

Foodbank feeding thoughts...

Gillian Nichols of **Epsom and Ewell Foodbank** writes: What price do you put on mental health? Among the people that visit foodbanks, many have severe mental health issues due to traumatic experiences, poor circumstances, and often unaddressed medical issues they've faced in their lives. At Epsom Foodbank we have a higher motive than simply feeding the people who need us.

We want to help reduce the need for our Foodbank services through addressing the cause of the problem, not just the problem itself. And we are already doing this very successfully.

Our outstanding counselling service has been sitting alongside the foodbank, working with clients to help them move on from their problems towards independence and work.

It's hard for many of us to understand the plight of the people we help. It is best described in their own words which you can read at the end of this letter.

To have a qualified Counsellor available at our Foodbank is a huge asset which has changed lives. We really want to do more of this. But we need funding in order to do it. And it doesn't take a huge amount. In fact, just £50 per month would make all the difference.

A partnership or donation from your company can enable our Counsellor to keep working with people, building their confidence, and helping them escape from dependence by listening, offering therapy services, and having them know someone is there and looking out for them.

Everyone knows the importance of mental health, and how poor mental health lies at the root of so many social issues. If you can help support this incredible life-changing service, contact **gillianaudreynichols@gmail.com**

Good start to season with Salts

Mavericks receive a repeat dose of the Salts. **Worthing United 0-3 Epsom & Ewell** – Southern Combination League – Division One – Saturday 20th August 2022. Report Source: www.eefconline.co.uk Reporter: Richard Lambert.

In October 2021 we made our first visit to the Robert Albon Memorial Ground; the home of Worthing United, and won 3-0. Ten months on we repeated the scoreline without too much alarm and moved up to second place in the table as a result.

Our Management declared themselves happy enough with the result, but not quite so happy with the performance, and it's true to a point, as the match was a little scrappy at times. However, the warm conditions, bone dry surface and strong winds all played their part in that, as indeed did an extremely eccentric second half performance from the officials.

I have referred previously to the size of our squad, although the starting eleven is now starting to look more regular and for the second match in a row we made just one change with Athan Smith-Joseph moving to the bench as Jaevon Dyer made his first start for the club out on the left wing.

We kicked off with the wind at our backs and made a positive start. An early Ryan “Butch” Smith corner was headed back across goal by Brad Peters for Andy “Woody” Hall to hook the ball inches over the bar in just the seventh minute before a long throw from Jubril “Jibs” Adamson bounced through the six yard box and Richard Pingling saw his close range shot blocked by a defender. Peters was then at full stretch but was unable to direct his header from a Steve Springett free kick on target. All of this occurred in just the first fifteen minutes!

Pingling sent a thirty yarder just over the bar and in the 17th minute he was the creator of our opening goal, doing well on the right to beat two men before crossing with his right foot to the near post where Adam Grant was able to head the ball just inside the near post from six yards.

Springett had a fine game on Wednesday against Forest Row, but his afternoon would end painfully and prematurely after falling awkwardly and dislocating his thumb in the 26th minute. Play stopped for six minutes and the thumb was popped back into position, but our defender had to visit the local hospital for a scan. Hopefully it will reveal no further damage. Louis Chin came on in his place with Captain Gideon Acheampong moving over to left back in our defensive four.

We had a scare just before half time after Hall bundled his opponent over just outside the box and the free kick appeared to go through our wall, but Matt Walton was there to make the save and this was the most worrying moment for our boys from a defensive point of view as Walton would go on to claim his first clean sheet for our club. In fact as the half closed Hall nearly made his mark at the other end with a diving header from a Smith corner that Mac Scott in the Mavericks goal did well to claw away. However, there were still six minutes of injury time to play and Adamson forced another save out of Scott, but in the fourth minute of injury time we scored a second after Pingling sent a high ball in on the right hand side of the penalty area. Adamson got himself in front of the defender to shield the ball, held him off and then hooked it across goal, where Dyer was able to stretch and knock the ball in from close range.

We came out confidently with our two goal lead and looked for more. Dyer made a good run on the left but was denied for a corner by a great final second block from Andrew Younger, although the defender tweaked his ankle in making the challenge and was required to leave the field after treatment. We made that one man advantage count from the Smith delivery in the 55th minute as Peters launched himself at the ball, knocking it forward, and whilst he was blocked from following it up, Dyer was there to knock the ball past Scott from close range. However, that description doesn't really tell the full story. I do not know whether our man has ever practised Taekwondo, but as the ball was heading towards goal it was behind him, and somehow he got his leg up to head height and knocked the ball in with the back of his heel for a skilful and acrobatic finish!

We made a couple more substitutions soon after this goal when Tiago Andrade and Josh Owen joined the action in the 63rd minute. However, the final twenty minutes of the match were all about the officials. I have no idea why but the referee suddenly started to issue cards, starting with Dean Sherwood the Worthing United Captain who was sent to the sin bin. While we had the one man advantage Andrade played a perfect pass into the stride of Pingling and as he drew his foot back to shoot, he was clattered into from behind by Younger, yet somehow neither the referee nor the Assistant saw the foul. It has to be one of the most clear non-awarded penalties I have seen in recent years and insult was added to injury when Andrade was involved with some good interplay with another substitute George Membrillera, but as Andrade drilled the ball below Scott the flag was raised for offside. It is possible that one or other of them may have been, but after the previous “non-call” a few minutes before, it was impossible to have confidence in the decision and certainly our players didn't seem to agree with it!

Things got stranger. Pingling was taken out by Younger in the 76th minute and as the yellow card was raised, you wondered whether it really should have been a second one after Younger had also committed the “foul” for the non-penalty. However, even though the offender had been booked, Pingling was still made to leave the field after treatment. This was confusing and a few

minutes later after Pingling had been substituted, the Assistant then overheard comments from the dug out and brought the matter to the referee's attention who then sent our man off. People who were over there have confirmed that it was just conversation between people on the bench, but for some reason the officials chose to get involved.

There was still time for a home player to receive a yellow card for diving before Membrillera picked up a strange yellow card after he rolled the ball into the net after being flagged offside. This could easily have been dealt with by a quick word, but the referee then also booked Adamson in injury time for what looked like just incidental contact, following a Smith-Joseph run during which the ball had gone out of play, but which you'll probably be unsurprised to hear was also missed by the officials!

The ending of the match left a bit of a sour taste as it stopped both teams from playing football and the scoreline remained unchanged at 3-0 as the final whistle blew. Still, it was another three points and our third win in a row places us in a healthy position with our next League encounter at Oakwood coming up on the August Bank Holiday morning. Before that we visit Step Five Redhill in the F.A. Vase on Saturday; a good team who will certainly give our boys a test.

Thrashing good win for the Salts

Epsom & Ewell 5-2 Forest Row Southern Combination League - Division One. Wednesday 17th August 2022. Report Source: www.eefconline.co.uk. Reporter: Richard Lambert.

On Wednesday night at Fetcham Grove we thoroughly deserved the three points on offer with a 5-2 League win, although required two superb headers from Brad Peters to seal the points as the visitors threatened to take something from the match with the score at 3-2 midway through the second half.

Peters had been substituted on Saturday at Seaford Town, having been yellow carded and sin-binned in quick succession and it

was notable that for this match Gideon Acheampong was wearing the Captain's armband instead, but our centre-half responded well with a superb performance defensively and the two goals provided the cherry on the cake! It was just a pity that his goals were only seen by a crowd (counted twice independently) of 66 people on a Wednesday night when there were few other matches taking place.

We made just the one change to our starting eleven with Adam Grant coming in for the unavailable Tiago Andrade and retained the back four which had worked well at Seaford three days previously. Peters nearly opened the scoring in the second minute when he guided a header from a Ryan Smith free kick just wide of the post twelve yards out, before Grant saw his shot on goal blocked a couple of minutes later. However, we opened our home account for the season in the eleventh minute when Grant made a fine run down the left and his pull back skimmed off the boot of Athan Smith-Joseph out to Richard Pingling just inside the penalty area, where his low strike found the bottom corner and gave Ben Abbott in the visiting goal no chance.

Smith-Joseph was giving the opposition defenders trouble as usual and he broke through on the left; cutting in and striking across goal, but Abbott was able to claw the ball away from the danger area. He then beat some more defenders before rifling a shot just over the bar, aided by the slightest touch from Abbott, although the goal kick was still awarded. We then had a pair of yellow cards, one for each side and both correctly awarded, with Jubril Adamson receiving his for a late lunge which caught an opponent. The visitors drew level in the 42nd minute when a nice move from the left was finished off by a cannonball strike from the 18 yard line from Brett Caiger, whistling past Matt Walton into the roof of the net. However, their jubilation was short lived as a Steve Springett cross from the left was not dealt with and Adamson tucked away the loose ball into the corner in the 44th minute, so the half ended with our boys ahead once again.

Although Forest Row had been dangerous on occasions, we deserved our half time lead and extended it in the 47th minute when a great through ball from Zach Powell was perfectly weighted into the stride of Springett and he drilled the ball across Abbott into the bottom corner to make it 3-1.

We were on top now and Springett and Pingling forced good saves from Abbott, but then the Row pulled a goal back somewhat against the run of play in the 62nd minute when Steve Major eluded his marker to glance a near post corner across Walton into the far corner.

The game was a little too open for a while after that, but we settled down and Grant was denied from close range by Abbott and then substitute Jaevon Dyer, making his debut, made a great run through a crowd but sliced his shot wide. It would have been one of the best debut goals I'd seen, but we didn't have to wait long to make the game safe. Peters earned a corner with a dangerous ball across goal that was turned away at the far post, and from the delivery our defender remained up for the set piece and thumped the header past Abbott from close range in the 78th minute. Four minutes later he did it again from a Springett free kick, this time maybe six yards out, but still unstoppable.

As the match wound down we also had a couple more debuts as Eldi Baze and George Membrillera joined the fray late on. The latter had in fact been on the scoresheet in our last home match, although it was for the opposition when Dorking Wanderers Reserves won here back in April, but this time we were already home and dry and a late card for Grant for an unnecessary nudge in the back made no difference.

The final whistle blew soon after and we moved up to fifth place in the table as a result; only behind Billingshurst on alphabetical order. The Row had won their previous match, defeating Seaford Town 4-1, but this win tells me all I already knew from pre-season, which is that we will be challengers this term. One thing to note is that in three matches so far we have used all fifteen available substitutes and we clearly continue to have much strength in depth. We visit Worthing United on Saturday, hoping to keep our winning run going.

No immunity for CoVid vaccination thief

A Tadworth man who stole empty CoVid vaccination vials and sold them on Ebay gets a suspended prison sentence. What do you do when you get given one of those proof of postage receipts in your local post office? Crumple it up and stuff it in the bottom of your bag? Pop it in the recycling pile by the back door when you get home? Diligently file it away somewhere safe?

Luckily for our investigators convicted thief and fraudster **Steven Flint** took the last approach, but unluckily for him, his neat and tidy admin was eventually his downfall.

Flint was working as a contract security guard at three vaccination sites in the county during the peak of the Covid vaccination

roll-out in January and February 2021 when he stole a large quantity of empty Covid vaccine vials to sell them on eBay.

Investigators initially used Post Office CCTV footage and eBay account details to connect Flint to the crimes and he was arrested on suspicion of theft and fraud at one of the sites he worked at in February 2021. Flint had completed 13 shifts before he was arrested.

During a subsequent search of his house, police officers found empty vaccine vials and multiple receipts for packages posted to Flint's eBay buyers.

Surrey Police detectives also discovered that Flint had fraudulently used the details of an acquaintance to set up a new eBay account to cover his tracks.

Steven Flint, 34 of Bidhams Crescent, Tadworth was found guilty of theft on 19 July at **Staines Magistrates Court**. He had previously pleaded guilty to fraud by false representation. He was sentenced to one year imprisonment, suspended for 18 months, at Staines Magistrates Court on **Wednesday, 17 August**.

Flint was also ordered to complete 150 hours of unpaid work.

Detective Inspector Paul Gordon from Surrey Police's proactive investigation team said: "Covid vaccine vials remain the property of the NHS. Due to their sensitive medical nature, this ownership is maintained before, during and after the vials are used. Taking these items could only have been theft.

"Flint's crimes took place when the very successful national vaccine programme was in its infancy and any actions which jeopardised public confidence in the vaccine roll-out were treated with the utmost seriousness. We, along with our health service partners and the vaccine manufacturers, reacted extremely quickly to the situation, working together to identify and arrest Flint."

Lorna Hart, Surrey Heartlands Covid Vaccination Programme Director said: "The NHS will never charge for a Covid-19 vaccination and patients should only ever accept a vaccine from an NHS vaccination service.

"Thanks to the success of our NHS vaccination programme, frontline teams have done an incredible job, delivering over 2.2 million Covid-19 vaccines to people across Surrey Heartlands.

"As part of the autumn booster programme many people, including everyone aged 50 and over, will be offered a Covid-19 booster, as well as a flu jab, to help increase people's protection against respiratory viruses ahead of winter so we would encourage anyone who is invited to get vaccinated. We also continue to offer the Covid-19 vaccine to anyone who is eligible."

Nope Buses in Epsom soon

Bus drivers strike affecting the people of **Epsom and Ewell**. There are planned bus driver strikes during the **19th till the 20th of August**. Passengers from west and south west London, as well as parts of Surrey will be impacted. The affected Epsom and Ewell bus routes will be; **470, 293, 406, 418 and 265**.

166 may be affected as well, even though it has not been listed. The dispute is over the lack of pay rise in 2021, the 3% increase offer for 2022, cuts of pensions and lack of guarantee job security.

Affected bus routes:

470 - from Colliers Wood station to Epsom High street ,

293 - from London Road/ Morden station to Epsom Hospital,

406 - from Cromwell road bus station to Epsom hospital,

418 - from Cromwell road bus station to Epsom Station and

265 - from Putney Bridge station to Tolworth / King Charles road

166 - from Epsom hospital to West Croydon bus station, (even though it is not listed, it may be affected as well)

More than 1600 bus drivers are going to be striking, as a result of the company's (**RATP**) pay package offer, as it would amount to a wage cut in real terms due to the rising costs of living and inflation rate, which is at 11.8%. RATP offered bus drivers an increase of 3.6% in 2022 and promised a 4.2% increase next year, Unite the union and the company are yet to agree on a pay package which could satisfy both parties.

Unite General Secretary, **Sharon Graham** said: "RATP is fabulously wealthy and it can fully afford to pay our members a decent wage increase" as "Unite's members play a crucial role in keeping London moving, and they are not going to accept seeing their pay constantly eroded"

The workers are employed by London United, which is subsidiary to RATP, a French owned company. And according to **UNITE'S** website, they turned-over £4.8 million in 2021, profiting of £174 million in the last year.

Catherine Guillouard, RATP's chairwoman and CEO, during its meeting on the examined and approved RATP's financial statements on the 30th of July 2021 said: "the Group's half-year results show a clear increase in the first half of the year, with a €141m (+5.1%) growth in turnover and a €193m increase in the Group's share of net profits, standing at €105m, despite the lingering negative impact of the health crisis"

Unite Regional Officer, **Michelle Braveboy** claimed: "this dispute is of the company's own making, it can make a fair pay offer to its workers but has chosen not to, so it now faces the prospects of a highly disruptive strike action"

Transport Secretary, **Grant Shapps** had previously stated in regard to ongoing and planned strikes: "Unfortunately, it's too late to call off today's damaging strikes but I urge the RMT and indeed all unions to stop holding the country to ransom with the threat of further industrial action and get off picket lines and back around the negotiating table."

Mayor of London, **Sadiq Khan** gave the following statement when discussing TFL operations: "It's no secret that we're talking about [a matter of] days in relation to TfL's ability to carry on operating the services it's providing without the additional support from the government [...] what's important though is for TfL and department for transport officials to try and reach a resolution."

The TFL has stated some of the routes from Surrey will not be operating during the 19th till the 20th, along with the no running of night buses, throughout these two days. Services will continue to be impacted in the morning of the 21st of August, however, from 08:00am, services will resume as normal.

Passengers wanting to travel to London might be affected as well as there are strike actions being held for other TFL services such as; the London overground, the Elisabeth line, the National rail service and the Tube, among others. The strike will also impact workers based at Hounslow, Hounslow Heath, Park Royal, Shepherd's Bush, Fulwell, Stamford Brook and Tolworth depots.

TfL recommends to not make unnecessary journeys from the 18th until 08:00am on the 21st. Although if one must, they are advised to plan in advance, allowing more time for making the journey. They also suggest people to either cycle or walk, if necessary journeys need to be made, as the buses and other TfL services that will be running are expected to be extremely busy.

TfL's Chief Officer, **Andy Lord** stated: "walking and cycling is likely to be the best way to get around this action". They have guaranteed that Santander cycles will be available across London, and teams will be sent out to ensure they are distributed at key locations according to demand. And they recommend citizens to use planning tools, such as; Journey Planner and TfL Go, to be updated in real time about the strike actions.

Reaching recyclables others cannot reach

Ro Stretton from **Epsom** has signed up to the **Baylis & Harding Free Recycling Programme** offered by recycling experts **TerraCycle**. By sending waste to TerraCycle, Ro also raises money for charities **Univida** and Christ Church Epsom. Ro also collects other items for recycling including Pringles tubes, cheese packaging, biscuit and snack wrappers and bread bags

Epsom resident, Ro Stretton, has signed up as one of the UK's first public collection points for recycling used Baylis & Harding products. The free recycling programme was created by Baylis & Harding in partnership with TerraCycle, the world leaders in recycling "hard-to-recycle" waste.

Ro has set up a publicly accessible drop-off location at her home at 233 The Greenway, Epsom, allowing the whole Epsom community to drop-off items including Baylis & Harding caps, hand and mist pumps, flexible plastic lotion tubes, screw tops and Goodness hand wash refill pouches to be sent to TerraCycle for recycling.

While most Baylis & Harding products can be recycled through traditional methods, unfortunately some products can end up in landfill as local councils simply don't have the infrastructure to recycle these materials. By taking their waste to Ro's location, members of the community can give their Baylis & Harding products a second life.

The collected waste Ro sends in to TerraCycle is recycled by shredding, cleaning and turning into a pellet format which can then be used by manufacturers to create new generic plastic products, reducing the need to extract new resources from the planet.

Ro commented: "Everyone is aware of how important it is to waste less and recycle more, but this can be a challenge when kerbside recycling collections are limited to certain items. TerraCycle's free programmes are great because they allow whole communities to give a second life to the waste that's usually destined for landfill or incineration."

As well as recycling the waste they receive, TerraCycle awards points for each parcel of waste Ro sends in, which can be redeemed as a monetary donation to the causes of their choice - Univida and Christ Church Epsom.

Ro continued: "So far we've raised more than £1,500 for charity by sending this waste to TerraCycle. We donate the funds to Univida, which provides education, support, and food to children in Brazilian Favelas, and Christ Church Epsom which provides support to local people in need. The more we collect, the more we can donate, so I'd encourage everyone in the community to get involved."

As well as collecting Baylis & Harding products, Ro also collects on the Cathedral City Cheese Packaging, pladis (the company behind McVitie's and Jacob's) Biscuits and Snacks, Marigold Gloves, Philips Dental Care and Babybel Free Recycling Programmes, among others, enabling the people of Epsom to recycle waste including cheese packaging, biscuit and snack wrappers, dental care products and packaging and more. For a full list of what Ro can accept, visit <https://www.facebook.com/greenwayterracycle/>.

There are other similar drop off addresses and Epsom and Ewell including one at 72 **Hookfield, Epsom** and **Rymans in Epsom High Street**. Go to TerraCycle for details and search locations

Surrey's Police Chief cracks down on cover-up

A **Surrey Police officer** who "deliberately concealed" her friend's criminal damage to a car has been barred from policing. The officer told her friend she had put her in "an awkward position", and an accelerated hearing at the force's **Mount Browne headquarters** heard she would be dismissed without notice.

The hearing, in Guildford on August 1, heard that Special Constable 6846 **Leigh Beams** did not report her knowledge of the incident until several weeks later, when she was questioned by her supervisor.

SC Beams was present, though off duty, on April 13 2021, when a friend of hers committed criminal damage to a vehicle - but she did not take any proactive steps to notify police.

Despite being at an early stage of her career, **Chief Constable Gavin Stephens** said he did not believe such a "lack of judgement" was compatible with a continued policing career. He also noted she had "limited experience and basic training, and a previously unblemished record".

"Ms A" has subsequently admitted this offence and received a conditional caution but the initial police investigation was closed due to insufficient evidence, most notably the identity of the offender.

Chief Constable Stephens said: "I consider it to be serious gross misconduct where personal interest was put before public

interest, in such circumstances where it was obvious what the consequences would be for the victim.

"In short, the failure to act amounted to a deliberate concealment of relevant evidence.

"I do not believe that such a lack of judgement is compatible with a continued career, including a voluntary one, with policing.

"That is, to continue in policing would declare to others that it is possible to put friendships ahead of justice, and this is clearly not acceptable. You've put me in an awkward position".

In his decision, Chief Constable Stephens said the officer's culpability was "high" because as a "key witness" she made a conscious choice not to report the offence "over a protracted period".

The hearing was told she had recalled a conversation with the offender immediately after the offence had taken place, in which SC Beams said: "I said to her: 'What have you done? You've put me in an awkward position here.'"

Ms A's response was said to be: "Oh don't worry about it, it's fine, no one will know."

It was May 2 before SC Beams gave any account of the offence, and the hearing was told this only happened due to a complaint being made about her involvement.

SC Beams was not present at the hearing, and was not represented there but Chief Constable Stephens was satisfied the appropriate steps had been taken to give notice of the hearing and allow her to attend.

Chief Constable Stephens had considered a final written warning, given how early SC Beams was in her policing career, but said he did not think it would protect the force's standards or public confidence.

He said: "I accept that the position was awkward for the friendship or relationship, but I do not accept that it was awkward for policing duties.

"That responsibility is very clear to any reasonable person, and I consider that if SC Beams' conduct was known to the public then it would seriously undermine their confidence in the impartiality of policing. Failure to act was 'wrong'". He said that while SC Beams had some insight into her conduct and reflected afterwards that her actions were wrong, he also believed evidence showed SC Beams knew immediately after the offence that her failure to act was wrong.

He added that "she was more concerned about what the implications would be for her friend, who was the offender, and herself".

In his decision, the Chief Constable said the "key aggravating factor" was that the officer "continued to conceal the wrongdoing, even after subsequent discussions on what had taken place". He said SC Beams had recalled in interview a conversation which happened the following day with Ms B, who was also a witness, about how to report or seek advice.

Chief Constable Stephens added: "This continuing concealment is a fundamental lack of judgement required for public service." The hearing judged that she had committed gross misconduct, should be dismissed without notice and would be placed on the College of Policing's barred list.

Chief Constable Gavin Stephens said: "Such actions had the potential to deprive the victim in this crime of justice, and at the same time seriously undermine public confidence in the standards, impartiality, and effectiveness of policing in Surrey."

Two excellent strikes earn the points for Salts

Seaford Town 1-2 Epsom & Ewell FC Southern Combination League - Division One Saturday 13th August 2022 Report Source: www.eefconline.co.uk Reporter: Richard Lambert.

With one swish of the left foot and a low scissor volley with the right, Jubril "Jibs" Adamson and Joao "Tiago" Andrade registered their first goals for the club and provided the Salts with a healthy seaside tonic as they put last week's loss at Shoreham firmly in the rear view mirror with a 2-1 win at Seaford Town on Saturday.

It was Adamson's debut, although he was not even in the original starting sixteen when it was announced, replacing Jahobi Maher in a pre-match line up change, who I presume was injured in the warm up, but it proved to be a successful change as his strike enabled our boys to recover from a shaky start and ultimately take the three points.

This was not an easy match to watch on a day where it was too hot for supporters, let alone players! The searing heat was constant, although in a strange way the players were helped a little by the stop-start nature of the game as a result of an over fussy and at times uncertain refereeing display which confused players and viewers alike. However, there were a number of

positives to be taken from this match in addition to the obvious win. Both teams maintained a really high tempo throughout and the contest was a totally competitive one throughout, while we also showed good game management, both on and off the pitch to ensure that we remained ahead against an opponent who will be there or thereabouts at the end of the season.

We had a strange and unexplained delay to the start of the game and the players were kept waiting before we finally got underway seven minutes late and the first thing my boy noted was that we had started with a back four, after playing all pre-season with a back three. On the Seaford surface which was understandably brown, but with occasional patches of green speckled across it, we looked like we would be off to a good start from the opening exchanges, only to fall behind from a right wing ball in that was met at the near post with a strike from Callum Connor that was blocked, but he was first to reach the loose ball and smashed it past Matt Walton from close range in the sixth minute.

It would have been easy to think back to the previous week when we conceded after nine minutes and never recovered, but if anyone was thinking like that, it wasn't for long after a delightful through ball just two minutes later found Adamson and his early strike was low and just inside the post from twenty yards before Seaford keeper Mike Platt, with a career as a Ben Stokes lookalike ahead of him, was able to do anything about it. In fact he couldn't have reached it if he had been holding a bat!

It got better in a hurry too as Athan Smith-Joseph made tracks down the right wing in the 15th minute and sent a cross over. Platt came out of his goal and called for it, but the ball was already landing on the defender's head and he cleared it away. However, the clearance fell straight to Andrade just inside the penalty area and he showed good technique to keep his volley down, which flew into the net that Platt had vacated.

Both sides had another good chance before the break. The hosts had a 37th minute free kick that was met with a decent header, although Walton appeared to get a hand to the ball before it hit the post and flew away, and then on the counter attack Smith-Joseph got down the right again and his pull back was sent just over the bar from Andrade from twelve yards. One more chance followed when a Ryan Smith free kick out on the right was met by the incoming Brad Peters, but he couldn't quite get a sufficient contact and glanced the ball wide with his head.

The half had seen plenty of stoppages and the referee was the reason for most of them. Delays were frequent because of odd decision making and his habit of wandering over to his Assistants, almost as if he was after some sort of validation. This was proving a little frustrating and just before the half time break Peters found himself sent to the sin bin. Although I don't know what was said, you had sympathy for our Captain at this point and he missed the final seconds followed by the opening ten minutes of the second half. Despite being down to ten men in those closing seconds there was still time for Steve Springett to show good energy and make advances down the left, although his ball in was volleyed over by Andrade.

The second half commenced with another unusual decision as Gideon Acheampong just reached the ball after it had already gone out, but sent it out of the ground and picked up the first yellow card of the day in the 50th minute, although we were down to ten at the time so that may have factored into the referee's thinking. However, I've seen far worse completely ignored before! Peters returned after ten minutes actual play had occurred, but he then picked up a silly yellow card for a push right on the edge of the area and when moments later Connor picked up a yellow for the home side after a foul on Andrade, our Captain was taking a risk by clapping very clearly in the referee's direction. Well aware that a second sin bin offence would leave us with ten men, our Assistant Manager Matt Chapman and his team, in the absence of both joint Managers today, made the wise decision to replace Peters with Johnny "Sonic" Akoto who made his debut at left back with Springett moving into the centre.

The hosts tried to push us back. Literally in one case when a long throw came in and Springett was sent flying, but the referee missed this foul that I could see from 100 yards away and the ball needed to be cleared out from under our crossbar by Andy "Woody" Hall. We then saw our left winger Richard Pingling kick the ball away into a hoarding, but fortunately for us, although inconsistently he didn't receive a card. Pingling and Smith-Joseph asked questions of the Seaford defence all day and were a regular threat.

As the match progressed, further substitutions followed and one of these, Adam Grant just saw his header sent over the bar from another Smith-Joseph delivery and there was time for a new player Joshua Owens to come on for his debut where he, along with Owen Higgins and Louis Chin bolstered our tiring midfield. Chin came on in the 91st minute, yet we played nine minutes over, and whilst there were a couple of minutes taken for the mid-half drinks break, it was a very long time before the whistle blew and we could celebrate the points.

On another day, the home team could have taken a point, but our players looked much more solid this weekend and rarely looked in trouble during the second half. We kept a very good side at arm's length for much of the contest and for that reason I believe we were worthy of the three points, something also acknowledged by the Seaford Manager Paul Wise in his always honest post-match comments. We now host Forest Row next, but please note that this match has been moved from the Tuesday to the Wednesday at short notice. Such are the hazards of ground sharing, although I imagine that our players will be grateful for the extra day's respite between games!

Queen fit hats raise £9K for brain charity

An online auction of a collection of 15 hats created for the Platinum Jubilee by some of the UK's leading milliners has raised close to £9,000 for **Brain Tumour Research**. The collection of hats was inspired by the seven decades of The Queen's reign and entitled "Hats Fit For A Queen".

Pieces by Royal milliner **Rachel Trevor-Morgan** and milliner to the stars **Stephen Jones OBE** formed part of the collection, which was displayed in the **Queen Elizabeth II Stand** at **Epsom Downs Racecourse** on both days of **The Cazoo Derby** (June 3rd & 4th), before subsequently being auctioned online.

The Cazoo Derby formed part of the official celebrations for The Queen's Platinum Jubilee.

The project formed part of **Go Epsom's** wider Platinum Jubilee festivities across the Borough of Epsom and Ewell, which celebrate The Queen's lasting association with hats and their continued importance as a quintessential piece of raceday style.

The initiative was a new collaboration between Go Epsom, **The British Hat Guild**, Brain Tumour Research and Epsom Downs Racecourse and was promoted via the hashtag HatsFitForAQueen.

The initiative was a new collaboration between Go Epsom, The British Hat Guild, Brain Tumour Research and Epsom Downs Racecourse.

Karen Pengelly, Bid Manager for Go Epsom said: "I am delighted that we have been able to help raise so much money for Brain Tumour Research with 'Project Hat'. It was very satisfying to see some of these incredible hats being worn over The Derby weekend by some extremely well known celebrities. And to know that they have now gone on to be cherished by their new owners is wonderful. If Her Majesty the Queen had been able to attend the Derby I feel sure she would have been very touched to have seen the efforts that the UK's top milliners had gone to as a nod to her."

Hugh Adams, Head of Stakeholder Relations at Brain Tumour Research, said: "We are extremely grateful to Go Epsom, Epsom Downs Racecourse and The British Hat Guild for staging this wonderful exhibition, creating such a valuable platform to raise awareness of brain tumours and for the money raised. The auction proceeds will fund the equivalent of three days' research at a Brain Tumour Research Centre of Excellence where scientists are focused on improving treatments and, ultimately, finding a cure. To be a part of this wonderful initiative during the Queen's Platinum Jubilee celebrations have made this very special for

us.”

Edwina Ibbotson, on behalf of The British Hat Guild, said: “All the 15 members of the British Hat Guild who took part were honoured to participate in the Platinum Jubilee celebrations. We loved the idea of making hats from all decades of HRH The Queen’s reign from styles which would have been worn at The Derby in the 1950’s and right through to the modern day. The Guild have a close relationship with Brain Tumour Research, and we were thrilled that our members creations could be auctioned off to raise vital funds for them and their important work.”

Simon Durrant, General Manager at Epsom Downs Racecourse, said: “The Hats Fit For A Queen display at The Cazoo Derby proved to be a great success and the whole **Jockey Club team** are delighted to see the collection raise close to £9,000 for Brain Tumour Research. It was a great honour for The Cazoo Derby to be part of the official celebrations for the Platinum Jubilee and we hope the money raised for Brain Tumour Research will ensure that there is a positive and impactful legacy for this initiative.”
