

Should we be going to....?

15 March 2024

The Specsavers Surrey Youth Games is back. Following on from the success of the games last year, a wide range of activities are available in **Epsom & Ewell** again, including tennis, judo, swimming and more. The Games are the largest multi-sport youth programme of their kind in the South East, offering **free** local training for 7-16 year olds across Surrey, leading to a final celebratory event for the whole family.

The Games are ideal for beginners who may not get the opportunity to attend clubs or are put off by the thought of competing against others. Supportive coaches will help participants join in, have fun, learn new skills, and boost their confidence.

Registration is now open for the free training sessions which start after Easter and are aimed at those who live or go to school in the borough. Following the training, teams can unite for a family-friendly event at the Surrey Sports Park in Guildford on Saturday 15 June.

Councillor **Clive Woodbridge**, (RA Ewell Village) Chair of the Community and Wellbeing Committee, said "I'm so pleased that we are running the Specsavers Surrey Youth Games in Epsom & Ewell again this year. The initiative provides a fantastic opportunity for young people who are still building their confidence in sport to access training free of charge.

"I hope that everyone in our borough will take a look at what's on offer and even tell friends and family about the initiative, so that we can ensure that as many children as possible can access the training."

You can find out what's on offer in the Epsom & Ewell borough and register for a place by visiting www.epsom-ewell.gov.uk/syg

Better private - public health communications could prevent deaths

15 March 2024

A young woman tragically took her own life in Surrey prompting a warning from a coroner over communication barriers between hospitals. Meghan Christmas, who suffered from anxiety disorder, depression, complex PTSD and ADHD, died by suicide on October 20, 2021 at a Premier Inn in Guildford.

Less than three weeks prior, Meghan had impulsively attempted suicide by overdose and was admitted to Royal Surrey Hospital on the following day. She was offered further psychiatric treatment through the NHS at this time, which she declined in favour of continuing with her private treatments at The Priory Hospital. Information about Meghan Christmas' attempted overdose was only sent to her GP and not her private psychiatrist.

Meghan took her own life the same day as her private psychiatrist said she was "progressing well". Following Meghan's inquest Coroner Darren Stewart OBE wrote in a Prevention of Future Deaths report to NHS England over the 'concerning' communication barriers between private and public healthcare services.

He wrote: "At a time where pressures on the NHS exist, particularly for mental health services, it is of concern that measures which could alleviate this pressure (where someone sources private care) do not exist. There is little or no policy, guidance or other effective arrangements to share important clinical information about patients between private and public healthcare sectors."

"The passage of information between NHS and private healthcare providers is hindered due to the absence of an adequate structure to share important clinical information about patients in a timely and effective manner. Action should

be taken to prevent future deaths .”

Meghan was prescribed antidepressants after a face-to-face appointment with her GP in February 2021. She started seeing a private psychiatrist around July, and received prescriptions both privately and from her GP.

The coroner also raised this as a key concern. They wrote: “This means Mrs. Christmas had access to double prescriptions. Healthcare professionals treating Mrs. Christmas placed significant reliance on the perception that she would be open and honest in her communication with them.”

The coroner also raised concerns around police forces communication between each other. It was at, 4.54pm that Meghan contacted Surrey Police to explain that she was fine. At 5.18pm, the call handler in the Hampshire Police control room communicated with Surrey Police only via email.

After receiving no response from Surrey Police, the handler in the Hampshire Police control room communicated with them via telephone Surrey Police then attended the location in Guildford and found Meghan’s room barricaded. Upon gaining access to the room, officers found that Meghan had sadly died.

Officers attempted to resuscitate Meghan and her heartbeat restarted. After resuscitation, Meghan was transported to Royal Surrey County Hospital where she died two days later on October 20, 2021 from a Hypoxic Brain Injury.

The coroner wrote: “The handling of the incident involving Mrs. Christmas in Hampshire Constabulary’s Force Control Room which resulted in a hour delay in determining that an important communication (being a request for assistance) had not been received by a neighbouring force.” It was not concluded however that this shortcoming contributed to her death.

Hampshire Constabulary have since said they have made significant improvements to their process. These measures included: Revision of training provided and the introduction of additional training for supervisors and control room staff. Implementation of National Policy concerning Missing Persons, including documentation to assist in control room responses to similar circumstances. Revision of the recording of risk assessment measurements on the computer aided dispatch record (CAD) system.

It was further explained to the court that the measures should be seen in the context of wider cultural change management in the supervision and leadership being undertaken by Hampshire Constabulary in the operation of the Control Room.

A spokesperson for Surrey and Borders Partnership NHS Foundation Trust said: “Following Meghan’s death an amendment was made to our Psychiatric Liaison Service policy stating discharge letters will be sent not just to the GP, but also to any other relevant external professional – provided we have the explicit consent of the individual to do this. The measure was welcomed by the Coroner.”

SABP added it has developed new guidelines for both community and in-patient clinicians to ensure it routinely and actively seeks a person’s consent to contact and share information with or from their private practitioner.

The Priory Hospital did not make an additional comment. NHS England has been approached for comment.

Soni of Stagecoach Epsom lands lead role

15 March 2024

Vishal Soni student of Stagecoach Performing Arts in **Epsom** landed the lead role in the National Theatre’s musical production of Roald Dahl’s **The Witches**.

Vishal fought off strong competition in auditions to land the role of Luke in a rip-roaring musical version of Roald Dahl’s timeless tale. In the original the boy at the centre of the story is unnamed. “Luke” follows the 1990 film version which gave the boy the name.

Performing on stage at the National Theatre for the 11-week production, Vishal shone in his remarkable portrayal of the courageous young protagonist.

The Witches is a rip-roaring musical version of Roald Dahl’s timeless tale, filled with wit, daring and heart. The Witches have come up with their most evil plan yet, and the only thing standing in their way is Luke and his Gran.

Vishal has been a student of Stagecoach Performing Arts in Epsom for nine years and has an impressive resume under his belt, including standout performances in *The Sound of Music* at Chichester, a UK tour of *Les Misérables*, and *The Prince of Egypt* in London’s West End.

His upcoming role in the 2024 film adaptation of musical, *Wicked*, is a testament to his unwavering passion and undeniable talent.

Commenting Rachel Crouch, Principal of Stagecoach Epsom, said: “I’ve always been immensely proud of Vishal. Not only has he gone from job to job, but he has done so with such a professional and humble attitude. He’s an absolute star and we couldn’t be prouder. Thank you also to HF Management, his fabulous agents.”

The Witches run at the National Theatre has now closed. Wicked is due to be released later this year.

Fire Assembly for Ukraine

15 March 2024

Saturday 10th March a Bronto Fire Engine came to Epsom’s Market Square outside the Assembly Rooms. A crowd gathered to admire the magnificent machine and wish it well on its journey to a city near the front-line of the conflict between Russia and Ukraine.

Roy Deadman of the charity **Surrey Stands With Ukraine** explained: “Some population centres in Ukraine are so close to the Russian artillery that the missiles can strike before the sirens sound. This fire engine with its long-ladder can rescue lives trapped in apartment blocks.”

Another volunteer with the charity **Nick Budd** said “There has been a tremendous effort to raise the money to purchase this vehicle and the public have been very generous. Our partners in Ukraine are very grateful to be receiving this vital equipment.”

The Mayor of Epsom and Ewell **Robert Geleit** (Labour, Court Ward) was in attendance, confirming a moment of pride for Epsom and Ewell as the headquarters for the humanitarian efforts of SSWU.

Charity director **Lionel Blackman** said: “Post Brexit there remain various bureaucratic obstacles to the engine’s transportation across Europe to the Polish border, where our Ukrainian partners will collect and take through their country to where it is most needed; but we will overcome and we expect it to be in place in a few weeks from now.”

It’s not a fair cop? Cllr. Coley on police funding

15 March 2024

Did you know that Surrey is the only police area in the country where local residents pay more towards policing than central government? The share of the burden is 55% Council Tax precept, versus 45% government funding.

The average Council Tax precept contribution in England and Wales is 34% and is growing faster than any other funding area. Government capital funding and funding for national priorities like serious violence is decreasing. From March 2016 to March 2024 the Council Tax precept nationally has increased by a total percentage of 71%. While government funding from March 2016 to March 2024 has only increased by 29%.

We are approaching a point where other police areas will join Surrey and cross the line where the Council Tax precept provides the majority of funding. Within three years a third of police areas may cross that point, in five years it could be half. Not only are residents being taxed twice for policing, many will soon face being directly taxed for the majority of police funding contributions where they live, just like in Surrey.

A quiet and gradual funding shift by stealth. We may find ourselves experiencing American style policing, where your local police are exclusively bought as a service paid for with a property tax. You only have to look at what happened in some US towns and cities when wealthy people moved out and funding collapsed. Criminal gangs move in sensing

weakness and create a cycle of deprivation and self-reinforcing criminality driven by ever decreasing budgets that deter investment and prosperity. I am determined we don't end up like that and the government provides fairer funding.

At a meeting of the Surrey Police & Crime Panel we were asked to vote on the Police & Crime Commissioner's maximum increase to the precept. I asked her to consider other funding sources because of the impact of yet another maximum increase on residents suffering from the cost-of-living crisis after years of austerity. She had her staff answer for her: "What do you want us to do, pass a hat around?"

The Police & Crime Commissioner has £43m in treasury management, she underspent by £8.7m last year and is forecast to underspend again this year. Your Council tax is going into her reserves, while police officers are taken off the streets to cover desk jobs for staff vacancies. Little wonder that the recent inspection report assessed Surrey Police as 'Inadequate' at responding to the public.

I am petitioning parliament to change the police funding allocation formula so council taxpayers don't contribute more to their police force than government.

Please sign the petition here: alexcoley.uk/petition

"Bonkers but essential" job to cut back jobs?

15 March 2024

'Bonkers but essential' is how a new £75,000 job, running bankrupt Woking Borough Council's decimated leisure and communities services is being described.

Last month, the council cut more than £8million from its budget; slashing spending on daycare centres, Citizens Advice Woking, and telling Pool in the Park to become self-sustaining or risk closure.

Now, it is advertising a new Head of Leisure and Communities to oversee the service and, on top a basic salary of between £65,624 and £76,439 a year, includes a £3,255 'flexible benefits allowance'.

The advert, which runs until March 24, is seeking somebody to lead on the "commissioning, oversight and delivery of a range of leisure and community services, ensuring the facilities are operated in the most efficient, effective and sustainable way."

The successful candidate will be in charge of leisure contracts, sports and leisure services, arts and culture, community centres, and community safety.

A spokesperson for Woking Borough Council described the role as "a permanent position" adding that it was "essential to ensuring these services can move to a self-financing position through strong and effective partnerships, including managing the Council's leisure contract."

The outgoing postholder played a key role in making it possible for the borough to retain as many of the services it has, in the face of the necessary swinging cuts needed to balance its books. Leader of the opposition, Councillor Kevin Davies said: "Ultimately you can argue that it is a non-statutory service, but the residents of Woking have made it extremely clear that they see it differently.

"On the face of it, the high value of the role is galling particularly as people have been made redundant but the (post holder) will be responsible for a lot of services that people hold dear.

"Will the council come across as tone deaf? Of course, but the residents want these services as at the end of the day.

"It looks bonkers, but it's to protect something that people see as absolutely valuable. We need a really good person and the incumbent has done a really good job in protecting as many of the services we could - without him we'd have lost Pool in the Park."

He added that the service would soon become a "shadow of its former self" with the council delivering the minimum it could get away with, for the maximum tax. He said: "Before it was trying to do the opposite, the real answer should be somewhere in the middle.

Among the role's duties will be working with both public and private sector partners to develop a "healthy, inclusive and engaged community" and to drive new initiatives that support residents as well as commissioning and contract management.

Surrey County Council workers to strike?

15 March 2024

Staff at Surrey County Council could walk out after a “record number” of people backed strike action – unless the authority makes a significantly improved pay offer, unions have said.

For the last two years the workers at the council have been offered less than the National Joint Council (NJC) pay award and less than most other neighbouring councils, according to Unison.

Those working in local government and schools have their pay and other conditions are negotiated by the NJC. The Local Democracy Reporting Service understands that those offers were rejected.

Last year, turnout for a full-strike ballot fell 40 votes short of the threshold required for legal industrial action, and the pay settlement imposed without agreement.

This year, a consultative ballot of members, covering core Surrey County Council workers and support staff in Surrey maintained schools, concluded on Friday, March 1, and achieved enough votes with a 53 per cent turnout – with 87 per cent of members rejecting the 4 per cent average pay offer, and 91 per cent of those voting for strike action, record in Surrey.

Union representatives are due to meet next week and have said that unless staff receive a “significantly improved offer” they will “be recommending a vote for a full legal industrial action ballot over the next few weeks”.

Paul Couchman, branch secretary of Surrey Unison, said: “Our members are more frustrated and more angry than they have ever been. Voting over 90 per cent for potential strike action is unprecedented in Surrey. We hope the council will see the strength of feeling of their staff and reconsider their offer.

“If there is no significantly improved offer from the council in the next few days we will have no choice other than to go to a formal ballot for strike action, where we are confident our members will once again respond positively to a call for action.”

It comes as the county council’s new £30 million payroll system was reported to have left staff “wiping tears of frustration and helplessness” over missed payments.

The council brought in a new Enterprise Resource Planning system last June and said it had “experienced some issues relating to payroll” and that it had been working to improve the system but given its complexity, needed an ongoing programme of software upgrades and fixes to address issues that have arisen.

Mr Couchman added: “No doubt the anger and frustration over the payroll issues has added to the general cost of living crisis, making Surrey County Council employees vote in unprecedentedly high numbers for strike action.”

A spokesperson for Surrey said: “We are still in talks with the Trade Unions regarding the 2024/25 pay offer therefore it would be inappropriate to comment while these discussions are still ongoing.”

Varying opinions on local maternity services

15 March 2024

Epsom and St Helier Hospital NHS Trust claims it has a ‘strong’ maternity service despite failings in a recent CQC report. Safety in the maternity service was rated ‘inadequate’ in a report published by the Care Quality Commission (CQC) in February. The service overall was downgraded from ‘good’ to ‘requires improvement’.

Managing Director of the Trust **James Blythe** said, at an Epsom and Ewell Health Liaison Panel on March 3, he was “disappointed” with the CQC report. He added: “The hospital has a really strong service and what the CQC identified are processes we need to get stronger at.”

However, the CQC’s report highlights practical issues including qualifications and competence of staff, and an environment ‘not fit for purpose’.

An update report by the Trust given to the Epsom and Ewell Health Liaison Panel said: “All of our maternity services meet 10 out of the 10 safety actions required nationally.” The 10 safety actions are specific to maternity services and range from submitting maternity data, workforce planning, training and action plans, to delivering best practice.

However, the CQC report found the leadership team ‘did not take timely action’ to make change where non-compliance with four safety actions was identified in the 2022/23 inspection.

A report in July 2022 identified a shortfall of midwives, yet this had still not been addressed in January 2023. The service was therefore unable to declare compliance with safety action 5 on midwifery workforce planning.

The CQC report said: “On inspection, there was a lack of clarity from managers and leaders about whether the service was on track to make improvements and declare compliance for 2023/24.”

Epsom and St Helier hospital Trust were asked about the discrepancy between the agenda stating they met all 10 safety actions and the CQC inspection report outlying non-compliance of safety actions. The Trust did not comment on the difference.

The Trust is planning to invest more than £2m over two years to increase midwifery staffing in the unit by 8% so the Trust can declare full compliance with safety action 5.

Visiting the hospital in August 2023, the CQC found the service “did not have enough midwifery and nursing staff in the right areas with the right qualifications, skills and training to care for women, birthing [partners] and babies”.

Staff working in transitional care for babies who require extra support “did not have the qualifications and competence for the role they were undertaking.”

A spokesperson from Epsom and St Helier said: “Our priority is to ensure women and birthing people receive the best possible care, and we have already taken steps to improve and strengthen our maternity services – rated by mums in the CQC’s own survey as the best in London.”

Days before the inspection report was published, the Trust secured a strong result in a CQC patient experience survey of women and birthing partner’s experiences of maternity care in England.

Maternity services at Epsom and St Helier received the best scores in London, with maternity care at St George’s joint second place.

The environment in some areas was ‘not fit for purpose’, and on the maternity ward this posed an ‘infection prevention and control risk’. Bereavement and recovery facilities did not meet national standards for privacy.

The Trust is said it is ‘fast-tracking’ estates work with new doors and blinds fitted to improve privacy and dignity.

The hospital’s environment was “not fit for purpose in all areas” and the facilities and equipment were found to “not always keep people safe”.

An Epsom and St Helier spokesperson implied that patients deserve better than the current crumbling estate – but the hospital can still deliver and receive safe care.

Founded in 1938, approximately 90% of St Helier Hospital pre-dates the NHS itself. A further 98% of the St Helier estate is said to be either in very poor or bad condition and requires capital investment or replacement.

Millions are said to be invested every year to address the most urgent estate challenges, while also improving the buildings, facilities, equipment and environment for patients and staff.

A spokesperson for Epsom and St Helier University Hospitals NHS Trust said: “This new rating is partly a reflection of our ageing estate, and – while the care they receive is safe – mums, babies and other patients deserve better, which is why we’re pleased the Government has promised us a new hospital and upgrades to our existing facilities by 2030.”

Civic awards at civic reception

15 March 2024

The Epsom and Ewell Mayor's civic reception took place at Bourne Hall, Ewell on Friday 8th March. The “great and the good” of the Borough, including Member of Parliament **Chris Grayling**, gathered at this special annual event that witnessed the conferment of the title of Alderman of Epsom and Ewell to three long-serving local councillors.

The ceremonies began with the Mayor's Active Citizen Award. The Mayor, Cllr **Rob Geleit** (Labour Court Ward), presented this year's award to **Barbara Lewis**, praising her selfless dedication to the community: "Barbara, born in Kingston, was instilled with a strong sense of altruism by her late mother. After attending Tiffin Girls Grammar School and serving in the civil service, Barbara settled in Ewell with her husband Martin, celebrating their upcoming Golden Wedding Anniversary. Barbara's commitment to her local area, Station Avenue, has been unwavering. Notably, she spearheaded efforts to provide scrubs, masks, and other essentials to frontline workers during the pandemic, and organized a heartwarming visit from Santa for children in her neighborhood. Barbara's involvement extends to various charitable endeavors, including Epsom Twinning Society and Epsom Rotary Club, and she even finds time to teach a Spanish class for the University of Third Age (U3A). Additionally, Barbara has dedicated herself to fundraising, notably supporting the Mayor's Charity Committee. Her generosity knows no bounds, always willing to help and support her community."

Cllr **Hannah Dalton** (RA Stoneleigh), spoke up for **Chris Frost**, and welcomed him as an Honorary Alderman of Epsom and Ewell, recognizing his positive impact on local politics: "Chris's journey in politics began in his youth, and his dedication led to his election to the Epsom and Ewell Borough Council and later the Surrey County Council. Known for his community spirit, Chris spearheaded initiatives like the Interfaith Forum and the Epsom and Ewell Community Fund."

Ms Dalton commended Chris's wife, Cllr **Liz Frost** (RA Woodcote and Langley), for her unwavering support and thanked his family for their presence. She expressed gratitude to all who supported Chris over the years, including council officers.

Eber Kingston signs the book with Mayor and EEBC CEO Jackie King looking on.

Cllr **Peter O'Donovan** (RA Ewell Court) reflected on **Eber Kingston**'s remarkable career, celebrating his induction as an Honorary Alderman: "Born in Battersea, Eber's journey into local politics began in the 80s when he joined the Woodcote Residents' Association, eventually becoming a respected councillor. Eber's tenure was marked by his commitment to his constituents, often being the first point of contact for residents' concerns. Despite his aversion to planning matters, Eber's dedication to his community was unwavering. His tenure as Mayor in 1999 was memorable, highlighted by his unconventional but effective leadership style. Eber's dedication to community service extends beyond politics, evident in his charity work and love for Chelsea Football Club." Mr O'Donovan praised Eber's integrity, noting his willingness to listen and support fellow councillors.

Finally, Cllr **Jan Mason** (RA Ruxley) spoke emotionally in praise of the late Mr **Clive Smitheram** who was awarded the Honour of Alderman of the Borough of Epsom and Ewell posthumously. Clive was a central figure in West Ewell having lived there for over 30 years with his wife Gill and family and although a proud Cornishman, Clive was someone who knew everyone locally and if he didn't know someone, he knew someone who did! Clive was a former police officer, having served 31 years in the service and was a retired community safety officer. As an active resident, it led to Clive being elected as a Resident Association Councillor for West Ewell serving for over 20 years, Clive was a former Mayor of Epsom and Ewell in 2010- 2011.

Mrs Smitheram receives the honour on behalf of the late Clive Smitheram.

New Bus Route for S2 through the Borough

15 March 2024

The transport landscape in East Ewell has seen a significant improvement with the inauguration of Bus Route S2. Commencing operations on 2nd March 2024, the S2 service now runs seven days a week, including Sundays, providing a crucial link between Epsom and St Helier Station. The new route serves several key areas, including Ewell East, Cheam, and Sutton, enhancing connectivity for residents in these regions.

The introduction of Route S2 marks a strategic change in the local bus network, as it replaces the 470 service from Colliers Wood to Epsom, which now terminates at Sutton. This adjustment was made following consultation by Transport for London (TFL) on bus routes in the Sutton and Croydon areas.

Route S2 operates via a series of primary locations, including St Helier Station, Sutton Station, Cheam Station, Ewell High Street, and Epsom Clock Tower, offering a convenient and efficient mode of transport for commuters in the region. The route is operated by London General from their Sutton (A) garage, utilizing brand new Enviro200 MMC EV bodied BYD D8URs, with temporary use of an existing vehicle of the same type.

The introduction of Route S2 represents a positive step towards improving public transport accessibility and connectivity in East Ewell, benefitting residents and commuters alike.

Local Government monopoly board at play?

15 March 2024

Surrey County Council has added another building to its property portfolio after buying the Victoria Gate site from Woking Borough Council in a deal that will net the bankrupt authority more than £30 million.

The county has said it will not disclose how much it paid for the former McLaren site in Victoria Way, Woking, but the Epsom and Ewell Times understands the overall package will bring in about £32,250,000 – although the split between McLaren’s early surrender of the premises and how much the county paid remains unclear.

It comes two months after Surrey County Council said it expected to add a further billion pounds of debt to its books as part of its capital programme, from £1.3 billion to £2.4bn by 2028/29.

Announcing the deal, the Surrey County Council said the purchase “underpins” its commitment to “efficiency, sustainability, and improved services” with the new site serving as its corporate office hub in north-west Surrey.

It now plans to put its old Quadrant Court site in Guildford Road up for sale in an effort to recoup some of its costs.

The deal is being seen as good news for Woking Borough Council as it nets more than £30m from the site, hopes to bring more people into the heart of the town centre, and potentially allow it to sell off its civic centre as it tries to pay back part of its own multibillion pound debt.

The county council expects staff to relocate to its latest acquisition later this year.

Councillor Natalie Bramhall, cabinet member for property, waste and infrastructure said, “This strategic move reaffirms Surrey County Council’s commitment to creating a conducive work environment while aligning with our broader objectives of sustainability and improved service delivery.”

Surrey said the decision is part of its overall vision to “provide services from a contemporary, agile environment that caters to the needs of both residents and employees” and that the Woking town centre location was optimal for both staff and residents due to its excellent access to public transport and car parking facilities.

Surrey County Council moved its headquarters from Kingston to Woodhatch Place in Reigate after acquiring the site for £50m. Other hubs across include Dakota in Brooklands Weybridge, and Fairmount House in Leatherhead.

The Leader of Woking Borough Council, Cllr Ann-Marie Barker, said: “Asset rationalisation is a key part of the Council’s Improvement and Recovery Plan agreed with Government.

“The sale of Victoria Gate delivers best value both in terms of return to the public purse and benefit to the community.”

The knives are out in Woking

Salts rescue a point from the Kiln

15 March 2024

Redhill 1-1 Epsom & Ewell FC. Combined Counties League – Premier Division. Saturday 9th March 2024

An 85th minute equaliser from Zach Ingham-Wright earned us a well-deserved point from a 1-1 draw at Kiln Brow after the hosts had taken the lead early in the second half. Although they put us under pressure after an even first half, I felt we were worth a draw for our display in the final fifteen minutes, during which time we equalised and very nearly pinched all three points!

Following the confirmation that Warren Burton was now permanent Manager, we made just one change from our important 6-2 win over Sandhurst Town as Shay Honey was replaced between the posts by Faebian Witter. Our Captain Nick Wilson completed his two match ban here and so Ethan Nelson-Roberts kept the Captain’s armband for this contest. We knew our opponents fairly well with a pair of our former Assistant Managers, Jordan Clark and Matt Chapman in charge and there were four former Salts in their line up in Adam Grant, Gavin Quintyne, Ben Dyson and Tommy Smith. Redhill were of course looking for a League “double” following their 3-1 win in August at the Madgwick.

We opened up in confident mood against a team who were also in decent form, if you excluded their surprise 2-0 defeat at Camberley Town in midweek. Tijani Eshilokun had a go from around twenty yards with his curling shot missing the far post by a couple of feet, before Carl Oblitey headed an Adam Green corner just over the crossbar inside the opening ten minutes.

Oblitey then set up Luke Miller for a shot, only to find it blocked by Smith, before a long throw was knocked on by Thompson Adeyemi for Oblitey to try his luck with an overhead kick, but it went straight at Isaac Ogunseri in the Redhill goal and he made the easy catch. This would prove to be the only save made by either keeper in the first half, although the home side sent a header wide at full stretch, before a string of injuries to our players led to an extended appearance on the field by Physio Alfie Wyld and an additional five minutes at the end of the period, during which time Redhill headed towards goal, only to see the effort headed away by Reece Tierney from near the goal line just before the half time whistle.

We were obviously familiar with many of their players, but of course, the reverse applied too, and the two teams were cancelling each other out a bit, with our tricky wingers, Miller and Jaevon Dyer being kept very quiet. With Redhill’s lofty League position, I expected them to try and change things up in the second half and they came out with more intent, pushing us back quite a lot. However, we weren’t totally out of it either and in the 50th minute Eshilokun sent the ball across to Dyer, only to see it deflected for a corner. From the Green delivery Oblitey rose highest and was really unfortunate to see his header hit the full face of the bar and rebound directly to the keeper, even though he was by that time standing about eight yards away from his goal. It could have gone anywhere!

This scare clearly woke Redhill up and they forced four successive corners. From the last of these, a deep delivery was met at the far post by the unmarked Smith, who met the dropping ball with a textbook low side footed volley that gave Witter no chance from about eight yards in the 57th minute. One nearly became two just four minutes later as a header was blocked on the line by Green with Quintyne sending the loose ball over the closing defenders, but also over the bar from close range.

The hosts had another chance soon after with Witter forced into a good low save, with the ball parried out wide. It was then sent back in for a header that just missed our far post. We made a couple of substitutions with Matt McGillivray on for Ayran Kugathas and Sirak Negassi on for Dyer and the newly introduced Negassi had a chance to score with his first touch as the ball crept under a defender’s foot, but his shot from twenty yards went beyond the far post.

Ingham-Wright came on for the injured Eshilokun who had taken a bit of a battering in this match and had been on the field for about a minute before he scored our equaliser in the 85th minute. An unnecessary foul out wide gave us a free

kick and Green's delivery was flicked on by Tierney to Adeyemi at the far post, who headed the ball across goal for our substitute to nod in from close range. If I'm honest, a few of us behind the goal all looked across at the Assistant, just in case there was an offside, but he was happy and we were then able to celebrate.

But could we hold on? Late goals had given us trouble all season, so we needed to be careful, but in reality, it became more a matter of whether we would score again as we took the match to a suddenly wobbly Redhill team and started to attack them on the flanks. We should have had a second goal when we cut them apart with a good move involving Oblitey and Ingham-Wright who fed Negassi on the right, but his perfect cross was somehow headed back across the vacant goal by Miller from just two yards out! The ball was retrieved by Oblitey, but he was at a very narrow angle by then and he clipped the post before the home side were able to scramble the ball to safety!

I'm still not too sure how we didn't take the lead at this point, but an away win would have been harsh on Redhill and they were probably frustrated enough with the draw. We saw out a rather inflated seven minutes of injury time with only a couple of nervy moments before we were able to celebrate a point that in all honesty, I didn't expect us to get before the match, but that's football! With both teams below us picking up points, it's a little tighter at the foot of the table than anyone involved with our team would like it to be, but with six matches remaining, survival is still most definitely in our own hands!

Epsom & Ewell: Faebian Witter, Ayran Kugathas, Ethan Nelson-Roberts (c), Adam Green, Reece Tierney, Callum Wilson, Luke Miller, Thompson Adeyemi, Carl Oblitey, Tijani Eshilokun, Jaevon Dyer

Subs: Matt McGillivray for Kugathas (74), Sirak Negassi for Dyer (78), Zach Ingham-Wright for Eshilokun (84), Jerry Antwi for Oblitey (92).

Boats on the canal “your time is up”?

15 March 2024

Basingstoke Canal could stop leisure activities like boat hire and camping because they're not financially viable.

The 32-mile-long Basingstoke Canal was jointly acquired by Hampshire and **Surrey County Councils** in the 1970s to manage risks, protect the canal, and provide public recreation.

It is a site of Special Scientific Interest (SSSI) and due to its hydrological biodiversity and effective management of its ecosystem, it is home to numerous nationally scarce species of flora and fauna.

The Basingstoke Canal Partnership was established to fund the canal operation following restoration in the late 1980s. The partnership includes a number of “riparian” partners like district, borough and town councils that contribute financially to the running of the canal.

In 1990, county councils for Hampshire and Surrey, as landowning authorities, created the Basingstoke Canal Authority. Under the arrangement, Hampshire employs the staff, provides IT and finance support to the authority, and Surrey manages the visitor centre at Mytchett.

However, according to the report, the current arrangement is not financially sustainable. In 2023/24, the cost of the canal required a draw of £192,000 on existing reserves to cover a shortfall in income.

The canal is funded by the landowning authorities and the riparian funding partners; however, some have indicated the reduction or withdrawal of their contributions, like Woking and Rushmoor Borough Council, which confirmed it was pulling all funding in 2023/24.

Due to the withdrawal of some funding, the two landowner authorities commissioned an external company to review management and recommend a sustainable operating model.

From the five alternatives, the chosen one indicated that the Basingstoke Canal Authority will continue to deliver statutory requirements and leisure navigation.

However, under this option, the authority will no longer deliver activities such as boat hire, camping, running the visitor centre, and events.

The proposal will be debated at the universal select committee (March 11), and the executive member for countryside and regulatory services, Cllr Russell Oppenheimer, will take a decision later that day.

Surrey “relay” car thieves sent down

15 March 2024

Four members of an organised crime group (OCG) responsible for the theft of 53 high value vehicles in **Surrey** and the South-East have been sentenced to a total of 12.5 years behind bars at **Guildford Crown Court** on Friday 8th March.

All four men pleaded guilty to conspiracy to steal and conspiracy to acquire criminal property and were sentenced to;

- Perry Lovejoy, 29, born 01/11/1994, of Reigate Road in Horley, was sentenced to 3 years in prison
- Luke Jackson, 28, born 25/07/1995, of Shoreham Close in Croydon, was sentenced to 3.5 years in prison
- Billy Harrison, 30, born 29/10/1993, of Tollers Lane in Coulsdon, was sentenced to 3 years behind bars
- Harry Sales, 28, born 20/09/1995, of Cornwall Road in Croydon, was sentenced to 3 years in prison

The conviction of the four men was the result of a thorough and complex investigation by the Serious and Organised Crime Unit into the thefts of the 53 vehicles, with a combined value of over £3.7 million pounds.

Jackson also had additional offences taken into consideration when sentenced after admitting his guilt in stealing a further 42 cars, with a combined value of 2.1 million pounds.

The thefts took place over 12 months and across Surrey and the South-East of England. Officers arrested the suspects on the 26 April 2023, after successfully building a clear picture of their illegal activities through intelligence, forensics, ANPR, call data, witness testimony and CCTV enquiries.

During the investigation, officers discovered how the gang used the ‘**relay attack**’ technique to target keyless vehicles including Rolls Royce, Bentley, Land Rover, Range Rover and Alfa Romeo. This method involves using a master device to copy the signal of the vehicle key and transmit it to a second smaller device, which replicates the key and unlocks the car.

Tellingly a manual for a relay device was also found saved on a mobile phone seized from Lovejoy’s possession.

Jackson was also sentenced for two offences of burglary committed whilst stealing two of the cars after pleading guilty. He received 18 months in prison to be served concurrently.

Lovejoy was also sentenced to being concerned in the supply of class b drugs (cannabis) after pleading guilty to this offence when officers found messages on his phone showing supply activity. He received 9 months in prison to be served consecutively.

Investigating Officer DC **Matt Earl**, said; “This was a large-scale investigation that was made possible by the hard-work and dedication of the Serious and Organised Crime Unit, as well as the support and collaboration of other neighbouring police forces.

In Court lawyers for the four said they were the “foot soldiers” in the operation and the maximum sentence for theft being 7 years, the sentences for the defendants should be less than the masterminds “at the top of the chain”, should they ever face justice.

His Honour Judge **Banarjee** said the conspiracy was sophisticated and involved extensive planning. He took into account the guilty pleas of the defendants and the conditions they had endured in HMP Wandsworth since their arrests in April 2023.

Chinn up for women

15 March 2024

On International Women's Day (Friday 8th March) and Epsom and Ewell's association with the struggle for equal rights for women through the actions and death of Emily Davison, local Labour Councillor **Kate Chinn** (Court Ward) shares her thoughts on the special day:

Today is **International Women's Day** and this year's theme is to inspire inclusion.

It means breaking down barriers, challenging stereotypes, and creating environments where all women are valued and respected. I've heard repeated the old idea that women don't really understand figures. Tell that to the three women at NASA who did the maths that were instrumental in one of history's greatest operations - the launch of astronaut John Glenn into orbit celebrated in the book and film **Hidden Figures**. A great read and watch

World renowned feminist, journalist Gloria Steinem reported:- "the story of women's struggle for equality belongs to no single feminist nor to any one organisation but to the collective efforts of all who care about human rights"

We can all do what we can to support and advance women.

As the IWD website states:- "When women aren't present, we must ask: "if not why not." When women are discriminated against, we must call out poor practice. When the treatment of women is not equitable we must take action"

Local politics is a way that women can get involved with their local communities and work with the community, other councillors and partner agencies to make a difference in their local community.

I became active as I believe local politics matter. People need a decent home, to feel safe in their communities, access to the services they need and the opportunity to enjoy the good things in life. We need "bread and roses too", a phrase attributed to a strike in Massachusetts in 1912 now often referred to as the "Bread and Roses strike". The slogan pairing bread and roses, appealing for both fair wages and dignified conditions. Now a poem by **James Oppenheim**.

It's only good governance that can enable both and why local and national politics are so important to all of us.

If anyone is interested in getting involved in politics then please do get involved and there is plenty of available help and support. Talk to your local councillors and the local political parties. Both the political parties and Epsom and Ewell Council run sessions on being a councillor; some in person and some on line

I believe it is important to mark International Women's Days. One of the many reasons is to celebrate the inspirational women we have both past and present. **Emily Wilding Davison**, Mary Seacole, Rosa Parks and Malala Yousafzai, to name just a few of so many women who have made the world a better place.

Cllr Kate Chinn

Mixed reaction to Hunt's budget in Surrey

15 March 2024

In a significant development outlined in today's Spring Budget, Surrey MP and Chancellor **Jeremy Hunt** confirmed the **Surrey County Deal** agreement, heralding a new era of devolution for Surrey County Council. This agreement, initially hinted at during last year's Autumn Statement, has been the focus of collaborative efforts between Surrey County Council officials and the Department of Levelling Up, Housing and Communities.

Outlined within this agreement are several key provisions aimed at empowering local governance within Surrey:

- Devolution of the Adult Education Budget and funding for Free Courses for Jobs.

- Integration of Local Enterprise Partnership functions.
- Transfer of new land assembly and compulsory purchase power to the Council.
- Strategic oversight for the delivery of future rounds of UKSPF.

Furthermore, the agreement signifies an intent for further devolution from central government to Surrey, allowing for the deepening of devolution arrangements over time, subject to Government agreement. Notably, this agreement does not mandate any structural reform of local government or unitarisation, preserving the sovereignty of the 12 Councils, including 11 District and Borough Councils alongside the County Council.

“Local government and our local communities are best placed to deliver what Surrey needs. I’m pleased that the government is recognising that, with hopefully further devolved powers to local government in due course,” said **Tim Oliver**, (Conservative) Leader of Surrey County Council, expressing optimism regarding the devolution deal.

“This is a positive step to enable ambitious plans for Surrey’s residents by devolving control to Local government and our local communities, that are best placed to deliver what Surrey needs. Working with our Partners we can maximise opportunities across a wide spectrum of residents’ priorities,” said Surrey County and Epsom and Ewell Borough Councillor **Bernie Muir** (Conservative – Horton)).

Dr. **Jonathan Carr-West**, Chief Executive of the Local Government Information Unit (LGIU), offered insights into the broader context of today’s Budget announcements. “Our latest research found half of councils believe they could face bankruptcy within the next parliament. Council taxpayers are paying ever higher rates for fewer services...The Chancellor recognised market failures in children’s residential care and SEND support but councils will not feel that this is enough to counteract the cost increases they have faced in those areas,” Dr. Carr-West remarked, urging for a productive debate on potential solutions to the funding crisis.

Paul Lavercombe, tax partner at BDO in the South East, provided a business perspective on the Budget, noting the limited measures for businesses but highlighting certain provisions that may benefit taxpayers and stimulate investment, particularly in regional growth businesses. He said ““The Chancellor was under pressure to deliver tax cuts and while this wasn’t forthcoming for businesses with some hoping there would be a reduction to corporation tax signposted, taxpayers will welcome the national insurance cuts announced. Despite being pitched as a Budget for long-term growth, there was very little for business. The only obvious winner being the creative industries.”
