Redrawing Surrey’s political map – literally

15 May 2024

Major boundary changes could see some Surrey residents change wards for the next local elections in a redrawing of the political map of the county.

Council wards in Surrey are to increase by over 1,000 residents per councillor by 2029 in new county boundaries which have been drawn up.

Around 70% of ward boundaries will change as the Local Government Boundary Commission estimates an increase of nearly 90,000 people who are reigstered to vote.

The commission says the new layout – which would retain the 81 elected councillors we have today – would help the council to carry out its functions more effectively as it would even out the populations within each division.

The commission is the independent body which draws these boundaries based on community ties, similar electorate numbers and which facilities (e.g parks, leisure centres) it makes sense for people to share.

Varying levels of public consultation on draft proposals took place between February 2023 and March 2024.

Professor Colin Mellors, Chair of the Commission, said: “We are very grateful to people in Surrey. We looked at all the views they gave us. They helped us improve our earlier proposals. We believe the new arrangements will deliver electoral fairness while maintaining local ties.”

Recommendations from the Commission cannot affect the Surrey county’s external boundaries, or result in changes to postcodes. It does not have an effect on local taxes, house prices, or car and house insurance premiums. However, it may affect which ward someone is in.

The Commission is required by law to consider not the number of households, but the number of electors within each division. For instance, residents suggested East and West Molesey should be combined in a single council ward division. However, such a division covering the two borough wards of Molesey West and Molesey East would have 36% more electors than average. it was therefore not accepted because it would have a disproportionate number of eligible voters compared to other wards.

County councils elect its members once every four years. Surrey’s next election is taking place in 2025. Currently, the Conservatives are the largest group with 49 councillors out of a total 81 seats. There are also 16 Liberal Democrats, two Green Party, two Labour (and Co-operative) councillors, four Independents, and 13 from different resident associations and groups.

Changes to ward boundaries will be made so each councillor represents roughly the same number of electors. Recommendations are based on how many electors (ie people registered to vote) there are “likely” to be in five years after the publication of the Committee’s proposal.

Approximately 876,454 eligible voters lived in the county in 2022, averaging at 10,820 electors per councillor. The Commission estimates this number will increase by nearly 90,000 by 2029: Around 964,825 Surrey electors will be divided up to roughly 11,911 residents for each councillor. Just 24 ward boundaries out of 81 will stay the same.

Over 900 comments were made by people and organisations to help decide the new divisions. Changes in response to what local people said include altering the divisions in rural areas of Guildford, in response to fresh evidence on the ‘community identity’.

For example, the village and civil parish of Ash was seen as more urban than rural, consequently moving out of the Worplesdon division and into Shalford. Additionally, Jacobs Well village was reviewed as having stronger community identity and rural connections with Worplesdon parish rather than neighbouring areas of Guildford.”

The Commission opted against having two councillors representing one ward in the Elmbridge borough as SCC argued that larger divisions had the potential to “dilute democratic accountability”. The Molesey Residents’ Association said locals would find a two-member division confusing and that councillors might have difficulty representing a division on this scale.”

The changes become law once Parliament has approved them. Staff at the council will ensure that the arrangements are in place for the 2025 elections.

Up to 2003 MPs happy no Conservatives on Epsom and Ewell Council

15 May 2024

Dear Editor,

I note with interest the letter from Mr Kington *"Epsom and Ewell was the first Conservative free Council"* outlining the dire electoral fortunes of the Conservative Party in Epsom & Ewell. But he doesn't tell the full story.

With the odd exception, despite sporadic efforts by eccentric Tory candidates, it is true that it is only since 2003 that the Tories have made a concerted effort to gain seats on the council. The truth is that successive Tory MPs for the area seemed quite happy with the composition of the council due to the fact that, on the whole, the ruling group was made up of small 'C' conservatives and in some cases, card carrying Conservative and UKIP members.

It was during the Labour government, with local government being property funded, that they embarked on a spending spree with taxpayers money. But they gleefully reverted to type when the austerity obsessed Tory/Lib Dem coalition government came to power in 2010 that budgets were slashed following Tory edicts.

Yours faithfully,

Vince Romagnuolo

County Councillor Community funding

15 May 2024

Surrey residents can now apply for cash grants to improve their local area through the Your Councillor Community Fund. Last year the Fund supported over 380 community projects via Surrey County Councillors, totalling £404,330.

This community fund is flexibly designed to help with costs that can range from purchasing sports equipment for local clubs, to the creation of websites, providing financial support to community groups and projects that improve the quality of life in for residents in Surrey.

Each year, Surrey County Council's 81 councillors each allocate £5,000 of funding within their local communities. With their deep understanding of the needs and priorities of their communities they can ensure that the funding is targeted to areas where it is most needed and where it can make the biggest impact. It can be used across a variety of projects that help promote the social, economic and environmental wellbeing of their communities.

Surrey County Council Deputy Leader and Cabinet Member for Customer and Communities Denise Turner-Stewart said: *"As a council we are committed to working together with communities to improve the lives of people living or working in Surrey. The Your Councillor Community Fund is a great example of how even a small amount of funding can make a big difference in the communities we serve. These initiatives can help to deliver such things as sports for fitness, places to come together, providing facilities that help improve health and wellbeing and in other cases an improved pride in their local areas*.

"It embodies our commitment to empowering local residents to have a say and make a real difference in their own communities. By supporting initiatives driven by the passion and dedication of our residents, we aim to create vibrant, inclusive communities where everyone thrives".

The Your Councillor Community Fund is open now and closes in January 2025.

Examples of projects funded last year include:

£1,493 to help make Spelthorne cleaner and greener by providing group litter picking equipment which can be loaned out to encourage individuals, groups and schools to adopt an area for regular picking and to take a pride in their local environment.

£2,000 towards equipment for the 2023 Shepperton Village Fair, including banners, sail flags, display board and cashless payment devices.

£700 towards replacing a 25-year-old table tennis table used by Leatherhead U3A Table Tennis Group, helping to keep members physically and socially active.

£1,000 towards new uniforms for Godalming Youth Band. The new polo shirts and hoodies are more suitable for events all year round and will be loaned out, much like the instruments, to help keep music-making as accessible as possible.

As well as Your Councillor Community Funding, there is also funding available via Your Fund Surrey for small and large community projects. Visit **www.surreycc.gov.uk/yourfund** to find out more.

Green view of Mole Valley elections

15 May 2024

Dear Editor,

In Mole Valley national issues probably mostly impacted the main parties who lost support. However these local election results will be of little significance in the forthcoming General Election in Epsom and Ewell constituency for several reasons.

Firstly only a small area of Mole Valley falls within the parliamentary constituency of Epsom and Ewell, namely Ashtead and Leatherhead. While these two areas will be very important to our campaign in the General Election there did appear to be some tactical or protest voting in the local elections in
Mole Valley as there was no great change in turnout. In Leatherhead Liberal Democrats were elected with a similar vote compared with 2023 despite their record of supporting development in the Green Belt.

The Green Party targeted resources in the Dorking area of Mole Valley in order to maintain a previous strong showing there. Secondly, as local elections did not take place for the Epsom Borough Council
area the bulk of voters in the Epsom and Ewell constituency were not able to express their choices at the ballot box.

Nevertheless the threat to the Green Belt will be one of the key issues in the General Election in Epsom and Ewell as a whole so voters will have a genuine opportunity to test candidates about this particular matter, which is of great priority

ISSN 2753-2771

for the Green Party, including in Ashtead and Leatherhead where we will be actively campaigning to galvanise our support there.

Finally, whilst votes were quite well dispersed across different parties in the local elections in Mole Valley there will be even more parties standing in the General Election in Epsom and Ewell including the Green Party. The share of the vote will also probably be quite dispersed as a result in the General Election and in this scenario tactical voting will be of limited benefit. In such circumstances voters will be well advised to vote for policies they believe in, as a surprise result is quite likely.

Epsom and Ewell was the first Conservative free Council

15 May 2024

Dear Editor,

I refer to your article on the May local elections headed "***First Surrey Borough with no Conservative Councillors***" and which includes the comment that "***The result makes it [Woking] the first council in Surrey not to have a single Conservative councillor.***" However, that is certainly not the case.

From 1937, when the Borough of Epsom and Ewell was created, and until 2003 (66 years), the Conservative Party was only represented on the Borough Council twice (and by a very small number of councillors). Since 2003 the Conservative Party has maintained a constant presence, but never larger than four in number and it is currently languishing at two.

Whilst I don't wish to diminish the historical importance of the Conservative Party's demise in Woking, they have had to face regular failures at the ballot box in Epsom and Ewell ever since George VI became King.

Yours faithfully,

Eber Kington

Residents Association County Councillor Ewell Court, Auriol and Cuddington

[Mr Kington is an Honorary Alderman of the Borough of Epsom and Ewell and served as Borough Councillor for many years.]

Spelthorne in financial trouble

15 May 2024

Inspectors have been sent to Spelthorne Borough Council as concern grows over its ability to deal with its extreme debt and borrowing. The Department for Levelling Up, Housing and Communities (DLUHC) has been working with the borough since May 2022 and now the Secretary of State has weighed in over the "authority's extremely high levels of debt and borrowing".

A letter to Spelthorne Borough Council's chief executive, confirming the department's decision to appoint Lesley Seary to carry out a formal inspection of the council over its capital risk was published on Wednesday, May 8.

ISSN 2753-2771

It read: “As of March 31 2023, Spelthorne’s debt was £1.096 billion, which was 87.1 times the council’s core spending power and 52.4 times its total service expenditure.”

The average borough council has a debt to spending ratio of 5.65.

A July review of the borough’s finances also found the council needed “expert independent support” to assist with its “immediate and ongoing financial challenges” and required help to mitigate its risk as well as improve its governance and decision-making culture.

It comes just four months after another Surrey authority, Runnymede Borough Council was served a notice over its finances, and a year after Woking Borough Council declared itself bankrupt.

Concerns over the council’s finances date back to a 2017/18 report from accountants KPMG – published in November 2022. It highlighted concerns over the council’s investments and set out the auditor’s view that Spelthorne Borough Council had acted unlawfully in borrowing and then purchasing three properties.

The Secretary of State has given certain directions to Lesley Seary’s inspection. First, she will examine concerns over the council’s governance and scrutiny, with particular attention to its financial arrangements and decision making. She is also looking into the council’s ability to carry out its new housing strategy, as well as the impact its investment portfolio has had on service delivery.

The inspector, who will have right-of-access to all council premises and documents, will then report her findings to the Secretary of State by August 30. The council has also been told it cannot destroy any documentation or records.

The letter was sent as part of a best value directive from DLUHC. As part of the process the council must publish its response, together with the letters on its website.

The statement from Spelthorne Borough Council read: “Over a year ago, the Department for Levelling Up, Housing & Communities (DLUHC) asked the professional body for public sector finance, the Chartered Institute of Public Finance and Accountancy (CIPFA), to review Spelthorne Borough Council’s investment portfolio and borrowing position.

“The authority has now received a letter from the department advising that they have appointed an independent inspector to undertake a review of Spelthorne Borough Council to seek assurance that the Council complying with its Best Value Duty.

“The Secretary of State decided to commission this inspection to provide him with direct, independent assurance that the council has ‘arrangements to secure continuous improvement in the way in which its functions are exercised, with regard to economy, efficiency and effectiveness.’

“The government letter outlines concerns around debt relative to size of the Council’s budget and governance whilst acknowledging that Spelthorne Borough Council has engaged constructively with the Department since 2022 and already taken action to mitigate risk.

“DLUHC has appointed Lesley Seary as Lead Inspector, who is independent of government, and has asked her to report her findings to the Secretary of State by 30 August 2024.”

Leader of Spelthorne Borough Council, Councillor Joanne Sexton welcomed the review and would work with the inspector and her team.

She said: “This administration has taken many decisive and positive steps since the May 2023 election including instigating a full external independent review of our commercial property portfolio. Additionally, we have reduced future borrowing requirements by nearly £200m and are pursuing alternative ways to deliver more affordable housing. We will continue to work with DLUHC in an open and transparent way and look forward to receiving the findings of the report.”

“The rental income received from our commercial property portfolio more than covers the financing costs and provides a significant contribution to support council services, additionally there is a reserve to cover possible income variation in future years.”

Two horse race coming to Epsom?

15 May 2024

The Liberal Democrats continue to tighten their grip on Epsom & Ewell’s southern flank in Mole Valley, as the Party

ISSN 2753-2771

cements its position in Leatherhead. With two out of three seats in Leatherhead South now in the hands of the Lib Dems, the Conservatives are now down to just two seats in the whole of the Mole Valley district.

According to the Lib Dem PPC the general election stage in the wider Epsom & Ewell constituency is now set for a two horse race between the Liberal Democrat's **Helen Maguire** and the Conservative **Mhairi Fraser**.

Commenting on the recent Mole Valley Council elections results Helen Maguire said, "Each month we are knocking on 1000s of doors and hearing from residents who are understandably upset with the way this government is running this country. They are looking for a change. With the boundary changes, Labour declaring the seat a non-battleground seat and the Liberal Democrats now having more councillors than the Conservatives across the country, we know there is a good chance of change here in Epsom, Ewell, Ashtead & Leatherhead."

Mhairi Fraser, the Conservative Prospective Parliamentary Candidate responded: "Although the results were not what we had hoped or worked hard for, I am incredibly proud of the integrity our local Conservative candidates showed. We ran an honest campaign focusing on what the Conservatives will continue to fight for on behalf of local residents, without resorting to attacking our individual opponents on the doorsteps or in our literature. I wish the new and re-elected councillors well in the term ahead, but the Conservatives will continue to be the loudest voice against the Liberal Democrats' plans to forever destroy our Green Belt, and to plaster tower blocks over the green spaces in our towns."

Mark Todd, Chair of the Epsom and Ewell Labour Party said: ""As a rule of thumb, Epsom town centre and the north of Epsom and Ewell are strong for Labour, as you move South the areas become more Conservative. We were very heartened therefore by the results in Leatherhead at the local elections. It was the first year Leatherhead has been part of the Epsom and Ewell Constituency and we fielded fantastic local candidates who live and work in the area. We got really good feedback on the doorstep and the Labour vote across Leatherhead increased by 73%. A similar swing will see us win the Epsom and Ewell constituency in the upcoming General Election."

The Labour Party is yet to select a Prospective Parliamentary Candidate for the constituency. Epsom and Ewell Times has been informed that National Labour Party managers are conducting due diligence on all prospective MPs. Once they have completed this, they will give the Epsom and Ewell Labour Party a shortlist for local member's consideration.

Local Council elections in Mole Valley in Leatherhead, which will be within the recently changed boundaries of the Parliamentary Constutuency of Epsom and Ewell, produced two Liberal Democrat victories on 2nd May. In Leatherhead North **Benjamin Wear** secured 671 votes with the Conservative candidate **Alan Gibbs** trailing with 327 votes. In Leatherhead South **Gareth Parsons** gained 970 votes against Conservative **Tim Hall** getting 714 votes.

Wards in Ashtead also went to the polls and returned independent candidates with healthy majorities.

2019 General Election result:

Party	Candidate	Votes	%
Conservative	**Chris Grayling**	**31,819**	**53.5**
Liberal Democrats	Stephen Gee	13,946	23.5
Labour	Ed Mayne	10,226	17.2
Green	Janice Baker	2,047	3.4
Independent	Clive Woodbridge	1,413	2.4
Majority		17,873	30.0
Turnout		59,451	73.3

The annual Linden Bridge Football Festival kicked off with a vibrant display of teamwork, camaraderie, and sheer determination. Organized by **Linden Bridge School**, Worcester Park, and led by enthusiastic pupils, this event brought together 15 special educational needs (SEN) schools and over 100 pupils for a day of spirited competition.

The festival, held at **Wandgas Sports Ground**, exemplified the inclusive spirit that Linden Bridge School stands for. Students of all abilities participated in various football matches, showcasing their skills and passion for the beautiful game. From footgolf to mini-tournaments, the atmosphere was electric as players cheered each other on.

One of the festival's highlights was the unwavering support from local businesses. **MetroRod**, a leading drainage and plumbing company, stepped up as the main sponsor. Their generous contribution ensured that every participant received a commemorative medal, a symbol of their hard work and dedication. In addition, MetroRod provided trophies for all participating schools, recognizing outstanding performances and sportsmanship.

Coach Dom, from **KEY Sports Academy**, played a pivotal role in making the festival a success. His expertise in organizing sports events and passion for nurturing young talent shone through. Coach Dom lent equipment and offered valuable coaching tips. His commitment to empowering young athletes was evident as he encouraged fair play and teamwork.

"The Linden Bridge Football Festival is more than just a tournament," Coach Dom shared. "It's about fostering a love for sports, building confidence, and creating lasting memories. These students inspire us all with their determination and resilience."

The **Surrey Special Schools Sports Association** (SSSSA) includes the Linden Bridge Football Festival as a key event in its annual calendar. Linden Bridge School takes immense pride in being an active member of the association. This year alone, Linden Bridge pupils have participated in 25 SSSSA-organized events across various sports disciplines.

"Our students thrive when given the opportunity to compete," said Mr. **Borja Vidal**, PE Lead at Linden Bridge School. "The festival allows them to showcase their abilities, make friends, and celebrate their achievements. We're grateful to everyone who made this day possible."

The Linden Bridge Football Festival reminded us that sports transcend barriers, bringing people together in the spirit of unity and joy.

With the success of this year's festival, Linden Bridge School is already planning for next year. The goal remains the same: to create an inclusive platform where every student can shine, regardless of their abilities. As the festival becomes a cherished tradition, it reinforces the belief that sports have the power to transform lives.

Bed pressures rushing doctors

15 May 2024

Pressure to free up hospital beds can "rush" clinicians to make under-informed decisions and discharge plans, a coroner has found.

A man who tragically died from hypothermia and chronic alcoholism in **Epsom General Hospital** prompted a coroner to raise concerns that demands on beds can put patient safety at risk.

A local man was admitted to hospital three times from October 22 to December 5, 2022. Each time, the underlying cause of his condition was not diagnosed and he was soon after found to be medically fit for discharge. He died on December 12

© 2021-2026. No content may be copied without the permission of Epsom and Ewell Times Ltd. Registered office: Upper Chambers, 7 Waterloo Road, Epsom KT19 8AY

ISSN 2753-2771

2022, after being found profoundly hypothermic the previous day.

Coroner **Caroline Topping** found: “Pressure on staff to vacate hospital bed spaces led to inadequate discharge planning and more than minimally contributed to the death.”

It was accepted by the Epsom and St Helier NHS Trust that pressure to vacate hospital bed spaces contributed to the inadequacy of discharge planning. The coroner ruled the need to free up a bed space led to the patient’s rushed release on December 5, 2022 without an adequate care plan being in place.

Nationally, the NHS faces significant pressures to use beds as efficiently as possible. The Trust said it will never willingly compromise a person’s safety by discharging them sooner than it should.

Clinicians and staff discharged the patient without knowing what underlay his deterioration and how his ability to self-care was impacted.

His expressed wish to go home alone was “erroneously” relied on to justify an “unsafe” discharge on the basis he had capacity to make a decision, according to the coroner’s prevention of future death report.

An inquest on March 12 2024, heard how the man was suffering from alcohol related brain damage, impacting his mobility and fluctuating confusion. Malnourished, as a result of his chronic alcohol use, his health had declined and he lost a significant amount of weight over the summer.

Continuing to “abuse alcohol”, he was self neglecting and his ability to live alone was reduced. He developed hypothermia in an inadequately heated flat and had not been eating properly.

Contrary to NHS policy, the man was not identified as a vulnerable patient. Any adult unable to take care of themselves (e.g. alcohol as a risk factor) is defined as a vulnerable adult.

The coroner found there was a lack of information sharing and investigation in relation to the discharge planning for the patient.

Reportedly unaware of the discharge planning policy, staff made decisions in a vacuum. There was no understanding of the mans’s recent history of frequent admissions, his diagnosis or sufficient investigation of his home circumstances.

The man’s family was not involved in the discharge planning. Concerns were raised by the family on a number of occasions about his ability to look after himself. No heed was paid to these worries and the man was discharged on December 5 to live at his own flat without an adequate care plan in place. He died a week later.

The coroner’s report states the Trust has already put in place a number of improvements around effective information sharing and recognition of safeguarding issues, including self-neglect.

However, she “remained concerned” that the hospital’s discharge policy remains under review, including how families are involved, meaning it has not been possible to access how effective it is.

The coroner wrote to St George’s Epsom and St Helier Hospital Group and NHS England to raise her concerns, which also included pressure to vacate beds leading to rushed under informed decision making and ability to prepare ‘properly considered’ discharge plans, urging them to take action to reduce the risk of future deaths.

A Trust spokesperson said: “We are deeply sorry that we didn’t give [the man] the care that he and his family were entitled to expect, and our heartfelt apology and condolences go out to [his] family.

“We took immediate steps to review our discharge process, adding in additional checks, greater contact with families of vulnerable patients and we have also improved safeguarding training for our staff.”

Epsom and St Helier Hospital added they will respond fully to the coroner’s concerns within the set timeframe, by June 12, 2024.

Rated as ‘good’ in an inspection in 2019, the Care Quality Commission (CQC) said it has received the coroner’s report on the hospital. The CQC said, as always, it will utilise the information during its forthcoming engagement meetings with the Trust.

Making a racket for new padel centre

15 May 2024

Leatherhead could soon host international competition after Surrey’s first indoor padel centre was approved. Padel is is a racket sport of Mexican origin, typically played in doubles, and is like a mix between Tennis and Squash.

The Lawn Tennis Association (LTA) has said it is committed to investing in the growth of padel and wants to build more courts that can be used throughout the year.

ISSN 2753-2771

The new facilities, granted planning permission next to Leatherhead Leisure Centre by Mole Valley District Council, are considered critical to sustaining this growth, the LTA said, and would enable more adults and juniors to enjoy, compete and experience the game.

Six new courts will be will be split by cafe area and viewing platform under a large doom next to Leatherhead Leisure Centre. Councillors agreed the benefits sports and recreation would bring to the borough outweighed the harm the 11 metres-tall dome would have on the green belt.

The LTA has also said the courts would be used at both national and international levels. The dome would be shielded to help it blend in to the surrounding area.

Councillor Roger Adams (Liberal Democrat, Bookham West) said: “I’m all for trees being used as screens and the more we can screen buildings the better and certainly this is a very large building, although it is green, it will be nice just to take the the solid lines away by more planting.”

Cllr Raj Haque (Liberal Democrat, Fetcham) said: “This proposal is one of the best ones in terms of sporting facilities that will be provided.”

Cllr Simon Budd added that he was pleased the dome was going to be green as the white one in Dorking was now discoloured by mould.

The courts include parking for 24 cars and will occupy land used as a boating lake as well as storage for waste containers.

To help spread the game, developers said they would run outreach programs with nearby schools “encourage involvement with the facility” as well as set up a club and hold regular padel lessons.

The land council owned and will be be leased for use as a padel facility and the dome structure will be fully enclosed to prevent significant light spillage.

Little solace for Guildford from fraud report

15 May 2024

Weak governance and poor scrutiny at Guildford Borough Council created a ‘quick fix culture’ that allowed potentially millions of pounds to be defrauded from the public purse while vulnerable housing tenants suffered, a new report has found.

The council has apologised unreservedly and pledged to adopt every recommendation – of which there are more than 70 – after a Society of Local Authority Chief Executives (SOLACE) review found its practices posed a serious risk to residents.

The report, released on Tuesday May 7, covered how the culture at the council created an environment where housing budgets were able to skyrocket and pushed the authority towards bankruptcy.

It covers a general overview of the stages that lead to an arrest, two council staff members being suspended, and five agency workers having their contracts terminated.

In February 2022, the council agreed to invest a total of £24.5m to bring its housing stock up to standard and a three-year contract with a value of £5.4m was agreed for testing and inspection. In less than three years that ballooned to £18.9m spent – a £13.5m overspend.

There was an increase in complaints concerning repairs and enhancements from tenants, the review found. This happened while the Housing Surveyor Team was vacant and had no permanent surveyors.

The report read: “This lack of in-house expertise and capacity meant that the council often didn’t inspect and check work and were reliant upon agency staff. There was also incompleteness of data which compounded matters.” It added: “After making initial enquiries, it came to light that there was concern regarding risk to the council and the following matters were raised:

That work may have been ordered when it wasn’t necessary. *That work may have been ordered, invoiced and paid for when it was not completed at all or *Not to a satisfactory standard. *That duplicate invoices may have been submitted and paid for the same work. *That works may have been ordered and undertaken that were not the responsibility of the council.

This triggered a criminal investigation in August 2023 resulting in the suspension of two employees and five agency workers having their contracts terminated.

ISSN 2753-2771

Whistleblowers first raised the alarm in September 2022 but it was not until 2023 that serious action into how housing budgets of about £5.4m a year had ballooned to more than £17m.

The initial investigation was conducted by Reigate and Banstead Borough Council's anti-fraud unit before being handed over to the South East Regional Organised Crime Unit of the Police.

The council then ordered a series of reviews, with the results published late on Tuesday, May 7 – although the allegations of potential fraud were outside the review's scope.

Despite that shortcoming, the review did find there was serious failure to follow due process in the procurement and management of housing maintenance contacts.

The council has now published an in-depth improvement plan, with more than 70 recommendations, to address every finding from the two reports, and, it says, to ensure it provides services that residents and businesses can be proud of.

Leader of the Council, Councillor **Julia McShane**, said: 'The people of Guildford deserve better from their council and for that we give a heartfelt apology and a commitment to put right the long-standing issues which we have uncovered. We have invited scrutiny and embrace accountability and will not rest until we have a resilient, well managed council of which we can all be proud.'

Deputy leader, Cllr **Tom Hunt**, said: 'We apologise unreservedly to the residents and taxpayers of Guildford. The SOLACE reports identify serious issues around the council's governance, operations, and controls. This is unacceptable. We are utterly determined to root out every problem and to put matters right. The people of Guildford deserve nothing less.'

Pedro Wrobel, chief executive of Guildford and Waverley Borough Councils, said: "'I recognise everything that the SOLACE reports identify, and accept all the findings in full. This is not okay, and I came here to deal with it. Over the past two and half months, we have been developing a comprehensive Improvement Plan to address the issues at Guildford Borough Council. It addresses every recommendation from these reports and goes further.

"I am delighted with the appointment of the Independent Assurance Panel. It is critical that we make everything open and transparent. We are here to do the right thing, not the easy thing. I am determined to ensure the council is sustainable, delivers excellent value for money, and provides services that our residents and businesses can be proud of.

"We will not do this alone. I look forward to working with partners and our communities and businesses to make Guildford a brilliant place to live, work and do business."

A police investigation and an employment investigation carried out by an external law firm are continuing, the council said.

The Local Democracy Reporting Service has read through the documents with this being the first of several stories to be written about the findings.

Further stories will look in greater detail at the steps the council is taking, the impact of the merger with Waverley Borough Council and the views of the community and residents.

County lines of trees

15 May 2024

Surrey County Council has worked with residents and community groups to plant over 36,000 new trees across the county. The council remains on track to plant 1.2 million trees by 2030, marking one for every resident.

Since the launch of the initiative in 2019, over 510,744 trees have now been planted across the county. This year, 1952 metres of new hedgerows have been planted during this year's tree planting season, offering habitats for wildlife.

A range of community projects have also been undertaken to support our ambitions to improve air quality and biodiversity. These include:

- A group of 180 community members came together to plant over 7300 hedgerow trees at Bocketts Farm to support birds, mammals and other wildlife.
- 42 trees were donated to Bronzefield Women's Prison in Ashford and the tree Planting and Establishment team

delivered a workshop to those women who were undertaking horticultural qualifications.

- 2625 native broadleaf trees were planted in The Priory C of E School in Dorking using an experimental planting technique, Miyawaki/Tiny Forest. This technique of dense tree planting restores naturally occurring native species and speeds up natural ecological succession.

The new webpages have also been developed to include an interactive tree map, tree planting advice and tips for how residents can get involved. More details are available **here**.

Marisa Heath, Surrey County Council Cabinet Member for the Environment, said, ***"****I'm delighted that we are progressing our ambition to plant 1.2 million new trees in Surrey as we work to both meet net zero targets but also make our county as green and beautiful as possible.*

"This is not something we can deliver alone and we will continue to work with our partners and communities to achieve this target. I encourage residents to visit our new ***webpages*** *to find out how they can get involved."*

Old Glynonians silver chance in a decade

15 May 2024

Epsom & Ewell-based Old Glynonians RFC will take a team bus to Bristol this Sunday 12th May to contest the Papa Johns Community Cup Counties 3 South Shield Final.

The side, formed in 2007 by former Glyn School students and still made-up of a number of alumni, will face fellow Surrey side Cranleigh, having dismissed Streatham-Croydon RFC and King's College Hospital in the quarter-final and semi-final respectively.

This will be the 'Ogs' first final since 2012, where they saw off Merton to win the Surrey Bowl, a competition they also won in 2008 and 2009.

James McFarlane, Chairman of Old Glynonians RFC**,** said: "Less than two years ago we were finding our feet again after a COVID-interrupted year or two of on-and-off rugby, so to be heading to a cup final with arguably our strongest ever squad is testament to all the hard work put by so many people at the club.

We'd like to thank The Rising Sun in Epsom, our home pub and clubhouse, for their hospitality this season, our brilliant sponsors, Radford & Sons Butchers in Stoneleigh, without them we wouldn't have any new kit or quality food for out BBQ social events, as well as the brilliant City Skills. Thanks also to Glyn School for continuing to let us use the facilities. Fingers crossed the boys can get the job done on Sunday"

Tim Laughton-Scott, Captain of Old Glynonians RFC, said**:** "Things have really started to click this year. We had a mixed bag of results earlier in the winter, but as the players have gelled, confidence levels have grown and I've got a lot of faith in the team going down to Bristol on Sunday. Funnily enough, we've only recently come off our end-of-season tour to Amsterdam, but we all came home in one piece and everyone should be in good shape for the game."

James Kennedy-Myers, Head Coach of Old Glynonians RFC, said: "The boys have already achieved great things this season, including a club-record 10 league wins, and things really have gone from strength-to-strength over the last few months.

"If we turn up with the same energy and commitment we've shown in the previous two rounds of this competition, then there's every chance we can lift the cup."

The match will take place at Shaftesbury Park, the home of Bristol Bears Women and will kick off at 11am.

Surrey County Council staff strike poll

Staff at **Surrey County Council** are voting on whether to go on strike after receiving a revised pay offer which union bosses say is not good enough.

Union chiefs representing workers, including teachers and firefighters, have described the ballot as one of the most important in the branch's history and that it was time to make a stand against low pay.

The ballot papers were sent out to staff on May 7 and run until June 4 – when staff will decide whether to accept the council's revised offer or support the walk out.

Surrey County Council leader, Councillor **Tim Oliver** (Conservative) said it was important the authority "lived within its means" and that the offer was final. He said the council remained committed to getting the matter resolved so staff could receive pay increases as soon as possible.

Surrey Pay comprises pay bands PS1/2 to PS14 and pay bands for senior managers PS15 to Chief Executive. The council's original offer of between £1,124 to £1,682 for grades PS3-PS9, was overwhelmingly rejected. Unions had been asking for a £3,500 increase across the board.

In March, workers warned the local authority of a potential walkout after a "record number" of people backed strike action – unless there was a significantly improved pay offer. The council came back and is now offering a £1,800 increase to all staff on PS6 and below, unions have said. Those on between PS7 and PS10 are still on the old deals. Sick pay will return to six months full pay and six months half pay, double its current levels.

Lead negotiator **Paul Couchman** has said this shows the council can be moved. He said: "This is going to be one of the most important votes in our UNISON branch history. The council has already shown that we can move them. We believe we can get a better, fairer, offer if we get a result in this ballot.

"Last year we were just 40 votes short of reaching the legal minimum of 50 per cent of members voting. This is the year we make a stand."

Earlier this year a consultative online ballot was held with 53 per cent of members responding, 87 per cent of whom voted to reject the offer and 91 per cent saying they would support strike action if there wasn't a significantly improved offer.

The Strike Committee felt the council has not moved far enough and has moved to a full postal legal strike ballot. The two general trade unions representing employees said members were being left behind – both national pay awards as well as most other local councils.

According to the unions about a thirds of Surrey staff are paid below a 'minimum standard of income', based on research provided by the Joseph Rowntree Foundation.

The revised offer would see the lowest hourly rate of pay would be £12.04, higher than both the Real Living Wage and Statutory National Living Wage.

Unison is asking its members to reject the offer.

It comes as, last February, there was a "catastrophic" Surrey payroll glitch that left workers unable to pay mortgages or afford food for their children "We really do deserve better," a statement from Unison read.

Tim Oliver, Leader of Surrey County Council: "We have made a revised improved final offer and remain committed to getting the matter resolved so that our staff can receive their pay increase as soon as possible. However it's imperative that the offer is within our means.

"The council is not immune to the challenges of the current economic landscape, rising costs and inflation pressures, and we must ensure we remain in a position to deliver vital public services and protect our most vulnerable in our communities throughout."

Comedian **Jimmy Tarbuck** popped into Epsom General Hospital recently – and made a serious bit of business great fun.

He was in the Urology Department to present a “new toy”, a £10,975 TULA Laser Machine on behalf of Epsom Medical Equipment Fund (EMEF).

Surgeons love new toys and this one saves lives. The comic heard from Consultant, **Deji Akiboye** how this new treatment for bladder cancer helps treat cancers without the need for sedation or anaesthetic. Patients come in and have their condition treated, pain free and walk out of hospital in less than one hour. The tiny laser goes through a flexible telescope inserted into the bladder.

The consultant added: “We use this laser to fry abnormal areas in the bladder which are cancerous. Traditionally this involved a full anaesthetic and a stay in hospital, sometimes with a catheter.

“With this treatment, it means we can do away with all those things and treat people far more quickly, painlessly and let them get back to normal living faster. It is fast, efficient and effective – plus it’s also great fun to use for us surgeons who love new toys.”

Charlotte Druce, General Manager, Surgery & Endoscopy Surgery Directorate, Epsom and St. Helier University Hospitals NHS Trust thanked EMEF organiser, **Bess Harding** for helping to make this particular dream come true.

Bess added: “With the support of the local community, we raised the money for the TULA which is an important part of the treatment”.

Community fund open for bids

15 May 2024

Epsom & Ewell Borough Council is inviting community groups and organisations to bid for neighbourhood funds raised by the Community Infrastructure Levy (CIL), to deliver projects that will support new development and benefit Epsom & Ewell residents across the borough. Bidding opens on 7 May for six weeks, closing on 18 June.

The CIL raises funds from developers in recognition that new development creates pressure on local infrastructure. It is spent on the provision, improvement, replacement, operation, or maintenance of local infrastructure. Epsom & Ewell Borough Council has invested more than £210,000 from the 2022/23 Neighbourhood CIL Fund in community infrastructure projects including:

- Replacing playground equipment in Rosebery Park and Alexandra Recreation Ground
- Repairing pathways in Nonsuch Park to ensure they are safe and accessible
- Upcoming works to support biodiversity and improve visitor experience, including an additional new bench, at Stamford Green Pond.

Councillor **Steven McCormick**, (RA Woodcote and Langley) Chair of the Licensing and Planning Policy Committee, said “I strongly urge local community groups and organisations to take this opportunity to bid for funds for community projects and initiatives that can improve quality of life for residents in Epsom & Ewell.

The Neighbourhood Community Infrastructure Levy Fund offers us the chance to deliver projects that have a real impact on our communities, for example enhancing access to the countryside, improving accessibility and facilities in our parks and open spaces, improving health and safety for example by installing public water fountains, and more.”

The bidding process is designed to be as clear as possible. Information on the process can be found in section 6 of the CIL Spending Protocol.

First Surrey Borough with no Conservative Councillors

15 May 2024

The Conservatives have been wiped out in Woking after voters handed the Liberal Democrats a huge mandate. The final tally tightened the Lib Dems grip on power giving them 24 seats, up four from last year's election – and left the Tories with none and Labour with just one seat on the bankrupt local authority. The remaining five seats are held by independents.

The Conservatives came into the day holding just four of the council's 30 seats but they failed to hold on to any as ward after ward continued to punish the party – which as recently as 2021 had been the borough's largest group.

The result makes it the first council in Surrey not to have a single Conservative councillor and serves as a major warning to the party of a difficult road ahead in the upcoming general election.

Josh Brown, the former Conservative councillor who lost his seat in the Byfleet and Byfleet West ward said: "The Woking Conservatives will continue to hold the Liberal Democrats, Independent and Labour on the council to account with regards to increases in council tax and increased borrowing."

He would later add: "People of Woking have clearly had their say and we respect that, but the process going forward is who is going to hold this super majority to account? "I think there will be a muted scrutiny function and that Woking and all of our residents will be worse off."

The biggest swing of the day came in Canalside with the Liberal Democrats overturning a Labour majority of 570 to take the seat.

Leader of the Council Councillor Ann-Marie Barker, who held on to her Goldsworth Park seat said:"It's a huge result for the Liberal Democrats, given the year we've had (referencing the Section 114 bankruptcy notice).

"To get such an overwhelming majority, resulting in existing councillors with increased majorities and gaining four seats. It's a massive responsibility and we've got a huge mandate to take it forward and we've showed that we can do that over the last couple of years. Scrutiny is very important. We still have independent and Labour councillors, but the importance for scrutiny is critical friends and constructive criticism – and that should come from both within and beyond the group.

"First priority is to get the new councillors trained inducted and working on their roles to deliver for residents and clearly finances are in our mind all the time and our work to deliver on our budget and next year's budget."
