch. Then OAs pounced on a ball dropped by the visitors and a breakaway score looked a certainty. But a backpedalling Bunting and Bennion prevented the dramatic score.

Sutton’s cause was not aided when Matt Whitaker departed for a yellow card as a result of cumulative offences. Old Alleynians kicked into the corner hoping to immediately take advantage of their numerical superiority. The ball was claimed and spun wide but white-line fever overwhelmed fullback Henry Dewing and Rob Hegarty scythed him down a metre short with expectant support on the outside. Sutton then took over the ‘nearly but not quite’ mantle. Reminiscent of the denouement of the Battersea game the previous round they hammered against the line under the posts. Herculean heroics by the SE21 outfit forced S&E to seek the alternative route via the backs. They were denied by a marvellous cover tackle on Kyren Ghumra in the corner. After all the thrills and spills the next score was the much more mundane Bunting penalty to reduce the Old Alleynians’ lead to 24-18.

Hardly had the crowd had time to digest that Sutton and Epsom were within a score before they rose to applaud Will Malins’ hat trick. It was another excellent finish and a deserved reward for an outstanding performance on the wing. Though the conversion missed with the lead 29-18 with only a couple of minutes remaining of normal time it appeared to be the match-winning moment. However, the Black & Whites were not done and we were able to bear witness to another episode of their long-running Soap “Life On The Opposition Line”. The Alleynian defence had been robust all game and were eager for another titanic tussle under their posts. After very careful consideration following numerous carries the referee awarded S&E a try. Chris Farrell emerged from the pile of bodies to claim his second of the afternoon.

Freddy Bunting’s simple conversion meant Sutton trailed 25-29 creating a chaotic conclusion. Both sides decided to run the ball at every opportunity. Henry Dewing thought he had finally shut the door on the impertinent opponents when he chipped ahead but the bounce did not favour him and the game was still in the balance.

Though Sutton and Epsom threw the ball from one side to the other they could make little headway against the voracious tackling of the Alleynians. With time up OAs gratefully kicked the ball from the paddock at their first opportunity to collect a thoroughly deserved bonus point win. The Malins hat trick was the obvious highlight but the Old Alleynian XV were excellent with lock Ben Osuntokun epitomising their performance. The Number 4 secured lineout possession, carried to great effect in the loose and was prominent in defence. For S&E they probably created more chances than in any other game this season but could not find that cutting edge. Kyren Ghumra was a tad ring rusty in his first outing of the season but was still a prominent threat. The hosts were good value for their win as they managed to play at a faster tempo, were aggressive in defence and kept attacks going with dextrous offloads and excellent support running.

The league has a weekend off before resuming on Saturday 14th October when Medway visit Rugby Lane to resume hostilities in this most competitive of leagues.

Sutton & Epsom: Michael Bennion, Kyren Ghumra, Ciaran Mohr, Freddy Bunting ©, Robbie Martey, Gareth O’Brien, Chris Ballard, Will Lloyd, Jack Howes, Callum Gibson, Jack Benton, Josh Glanville, George London, Rob Hegarty & Matt Whitaker.

Replacements: (all used) Tariq Al Khaldi, Chris Farrell & Ross Parsons.

Old Alleynians Henry Dewing, Will Malins, Will Foster, Robert Outram, Tom Vogel, Andrew Jones-Davies, Tristram Holden, Richard Garrett, Rory Simpson, Tom Weightman, Ben Osuntokun, Will Hinchcliffe, Chris Thatcher, Tyreece Asamoah, Tom Grahamslaw.

Replacements: (all used) Charles Thompson, James Mair & Tom Williams.

Quis custodiet ipsos custodes?

6 October 2023

A 9 month delay in presenting a critical report about **Epsom and Ewell Borough Council**'s handling of complaints was the subject of testy exchanges at a meeting of the Council's **Audit and Scrutiny Committee** on Thursday 28th September.

"Who will watch the watchmen?" When the Audit and Scrutiny Committee of the Council is itself under scrutiny – who takes responsibility for that?

The **Local Government and Social Care Ombudsman** (LGO) had written to the Chief Executive of the Council in July 2022. The letter stated: "during the year your council failed to respond in time to our correspondence during three investigations. On each occasion, we had to escalate the matter internally and were forced to consider issuing a witness summons and a public report for non-compliance. Such delays in our investigation undermine our role and can result in further distress to complainants."

Though the letter was available to the public on the Ombudsman's website the question asked at the 28th September meeting was why the committee, responsible for the scrutiny and review of the decisions and performance of the council, was not presented with the letter at either of its subsequent meetings of November 2022 and February 2023. It was finally presented at the meeting of April 2023.

The Chair of the 28th September 2023 meeting of the Audit and Scrutiny Committee was Councillor **Steve Bridger** (RA Stamford). He repeated a written answer to the question which referred to a "work plan" that provided for the Ombudsman's communication to be presented at the April meeting.

The questioner was former Residents Association Councillor **Previn Jagutpal**, exercising his right to ask a question as a member of the public. He responded to the Chair's answer and stated that there was no such direction in any "work plan", copies of which he held on the desk in front of him.

Mr Jagutpal went on to heavily criticise the conduct of the matter and said "Why should residents of Epsom and Ewell have confidence in the transparency and effectiveness of the Audit and Scrutiny Committee when pivotal information, such as the 2022 LGO annual review, and perhaps other information over the last four years, is not being shared in a timely manner with the committee?"

He went on to label the committee "The bodge-it and secrecy committee".

In another procedural controversy, though permitted a supplementary question to his first one, Mr Jagutpal was denied a second question, even though, as Mr Jagutpal pointed out, there was plenty of time for the committee to deal with it. Exploiting a bizarre anomaly in the procedures he was permitted to make a statement during which he told the committee what his denied second question was! Namely, a question concerning a meeting between the Chief Executive of the Council and the LGO of April 2022. Thus, as Mr Jagutpal argued, the matter pre-dated the subject of his first question about the July 2022 LGO letter.

A lawyer for the Council advised the Chair that Mr Jagutpal was not permitted a second question. According to **Epsom and Ewell Times** research of the standing orders the rule appears to be:

"If a member of the public asks or wishes to ask more than one question, their second question (written or oral) shall be taken after all other individuals who wish to ask a question have been given the opportunity to do so."

There were no other members of the public lining up to ask questions at this meeting.

Councillor **Chris Ames** (Labour Court Ward) raised a point of order and accused the Chair of plucking rules out of the air to silence a member of the public and protect the Council from scrutiny. He said "I just do not believe that that rule exists. However, more to the point I've noticed that every time Mr Jagutpal tries to ask a question that risks embarrassment for officers, or for yourself chair, some arcane rule is plucked out of the air to shut him down. It absolutely reeks of cover up and pettiness. What must residents think of a Residents Association Council using every trick in the book to keep residents in their place?"

The legal adviser intervened once more: "I've previously advised this committee as to my interpretation as monitoring officer that the current Constitution and the relevant Annex is to be read that way so my advice has been quite clear that's how we're operating."

Later in the meeting Cllr Ames weighed in again about the 9 month delay in disclosing the LGO's July 2022 critical letter. He said ""I think my question for you, chair, is when you received this letter, you must have looked at this letter. You must have thought things are going very badly wrong. I must put this before the audit and scrutiny committee at the next meeting rather than sit on it until April. I mean, surely, as a competent chair, you would look at that letter. It was expressly said in the letter to have been addressed to yourself, chair, and yet you sat on this report for something like nine months."

Cllr Bridger responded "We can assure you that nothing has been hidden or anything else. Yes I appreciate it should have been dealt with. However, the letter also goes to the chief executive and myself and other members. the report is available for everybody to see. Nothing's hidden at all and from what I hear it's almost as if everybody's waiting for us to bring the report but everybody can see it."

The committee was informed that the LGO has stated that the situation of communications between its office and the Council had much improved.

Local Audit meet: unexpectedly interesting...

Not quite a "veni, vidi, vici" victory for Romans

6 October 2023

Tadley Calleva 1-0 Epsom & Ewell FC. Combined Counties League - Premier Division. Saturday 30th September 2023.

Ultimately our latest match was decided by a clinical Kieran Rodgers finish from an errant and arguably unnecessary Ollie Thompson pass in the 40th minute. However, this doesn't tell the full story here as a resolute Epsom side more than held their own in this match and were most definitely worth a point against a Tadley side that had scored twelve goals in the last week.

In fact the **Romans**, so named because of the old Roman settlement of Silchester just down the road, probably thought this would be a fairly easy day at the office after their heavy FA Vase win on Saturday followed by a five goal romp against Sheerwater, who of course, we failed to beat two weeks ago. However that would not prove to be the case here as our boys ensured this would become a tight and competitive encounter between two evenly matched sides.

Many of our regulars were missing once again, although Zach Powell did return after a few games unavailable. He probably thought he would be eased in after being named on the bench, but an injury to Reece Tierney in the warm up forced our Manager's hand and left us with only four other substitutes for the match. Additionally, Marlon Pinder and Sirak Negassi were absent and so Tino Carpine and Ade Batula came back into the starting line up, as did Ethan Nelson-Roberts at the expense of Jabari Ofosu-Hernandez with Ayran Kugathas moving from the left to his more regular position out on the right.

We started brightly and took the game to our hosts in the opening stages. George Owusu had a near post cross cut out from a dangerous position and then in the sixth minute Carpine set up Ade Batula for a low shot from the edge off the penalty area that took a slight deflection on its way and made the save by Tadley keeper Craig Atkinson even more special as he stuck out a right glove to keep it out when it threatened to creep under him. Atkinson has played against us on numerous occasions previously for Cove and Hartley Wintney amongst others and always performs well against us.

We forced another couple of half-chances as we continued to display the attacking threat from Tuesday's League Cup match, but the home side gradually began to find a way around us and created a couple of opportunities of their own. Harvey Keogh dealt with the first of these fairly comfortably, although with the second, a weak punch nearly cost us as the ball fell for a Tadley striker whose shot was on target but blocked by Thompson Adeyemi amid futile shouts for handball.

We attacked again and Thompson's far post header was on target but claimed easily by Atkinson, but we then had to defend for a few minutes after Powell cut his knee and was forced to leave the pitch for treatment and if we had conceded from one ball across the area, it would have been hard to swallow as I couldn't see why the referee wasn't allowing our man back on. Neal tried his luck from thirty yards as the home team seemed to be running out of ideas, but our set pieces weren't any better with many deliveries either not getting past the first man, or way beyond all our players. We did have a good chance just after the half hour when a Nick Inwugwu ball towards the far post resulted in two defenders going for the same ball, which then fell kindly for Carpine, but his shot lacked real power and was easily claimed by Atkinson.

Next to try his luck was Nelson-Roberts whose corner was returned back to him out on the right, from where he cut in and struck at goal, but he missed the target with better options waiting in the centre.

It was beginning to look like a frustrating day for both teams when out of nowhere we conceded. Thompson out on the left played the ball square to where he thought Powell would be, only to give the ball straight to Rodgers who ran in on goal and gave Keogh no chance in the 41st minute. It nearly became two in first half injury time with a smart shot on the turn from Fragata, but Keogh was down well to turn the ball away as it was creeping inside his left hand post otherwise. Half

time came with no one on either team particularly happy with the situation.

We made a change at the half with Jaan Stanley coming on in his favoured number ten position for Inwugwu as we reverted to a 4-3-3 which looked more like a 4-2-1-3 personally, and we had a good chance in the 48th minute when a ball across from Kugathas found Batula at the far post, but it was on his weaker left foot and he barely made contact; the ball dribbling through to Atkinson from six yards out. Then we were back on the defensive as Rodgers got through on their left but Keogh stood up well and made a good save from the close range strike. The game swung from end to end and Carpena and Stanley saw shots blocked in quick succession and then Kiyo Brown came on for Carpena and Stanley was moved from the “ten” to the centre-forward role after just twenty minutes.

Ofosu-Hernandez came on for Kugathas with fifteen minutes remaining and it was interesting to note that both he and Nelson-Roberts advanced more in this match when we were playing four at the back than they had in recent games where they had been wing backs! Still, we only really created half chances, the best of which came when Ofosu-Hernandez sent a deep cross over and Owusu jumped high to claim the header but couldn’t keep it on target.

In the 92nd minute Keogh stood tall again as he made a fine save, but we were unable to breach the opposition’s defences and had to accept our sixth straight League defeat. There have been signs of improvement in the last couple of games, but it is a little concerning that, Pinder apart, we haven’t seen any other new signings yet, as all of our other players have been at the club since the start of the season. We now enter a potentially pivotal three game stretch against teams at our end of the table as Balham and Colliers Wood United come to us before we go to Sandhurst Town a week later. On the evidence of the last two performances we should still have hope, but the fixtures get noticeably more difficult on paper after those, so it’s now time for us to start picking up points or we will have a mountain to climb otherwise.

Epsom & Ewell: Harvey Keogh, Ayrán Kugathas, Ethan Nelson-Roberts, Ollie Thompson ©, Zach Powell, Nick Inwugwu, George Owusu, Rory Edwards, Tino Carpena, Thompson Adeyemi, Ade Batula

Subs: Jaan Stanley for Inwugwu (HT), Kiyo Brown for Carpena (66), Jabari Ofosu-Hernandez (74)

“Veni, vidi, vici” means “I came, I saw, I conquered” - attributed to Julius Caesar and refers to a swift and conclusive victory.

Our Star shines on Epsom Playhouse

6 October 2023

This month **Epsom & Ewell Borough Council** has installed 90 solar panels on the roof of **Epsom Playhouse**. The panels will generate over 32,000 kWh of electricity annually, covering a third of the Playhouse’s current electricity usage and saving more than 6.9 tonnes of carbon each year. The project is part of the council’s **Climate Change Action Plan** which sets an ambitious target for council operations to be carbon neutral by 2035.

The council has already installed solar panels at its Operational Depot which have saved more than 35 tonnes of carbon to-date and currently provide 20% of the site’s energy. Further solar panel installations are in the pipeline, following feasibility studies. Additional carbon-saving measures include installing energy efficient lights in all council buildings, and purchasing energy from a green tariff that guarantees energy is supplied from renewable sources. There are also plans to replace streetlighting throughout the borough with energy efficient LED lights. This will be done in phases, with phase 1 completed by 31st March 2024.

Epsom & Ewell Borough Council’s operational carbon footprint has reduced by 13% since 2019 when the council first began to measure it.

Councillor **John Beckett**, Chair of the Environment Committee, said “We’re absolutely committed to tackling climate change at Epsom & Ewell Borough Council.

“Climate change is not a standalone single issue for the council or the borough; it runs through a broad range of our activities and behaviours. We’re passionate about working with partners and our residents to lead the way to a more sustainable borough, and the installation of solar panels at Epsom Playhouse is one of a range of initiatives that contributes to this.”

More details about the Council’s Climate Change Action Plan can be found on the council website: <https://epsom-ewell.gov.uk/residents/climate-change>

Guildford centre of the cosmos for a day

6 October 2023

Budding astronauts and space engineers are set to be wowed and inspired on Saturday 7 October, when space researchers at the University of Surrey take over Guildford town centre.

The University and its event partners, the Institute of Physics, will offer activities for children and adults to try in the Tunsgate Centre and on the High Street.

Thanks to the UK Space Agency, there will be space suits to try on, Winchester Science Centre will host a pop-up planetarium, and there'll be a working model of a mini Mars rover.

Experts from Surrey Space Centre will be in the Tunsgate Centre.

Laura Cox from the University of Surrey's Faculty of Engineering and Physical Sciences explained what people can see. She said:

"Come along to see inside a small satellite and have a go at steering it. You can also help spot illegal fishing boats on satellite images, a crime which costs over \$15bn annually.

"At the mobile ground station, visitors can see signals from satellites in real-time and the decoded data they are sending from space. And you can learn about different types of space rocks and handle 3D-printed models of real asteroids, comets, and planetary moons."

Astrophysicists from the School of Mathematics and Physics will be answering astronomy questions, running a constellation activity, offering an escape room-style activity and more.

Local employers in the space sector will also participate, including Surrey Satellite Technology Ltd (SSTL), who will show off models of spacecraft and components of the satellites they make, including a propulsion tank, circuit boards and samples of the exterior panels we see in photos.

Dr Nicola Baresi, an astrodynamist who plans efficient routes for spacecraft to travel in space, including to the Moon and to other planets in our solar system, says:

"It's going to be a fun day for people of all ages with lots of space-related activities and experiments to try. Space is a hugely exciting sector and is a thriving industry across Surrey and Hampshire. There are plenty of opportunities for rewarding careers in this area, yet significant skills shortages, something we help tackle at the University of Surrey with our research activities and educational programmes. We're keen to inspire people and help them realise that they could get a job in the space industry."

Glyn students brighten the Borough

6 October 2023

Epsom & Ewell Borough Council and **Glyn School** have come together to transform an unused building on the site of the Upper High Street car park with a community mural funded through the Government's Safer Streets initiative.

Ten local secondary school students recently worked in collaboration with the council and international graffiti artists from **Positive Arts** to create a large scale mural celebrating the biodiversity within our borough. The artwork has

dramatically improved the aesthetics of the building, which previously looked tired and in need of renovating.

Giving support to the project, Councillor **Clive Woodbridge**, Chair of the Community & Wellbeing Committee at Epsom & Ewell Borough Council, said: "It is a goal of the council to ensure that our natural environment is both celebrated and accessible to all. This project showcases how culture and creative practices can help to elevate the natural landscape of our borough in new and colourful ways.

"This type of project sits within the emerging Cultural Strategy for the council, which seeks to nurture and champion the creative talents within our community while increasing access to creativity for all to enjoy and engage with. The students' teamwork has also been extremely impressive and is something to be proud of".

Julian Phethean from Positive Arts said, "The young people were really determined to produce something they could be proud of and that's exactly what they achieved!

"All of the students worked well in a team, made a positive social impact, and displayed a high level of creativity, focus and drive."

A spokesperson for Glyn School said: "The students involved thoroughly enjoyed this unique experience to give back to the community in a very different way."
