

Epsom Scouts Summer Swiss adventures

5 September 2023

This summer was packed with Scouts travelling on International Expeditions and trips and Surrey Scouts joined in on the fun. Scouts from 3rd Epsom & 8th/14th Epsom joined 700 other young people from across Surrey to have their own summer adventure.

The Scouts attended Surrey's Kix. Challenging themselves to take part in activities over a week at Kandersteg International Scout Centre (KISC), Kandersteg, Switzerland.

This year sees the centenary of KISC, where at the beginning of August, saw Dignitaries from Switzerland and members of WOSM (World Scout Scout Movement) and members of the Commissioner team from UK Scouting take part in the festivities.

While Surrey Scouts were on site, they met Scouts from Australia, Switzerland, Germany, Spain, Israel, Japan, Netherlands, Portugal and other parts of the UK.

Thirteen coaches set off from Cobham Services (thanks to them for accommodating their departure and return). Apart from the UK contingent visiting South Korea for the World Scout Jamboree, this expedition was the largest contingent of Scouts from the UK visiting overseas this year.

While in Switzerland, Scouts Walked high into the Mountains with our trained (and KISC trained) Mountain walkers, rafted from Thun to Bern (as well as getting to visit Thun & Bern), went high into the trees as part of a High Rope course in Interlaken (as well as getting to visit Interlaken).

All Troops also helped out on site and got to visit the local area. Troops also chose a Troop day, where some Scouts went up the Schithorn (the one in the Bond movie), Jungfrau, Rothorn (via a steam ship and train), visited the Thermal pools in Brigerbad, Tobogganing at Lake Oeschinen, Zip Wire and Trottibikes in Grindelwald amongst other things.

Ian MacQueen Expedition leader said "KIX 2023 took two years to plan with and aim to give 700 Scouts and leaders the opportunity to try new activities, make new friends and learn skills for life. I think it is safe to say we achieved our aim and more. My thanks to the staff and leaders who made the event a success. We will now start to plan KIX 2026"

Owen a Scout from 1st Nork said "My favourite thing about KIX was the river rafting and being able to invade all the other boats".

Caramay a Scout from 3rd Epsom said "My favourite bit of the week was the trip to the Thermal baths because it gave an opportunity to rest during the active week".

Samuel a Scout from 3rd Epsom said The rafting was the best because the experience was enjoyable and the scenery was amazing."

Scouts are for Boys and Girls aged 10.5 to 14. Pre-pandemic youth membership was 479,000 (2020)

Up until the pandemic, The Scouts enjoyed a sustained period of growth, with total membership rising by nearly 200,000 between 2006 and 2020

2020 to 2021, youth membership fell from 480,083 to 362,752 - a 24.5% decline - and adult membership fell from 155,907 to 141,863. 2021 to 2022 membership growth is 362,668 to 421,852 - an increase of 16%

All genders, races and backgrounds are welcome at Scouts. Every week, it gives almost over a third of a million people aged 6-25 the skills they need for school, college, university, the job interview, the important speech, the tricky challenge and the big dreams: the skills they need for life.

Individuals are 15% less likely to suffer from mood swings and anxiety if you've been a Scout or Guide, according to a Cohort study by the University of Edinburgh and Glasgow, 2016.

Rainbow Leisure Centre in East Street Epsom has been shortlisted for a prestigious award from trade association UK Active.

The centre - which was renovated recently- boasts a 25m pool, dance studio, large gym and over-60s social room. As a result, it has been nominated for 'Local and Regional Club/Centre of the Year' in recognition of its huge contribution to the local community.

Rainbow caters to customers of all ages with an innovative programme that includes fourteen classes dedicated to people over 60, plus swimming, gym sessions and classes for the centre's junior members - currently numbering more than 500. The centre is run by charitable social enterprise GLL under the 'Better' brand. The organisation's ethos is to reinvest profits to support local communities and Rainbow is an important part of this commitment.

Darren Pope, Rainbow's General Manager, comments, "We couldn't be prouder to have been shortlisted for the best centre/club in the South of England. Making the shortlist would not have been possible without the incredible work from the staff at Rainbow. No matter what the result, I am very proud of my team's achievements this year."

UK Active award winners will be announced at the end of October this year.

Better was founded in 1993 as a charitable social enterprise with seven leisure centres in Greenwich. DIY waste charges lifted in Surrey

5 September 2023

From 1st September, **Surrey County Council** lifted charges on resident DIY waste in line with Government policy changes that were proposed in June.

The County Council, like most neighbouring authorities currently charge for all rubble and plasterboard to be disposed of at community recycling centres (CRCs). From 1st September up to two 50-litre rubble bags or one large item no larger than 2m x 0.75m x 0.7m per household will be accepted for free, at a maximum frequency of four visits over four weeks. Anything in excess of this will be chargeable at current rates.

DIY waste can be accepted at nine of the 15 community recycling centres and access to the rubble and plasterboard containers will continue to be controlled and monitored. A new monitoring system will be introduced using the automatic number plate recognition system to monitor usage.

Natalie Bramhall, Cabinet Member for Property and Waste said: "Whilst we are still unclear on when the Government proposes to implement this law, we have made these changes already. It's about making the system as simple

as possible for our residents, while protecting our sites from commercial operators taking advantage of a tax-payer funded service."

CRCs are for Surrey residents only to dispose of household waste and recycling, including:

- Batteries
- Carpet
- Cooking oil
- Furniture
- Small electrical items
- Paper and card
- Metal

A full list of Surrey's community recycling centres is available on the Surrey County Council website, along with details of what is accepted at each site.

Signs of Surrey resistance to ULEZ continue

5 September 2023

The Ultra Low Emission Zone (ULEZ) to the London Borough Kingston and Sutton borders of Epsom and Ewell, went live on 29 August.

This will have an impact on Surrey residents, especially those living near the border of London, who have a non-ULEZ-compliant vehicle.

Matt Furniss, Cabinet Member for Transport, Infrastructure and Growth at Surrey County Council said: "I am incredibly disappointed that expansion of the Ultra Low Emission Zone has gone ahead today and the impact this will have on many of our residents as they go about everyday, essential journeys.

"Surrey County Council has informed TfL that we will not enter into a Section 8 agreement which is needed for them to place signage and cameras on our highway, whilst there isn't any mitigation in place to minimise the impact on Surrey residents. If they wish to install advanced signage or have safety concerns, it's in their gift to install it on their land and to change the ULEZ border.

"Whilst the extended scrappage scheme looks to be a step in the right direction, this will have no impact on those outside of London. This means that people living in Surrey will not only have to pay the ULEZ charge, but also pay all costs to scrap their own car as the scrappage scheme only applies to people living inside London. Combined with the recent decision to withdraw the day travelcard, it is now increasingly difficult for those outside of London to travel in and out at a fair price.

"We continue to urge The Mayor and TfL to do what is right and extend the scrappage scheme outside of London for those that are impacted, provide exemption for key workers, and provide more and better bus routes between Surrey and London."

The Mayor of London's office stated:

"Expanding ULEZ was a difficult but necessary decision in order to save lives, protect the health of children and tackle the climate crisis. Clean air zones like the ULEZ are the most effective tool available to quickly and meaningfully cut air pollution in a city like London and vows to continue being 'a doer, not a delayer' when it comes to taking bold climate action. All Londoners with non-compliant vehicles can now apply for financial support to scrap them - with more than 15,000 applications received in the last week alone.

Nearly £60 million has already been committed in advance of the ULEZ expansion to Londoners, charities and businesses to scrap or retrofit their vehicles. With £100 million still left in the fund, the Mayor encourages Londoners who may still have a non-compliant vehicle to apply for the support available."

"The Gas" and brewery back Cuddington community

5 September 2023

Wandgas Sports and Social Club in Cuddington is very proud to announce their partnership with **Shepherd Neame**. An open day was held on Friday 25th August, with the Kent brewery - the oldest in Britain - showcasing real ales and an impressive selection of wines to the locals.

Epsom and Ewell Borough Councillor **Kim Spickett** said "This is a wonderful facility, offering sporting opportunities to all ages and abilities. It is a social hub for us too - the Jubilee and Coronation Beacon ceremonies for Cuddington took place on the field, organised by Cuddington WI, who hold their monthly meetings at the clubhouse.

Shepherd Neame are already a big name in the cricket world, sponsoring Kent and Surrey County Leagues, so it is a good fit! Their event has been most enjoyable - we even had a wine expert on hand! Having decent real ale available where you live is wonderful."

Cricket at Wandgas is year round, with net sessions throughout the winter in floodlit nets. Youth cricket takes place every Thursday throughout the summer from mid April. "Cricket For All" for players with special needs starts in April.

The club also hosts adult and youth football sides. A "Football For All" section for players with disabilities train on a Saturday morning - two under 16 and 3 adult teams.

Wandgas also run a community football 'turn up and play' for Under 7's. Two dart teams and a pool team play in local leagues.

Wandgas is unique in having developed a corner of the grounds into an area for a Sensory Garden. They are currently working with teachers and parents from Linden Bridge School and Orchard Hill College.

Chairman **Dennis Jones** said "the idea is to introduce children and adults with special needs to nature and the rhythms of the seasons through gardening".

Wandgas Sports and Social Club in Cuddington is on Grafton Road, Worcester Park in the Borough of Epsom and Ewell. Across the road **Linden Bridge School** enjoys open access to the ground. The Club will allow any local group reasonable access and fosters a continuing relationship with sports development officers at Epsom & Ewell Borough Council.

The Club was developed in 1938 to provide sports and social facilities for gas industry employees of SEGAS. Known by the locals as "The Gas"

Wandgas has a determination to retain the site as an open field sports facility for the local community as its key objective.

Objectors fail to tear a strip off

5 September 2023

An Epsom strip club has had its licence renewed despite dividing residents on what it brings to the town.

Stir, in the town centre's East Street, has run as a sexual entertainment venue since 2011, though operations manager **Damon Wellman** has been running it as a bar since 2007.

Residents who wrote to the council about the application raised concerns about going into town late at night because of it, while another in support said the bar did not have the "creeps" you would find in other venues.

A licensing sub committee meeting at **Epsom and Ewell Borough Council** on Thursday (August 24) granted renewal of the venue's licence, which was due to expire.

Stir is Epsom and Ewell's only establishment licenced as a sexual entertainment venue.

The sub committee considered six letters of support and four objections to the application, as well as hearing from Mr Wellman in the meeting.

Letters of support included one person who used to live very close to the venue, who said they were being followed home one night by three men having left another nearby pub. The letter said: "It was late and we had to walk past Stir bar so we asked the doormen if they could help and they were brilliant. "They let us stay in the bar for free, offered to call the police if the men stayed outside, which they did not, and then after some time walked us back to our flat. After that we would sometimes just go in there for a drink as it was a really nice bar and never had the creeps that we would encounter in other bars."

But one objector said she would not go into town late at night because of the club, saying she had "seen the men coming in and out" and felt "unsafe".

Another person who wrote in support said they understood people's "reservations to this sort of thing", but added "it's important that perceptions and prejudice do not take precedent over facts and reality."

Another letter said the venue "tainted" the town, raising concerns about it being so close to a nursery and to a residential area. They went on to say: "I write to and on behalf of the young women who walk home late at night and ask you to reconsider your renewal and shut the premise down and protect young adults from these dangers."

While another letter claimed there had been a "significant increase in anti-social behaviour associated with the establishment", Mr Wellman disputed this in the meeting.

He produced a response to a Freedom of Information request he had submitted to the council regarding complaints, whether noise or otherwise, about the premises which said there had been none in the last five years.

Mr Wellman said: "We have to run a venue like this strictly. That's why we have a great reputation. We are phenomenally strict. We are very strict on who we let in. We're not a volume-led venue, this industry generally isn't."

The licence was granted, with minor changes including removing the words "female only" from a condition regarding the locations where "exotic dancing" could take place.

Hosts of Ukrainian refugees appreciated

5 September 2023

On the Independence Day of Ukraine – 24th August, **Epsom & Ewell Borough Council** offered a huge thank you to more than 60 hosts who have welcomed Ukrainian people into their homes as part of the Homes for Ukraine scheme, and asks anyone who is interested in finding out more about becoming a sponsor to get in touch.

The council, in partnership with **Epsom & Ewell Refugee Network** (EERN), has facilitated more than 120 placements in the borough as part of the Homes for Ukraine scheme since it began last February.

Galyna, who arrived in the UK from Ukraine in May 2022, said: "When I first arrived in the UK I felt really lost, as I didn't know anybody or how things worked. I was supported by the Homes from Ukraine team at Epsom & Ewell Borough Council soon after arrival."

Amanda, one of the borough's valued hosts, said: "Back in March 2022, we signed up for the Homes for Ukraine scheme and had no idea what we had signed up for, it just seemed like the right thing to do!"

"We now have our second set of lovely guests, we know a lot more about the history of Eastern Europe, have negotiated government systems and learnt much about ourselves. We have no regrets and feel very proud to be a part of Homes for Ukraine."

Councillor **Clive Woodbridge**, Chair of the Community and Wellbeing Committee, said: "I have been overwhelmed by the kindness that people in Epsom & Ewell have shown in welcoming displaced people from Ukraine to our borough."

"Hosts have helped families feel at home in a new place where they may not speak the language, showing them around and helping them feel safe."

"I'd like to say thank you to the many people who have supported efforts to help people in Ukraine, by taking part in the Homes for Ukraine scheme, raising money, or donating money or goods."

Nicky Marshall, Host Supervisor for EERN, said: "95% of placements work very well. Guest(s) become like members of the family."

"Hosts join the scheme for many different reasons and have fed back that it is enriching and enlightening, giving both parties the chance to learn about a different culture (and sometimes experience a different cuisine!)."

EERN works with Epsom & Ewell Council to support Ukrainians in our borough, providing regular English lessons, helping families navigate school requirements, and aiding people in finding employment, for example putting them in touch with the Epsom & Ewell Employment Hub. EERN also run social events that help Ukrainian guests feel more at home.

Anyone who is interested in finding out about the Homes for Ukraine scheme should email homesforukraine@epsom-ewell.gov.uk.

Anyone in the UK who has not been matched with a Ukrainian person or family can record their interest in the scheme, as long as:

- they can offer a spare room or home for at least 6 months
- if not a British citizen, they have leave to remain in the UK for at least 6 months
- they do not have a criminal record.

'Thank you' payments: hosts have the option to receive a monthly payment of £350 for up to 12 months, paid in arrears, for as long as they are hosting their guests and the accommodation provided is of a suitable standard. Hosts are eligible for the first monthly payment once the accommodation they are providing has been checked.

Unarresting match with the police

5 September 2023

V

Epsom & Ewell 0-0 Met Police. Emirates F.A. Cup - Preliminary Round. Friday 18th August 2023.

We had our first taste of Friday night football at the Madgwicks this season as Isthmian League Met Police visited for this Emirates FA Cup tie and despite having the lion's share of the possession, rarely threatened in this goalless draw. This was the ninth time the clubs had met in this competition and we have only won two of the matches, with three draws now.

For our part, we were missing three players who were injured in Tuesday's League match and at times almost seemed content to cancel the opposition out and aim for a replay, where hopefully some of the walking wounded will be able to return.

The first bit of good news was that first choice keeper Harvey Keogh was back between the posts after dislocating his little finger in the Redhill warm up, but unfortunately Jaan Stanley, Callum Wilson and Tommy Williams were all unable to

go, so Zach Powell took the armband on with Ayran Kugathas and Chester Clothier in place of the others. Additionally Ollie Thompson and Sirak Negassi moved onto the bench and Tino Carpene and Nick Inwugwu took their places.

Before the match commenced a minute's applause was held in recognition of regular supporter Mark Durbridge who passed away on Friday 11th August. A few former players and his family were present and all stood around the centre circle with the teams and officials for the duration of the applause.

We have had some slow starts this season and we got off to a nervy opening in this match too. Kugathas sent his header beyond Keogh and out for an unnecessary corner which was half cleared to the edge of the box where we then conceded a free kick. Fortunately, the strike on goal was dealt with easily enough by our keeper. However, in the seventh minute Bayley Mummary struck a shot against our far post and although the ball rebounded back into play, it appeared from where I was as though another player then struck our other post, but by this time the flag was raised for offside and the danger was over.

We had our first opportunity in the tenth minute when the ball was fed through to Kiyo Brown and he ran at goal, although his shot was too close to the experienced Liam Beach and he tipped the ball over for a corner which we were unable to take advantage of. Brown then had another run, but what looked like being a threatening ball in was blocked at the last second by a defender.

However, for the majority of the half we were on the defensive, happy to counter attack when the chance arose and looking quite difficult to break down. We also had a couple of yellow cards in the middle of the park with Rory Edwards getting one and then Alfie Walters for a cynical trip on Carpene who had threatened to get away on the left wing. This would have consequences for their defender later. There was nearly a third yellow card after Carpene was brought down by Laurence Ernest and the referee was there quickly to wave the card before being made aware that his Assistant had flagged belatedly for the ball going out of play.

Kugathas was next to pick up a yellow for pulling back his man as this stop-start game was never really allowed to get going. Regular visits from our physio ensured that an extra six minutes were played, but there was nothing of note within it and the teams trooped off at the break with honours even.

The second half started in a similar fashion and we weren't asking many questions of our visitors, although Brown got to the touchline once, but his low ball in was cut out by Beach. Next to try was Ade Batula, but his shot from a narrow angle was never going to beat the well-positioned keeper who blocked the ball out for a corner.

Brown picked up a yellow card for a clumsy tackle before Dan Stewart also found his way into the rapidly filling book, even though this was not a dirty game in any way. Unfortunately with fifteen minutes of normal time remaining Powell limped off and Ollie Thompson came on at the back, moving Inwugwu to a centre position within the back three and Clothier inherited the arm band. A sixth card followed for another visiting player for a foul on Ethan Nelson-Roberts and two further substitutions occurred for us with Ben Amissah coming on for Carpene and Jabari Ofosu-Hernandez made his debut in relief of Nelson-Roberts.

We still appeared to be quite happy not to rush things and to settle for a replay, but nearly won the tie in the 92nd minute after Amissah was put through on goal. Regrettably, he stumbled and this enabled Beach to get a hand to the ball before our man could fully recover. However, the loose ball fell kindly for Batula who just needed to clip the ball over the retreating defenders from twenty-five yards, which he did, but it didn't come down in time and thumped the Met crossbar before going over for a goal kick.

There was time for an unusual incident in the 93rd minute as Walters had been injured and Beach told him to leave the pitch so as not to play any of our players onside. However, he then came back on after the attack had been cleared and picked up a second yellow card for re-entering the field of play without permission. Harsh!

Ultimately, the fact that I am referring to all the yellow cards and substitutions tells you that there wasn't really much to report in terms of real opportunities in this match. It was constantly interrupted by injury and the somewhat fussy referee and the crowd of around 165 or so probably wondered whether they should have bothered to come out at all as the rain then gave them a thorough soaking as they walked 300 yards to reach their cars!

Most importantly though, the two teams remain in the hat for Monday's draw and will now meet again on Tuesday for the replay, which will have to be settled on the night, even if it takes extra time and penalties. There is one good omen here as the last time we met in the FA Cup back in 1989 we drew 0-0 at home before winning the replay 2-0 at Imber Court. *Déjà vu* anyone?

Feelings for feline fosterers

5 September 2023

Would you be able to provide a temporary home for a cat in need? **Cats Protection Epsom Ewell** and District branch has been helping local cats since 1988 and is in urgent need of volunteer indoor fosterers.

They are looking for people who can provide temporary foster care in their own homes for cats like Kelly. Kelly was handed over to Cats Protection when her owner could no longer care for her.

Volunteering to foster a cat can be hugely rewarding; all you need is time, a safe space, and a love of cats. As a fosterer, you would be taking care of a cat in need until they find them their "forever" home.

Cats Protection will provide you with full training, to enhance your skills and knowledge and will cover the cost of equipment, food, and vet bills.

Current volunteer fosterer Helen says "I love the company of cats and by fostering I get to help lots of cats. Of course, I get attached to each cat I foster, but I can then help another cat find their new home. There are so many cats which need our help."

Why become a fosterer?

It is a wonderful and rewarding experience.

It provides the opportunity of having the company of cats in your home, without the responsibility of ownership or expense.

It means that you can take time out e.g., to accommodate planned breaks.

They are looking for people who:

Can provide a safe, secure, indoor environment with sufficient space to allow the cat to eat, sleep and play.

Have the time to feed, groom, play and clean the bedding and equipment.

Own their own home or have permission from the landlord for a pet and are 18 years or older.

Cats Protection Epsom Ewell and District branch is run by a small team of dedicated, cat-loving volunteers, all of whom are passionate about improving the lives of cats and kittens in Epsom, Ewell, and the surrounding area.

They work hard to find loving new homes for local cats in our care, offer support and help with the cost of neutering, provide advice on lost and found cats, as well arranging education / welfare talks within the Epsom and Ewell area.

They also have a charity shop in Banstead High Street.

To find out more about becoming a fosterer you can email volunteering@epsom.cats.org.uk

Cats Protection's Epsom Ewell and District branch is part of a national network of 256 volunteer-run branches and 30 centres that together help over 166,000 cats and kittens each year.

Redhill cruise to victory on Epsom waters

5 September 2023

Epsom & Ewell 1-3 Redhill. Combined Counties League - Premier Division South. Tuesday 15th August 2023.

We opened up our home League campaign on Tuesday evening against Redhill and found out fairly quickly why they will be involved at the business end of the table come season's end as they cruised to a 3-1 victory.

It has to be said that we didn't have a lot of fortune over the course of the evening either. Before the match Harvey Keogh jammed his finger into the turf making a save in the warm up and with it either dislocated or broken, Toby Colwell came in for his debut at rather short notice. Also making his debut was Kiyo Brown and he showed up well in the first half before being replaced in the second.

This was one of those matches that you watched from a distance. As most people know, I stand behind the goal we attack and if I'm honest, there wasn't an awful lot of that going on in this match!

Redhill had cheekily created a match poster including four former Salts, Adam Grant, Gavin Quintyne, Athan Smith-Joseph and Coach Matt Chapman, but they could have also included Manager Jordan Clark and Tom Harland-Goddard too. As it turned out, only the ageless Quintyne and Smith-Joseph were in the starting eleven and they nearly took an early lead when Colwell stood up well to make a fine save from a Smith-Joseph shot in the fourth minute which was then cleared.

A couple of dangerous crosses went through our six yard box and out as Redhill controlled much of the first half. We had

occasional half chances and Ethan Nelson-Roberts was set up for a strike by Sirak Negassi, but his shot was easily dealt with by Luke Roberts in the Redhill goal.

We then saw our Captain Callum Wilson injure his ankle in a collision with a Redhill player and although he had treatment, he was clearly not able to continue much longer and he limped off around ten minutes later. Negassi got past Quintyne who brought him down cynically, although no card was issued when it probably should have been, and Rory Edwards sent the free kick from an angle goalwards, but without enough power to trouble Roberts.

The visitors continued to threaten and Jack Saunders struck the bar from the edge of the penalty area, having just shot over the bar moments previously. Then Reuben Duncan sent his low shot just beyond our far post. They were getting closer and it was no surprise when they went ahead in the 39th minute with a move down the left that was finished off by a shot from around 15 yards across Colwell into the far corner by Tyrese Sutherland.

At this point Wilson was replaced and a couple of minutes later Tommy Williams also needed to go off. In fact every few minutes it seemed like we had another player on the deck. Nick Inwugwu and Ayran Kugathas came on in their places, but Duncan broke through in the 48th minute after we had failed to clear the danger and smashed the ball back past Colwell from just inside the area, giving him no chance as Redhill registered their second goal. It nearly got worse as Inwugwu had to be alert to clear the ball off the line and although Ade Batula struck just over in the eighth minute of injury time, it was a very despondent looking Salts eleven that trooped off at the break.

The visitors continued to press in the second half and shots came in, but we weathered the storm and on the hour we started to become a lot more competitive ourselves, and the final half hour was much more even as a contest. We put together a good move, only for the final pass to Batula to be accompanied by the raising of the Assistant's flag for offside. We then held the ball for a bit of time, although the Redhill defence looked fairly solid and despite having our best ten minutes of the match we then conceded a third goal when Grant broke through our defence and finished easily past Colwell in the 70th minute.

We made a couple of substitutions with Ben Amissah and Jaan Stanley joining the fray and Batula saw his shot deflected for a corner. The 79th minute set piece looked like being an easy catch for Roberts, but he dropped it and Inwugwu was there to force the loose ball over the line at the second attempt to register his first goal for the club with the Redhill defenders hoping for a flag or whistle that might save them, but it didn't come, and rightly so.

Despite pulling a goal back, we rarely looked like adding to it and Redhill almost scored a fourth with a great crossfield pass to the right wing where a low shot from an angle was parried to safety by Colwell. In the final minute of normal time we had our final opportunity when a long ball found the advancing Zach Powell who set up substitute Jaan Stanley who found Batula but the shot was dragged across goal with his weaker foot.

To be fair though, a second goal on the night would have seriously flattered us and we could have no complaints with the final score. More concerningly, with Friday's F.A. Cup match coming up against Met Police there must surely be some question marks over the availability of some of our players following the injuries and with other players Chester Clothier and Ben Bauchop at the match but also unable to play, we appear to have a rather early injury crisis.

Rugby Returning To Rugby Lane in Ewell

5 September 2023

This time last year **Sutton & Epsom Rugby Football Club** were looking optimistically at the brand new Regional 1 South Central anticipating opening their account at Lily Hill Park against Bracknell. Twelve months later following a season that was underwhelming in the extreme Sutton and Epsom came bottom of the league and were relegated. With the RFU shuffling the deck once more S&E have been placed in Regional 2 South East. For the second campaign on the bounce the Black & Whites will be welcoming some new league opponents in the form of Battersea Ironsides and Reeds Weybridge. Meanwhile they will be reacquainting themselves with familiar foes like Sidcup whilst Old Colfeians make a welcome return to Rugby Lane for the first time since 2006.

Notable players have departed for a variety of reasons including age, family life or the golf course and Messrs Caddy, Cooksamy, Drye, Harwood, Hurley & See will be hard to replace and a most grateful club offer them their heartiest best wishes for the future. But this is the cyclical nature of club rugby and it will provide an opportunity for young players to

step into big boots and establish their reputation as an essential starter for the 1 st XV.

For the supporters the loss of those favourites will be compensated by the long-awaited return to the colours for Matt Whitaker following surgery after a fallow season last time around. One senior player has not hung up his boots and will be hoping for at least one more league encounter as prop Will Lloyd is currently a man with 99 league appearances under his belt and hopes to become the club's 32nd league centurion.

Head Coach Paul Hodgson commenting on the season ahead said: "Since my return back at Sutton & Epsom RFC, I don't feel there has been a more exciting time in this transition period between seasons. The main reason being is that a young crop of players, mainly graduates from the S&E RFC Junior section, will be making up the majority of the starting squad. Mixed in with a few experienced players and new faces, I feel the 1 st XV representing this great club will be a very competitive side. My prediction for the season is that there will be a lot of good times playing down at Rugby Lane and there will be some good wins achieved on the road."

As usual the league season begins on the opening Saturday in September when Sutton & Epsom travel to Whitely Village to experience an inaugural league fixture with Reeds Weybridge. For those of you who frequent Rugby Lane the first home fixture is against Beckenham on Saturday 9th September kicking off at 3pm.

Full fixtures for the season can be found on the club's website

Cruel ending at Calthorpe Park for Epsom and Ewell FC

5 September 2023

Fleet Town 2-1 Epsom & Ewell FC. Combined Counties League - Premier Division South. Saturday 12th August 2023.

Despite a slow start to our opening League fixture of the season, we fought back to equalise and deserve a draw, only to then lose the match to a long range deflected strike in the fourth minute of injury time as Fleet Town edged through by the narrowest of 2-1 score lines.

We made four changes from our win over Horsham YMCA. Our Assistant Manager Ash Snaddon was getting married, while Ade Batula and Chester Clothier were unavailable and Nick Inwugwu started on the bench. In their places came Rory Edwards, Ollie Thompson and Sirak Negassi who had all come off the bench the previous Saturday, while Ben Bauchop made his first appearance of the season. Snaddon's absence, together with both of our coaches Steve Springett and Kevin Espinosa being away, resulted in an emergency call for another of our previous keepers Dave Tidy to step into the role and help James Scott out on the sidelines. Tidy actually had a foot in both camps for this match as had also coached the opposition keeper Roan Strong!

As with recent previous matches we made a slow start and in front of a loud crowd that gave the impression of being more than the official attendance of 109 we went behind in the sixth minute after Bauchop was caught in possession and on a lightning counter attack the ball was fed through to Connor Young who slotted the ball past Harvey Keogh from around twelve yards.

It nearly got worse as our Captain Callum Wilson then also found himself robbed on the edge of the area, although on this occasion the shot was an easy one for Keogh to deal with. The home side were pressing us at every opportunity and it took us a while to come to terms with this.

However, as the half progressed we began to improve and Sirak Negassi got a decent shot away that Strong was able to beat away. Strong played in our colours back in a January friendly before spending the season at South Park and appeared very solid here. He was then alert to make a good save from Negassi a few minutes later after our man had won the ball after a Farnham defender had been caught in possession.

It was at times a very rapid contest with both teams really pushing the other and this energy was shown best by our left wing back Ethan Nelson-Roberts. He had been competing well against the dangerous Fleet winger Naz Miah and in the 39th minute he got forward and won a free kick out wide after the referee had decided we had no advantage. This was a crucial decision as Edwards then whipped in a free kick and Thompson met it about three yards beyond the far post with a solid header back into the net for our equaliser.

The second half started with a scare as Miah went down in the penalty area under a challenge, after making a good run, but it wasn't convincing enough and we escaped. We then had a great opportunity when Bauchop took the ball off a defender and we were suddenly three on two on the edge of the Fleet area, but he couldn't pick a pass to a waiting teammate and we were unable to take advantage.

The game was switching from end to end and if anything it was probably a little too open for both Managers' liking. It also

became a bit scrappy in patches as both teams fought for every inch out there. On the hour, former Salt Sam Marks put a decent ball in from the right, although Wilson did well to clear the danger at the last minute with a stretching volley. Miah was then clattered by Thompson who picked up our second yellow card after Wilson in the first half and we made a couple of substitutions with Nick Inwugwu coming on for Thompson and Ben Amissah making his debut in relief of Jaan Stanley who had a quiet day by his standards.

Then things got a little nervy in our area and a close range header was well saved by Keogh. In response Amissah made a good run and found Negassi, although his shot didn't trouble Strong. We saw another debutant enter the fray as Ayran Kugathas came on for Tommy Williams on the right before it was our turn to press for a while. Nelson-Roberts put in a great burst on the left and his low ball in was turned away by a defender, even though a goal kick was awarded. Then Amissah got through on the left too and drew the keeper out, but his pull back was cleared for another corner. Tino Carpene was next to strike at goal from twelve yards but Strong made a good save.

It looked as though it was a matter of time before we would pinch the win, and the Fleet Manager was having kittens on the touchline, but a cruel twist of fate was waiting for us in the 94th minute when Mohamed Konte struck speculatively at goal from around twenty-five yards. I've been advised by people from a different angle to me, who thought the shot was going wide, but the ball struck Inwugwu and flew into the opposite corner with Keogh helpless to do anything about it.

There was still time for us to have a couple of chances as the final seconds expired and Negassi saw his angled shot kept out by Strong. Then from the corner it was all hands to the pump as we rained in three shots on goal in about ten seconds; the second of which from Inwugwu hit a defender fully on the chest while he was standing on the line. A yard either side and we'd have been level, but there were no infringements by the home side and shortly after this the final whistle blew.

Did we deserve to lose this match? Absolutely not! However, for what it's worth and regardless of the entertaining contest, I felt that neither team had done quite enough to say they deserved the win and a 1-1 draw would have been a fair result from this most even of contests. Alas, it was not to be and we now face high-flying Redhill in our opening home League match in three days time.

Plea ahead of doctors' strikes round 5

5 September 2023

The number of postponed appointments on strike days has now topped 10,000 at one hospital group – and with a fresh wave of industrial action on the horizon, that figure is set to rise further.

Junior doctors at St George's, **Epsom and St Helier University Hospitals** and Health Group will join colleagues across the country on strike from **7am on Friday** until **7am on Tuesday**.

It is the fifth time they have done so this year and – coupled with a consultants' strike last month – has resulted in 10,051 appointments, procedures, and operations being rescheduled to ensure emergency care can be prioritised.

The **British Medical Association** explains the reasons for the strikes: "While workload and waiting lists are at record highs, junior doctors' pay has been cut by more than a quarter since 2008/9. Junior doctors and their patients need change now.

A crippling cost-of-living crisis, burnout and well below inflation pay rises are driving hard working doctors out of their profession, at a time when we need them more than ever.

In 2022, junior doctors were offered an insulting and well below inflation pay rise of 2%.

No-one can be expected to stay in a high pressured job where your earnings are being eroded year on year. That's why we are calling on the Government for full pay restoration."

This makes it all the more important that people who do have an appointment continue to attend, unless they have been asked not to. Patients whose appointments have been rescheduled will be contacted directly.

Dr **Luci Etheridge**, Chief Medical Officer for St George's University Hospitals NHS Foundation Trust, said: "Our message remains the same as it always has: if you need care, please continue to come forward. That means if you have an

appointment and you haven't heard from us you should still come in, and if it's life-threatening you should visit an emergency department or call 999.

"But if you have an appointment and you can no longer make it, please let us know so our frontline doctors and nurses can use their time more effectively to treat other patients and work to reduce our waiting lists."

The hospital group saw extraordinary demand earlier this summer - including the busiest day ever in its emergency departments and a busier-than-usual June.

NHS 111 online should always be the first port of call when you have a health need that's not an emergency, as it will direct you to the best place to get help for your symptoms.

Pharmacies, meanwhile, can offer advice and over-the-counter medicines for a range of minor illnesses, such as coughs, colds, sore throats, and aches and pains. Some pharmacies will be open at weekends, and you can find your nearest one here: <https://www.nhs.uk/service-search/pharmacy/find-a-pharmacy>

In a life-threatening emergency, you should always call 999 or go to an emergency department.

Dr **Beccy Suckling**, Chief Medical Officer for **Epsom and St Helier** University Hospitals NHS Trust, said: "Earlier this summer it was very busy, and more recently we saw an increase in very unwell people coming to hospital. This, as you would expect, has put a strain on our services.

"We always prioritise our sickest and most seriously ill patients - and that means that those coming to our emergency departments when it is not as urgent will experience longer waits, and may be redirected elsewhere. Please help us when it is not an emergency by using NHS 111 online first."

If you need mental health support in a crisis, and live in Kingston, Merton, Richmond, Sutton or Wandsworth you can call South West London's 24/7 Mental Health Crisis Line on 0800 028 8000. One way to learn collective nouns

5 September 2023

Last Monday, 7th August, **Epsom Library** invited **Frances Cohen** to come and read some of the poems from her recently published book: **"A Prickle of Porcupines - Really!"**

The added attraction was that the poems had been illustrated by five of her 7 grandchildren, three of whom go to local schools in Epsom. Wallace Field Juniors, and Rosebery.

Frances is a 74 year old widow, and during the many COVID lockdowns she decided to use her talent for writing poems and using the different, and sometimes very amusing "collective nouns" she had discovered for animals and birds, which she had taught to her grandchildren over the years.

The poems are educational, including some interesting facts about each animal or bird, and really can be enjoyed by children of all ages, and adults alike.

Jellyfish have been around for millions of years,
They are 95% water, and have no brains, bones, or ears,
Even though they have long tentacles, they are not very smart,
They also have no eyes, and not even a heart.
150 million people get stung by them every year,
So they are not very popular when, near your beach, they appear.
So if you see them coming, you better draw back,
And if there are lots of them together, it is called a SMACK

The book is available on Amazon, and some Waterstones Shops

County divisions - have your say on changes

5 September 2023

New boundaries are being proposed for council divisions in Surrey County Council including in **Epsom and Ewell**.

The **Local Government Boundary Commission** wants to hear what residents and local organisations think about the proposals. A ten-week consultation on the proposals will run until 16 October 2023.

The Commission is the independent body that draws these boundaries. It is reviewing Surrey to make sure councillors will represent about the same number of electors, and that division arrangements will help the council work effectively.

The Commission has published proposals for changes to Surrey. It is proposing that there should be 81 single-councillor divisions.

In respect of Epsom and Ewell the Commission reports:

"Epsom & Ewell has been allocated five councillors, each councillor representing on average 6% more electors than the county average.

We received two proposals for this borough, from the Council, who proposed a minimal level of change from the existing division arrangements, and from the **Epsom & Ewell Constituency Labour Party**. The proposal from the local Labour

Party, while offering helpful information about deprivation levels throughout the borough, and proposing 100% coterminosity, offered poor levels of electoral equality for several divisions, including 12% fewer electors than average in Town division, and 21% more electors than average in Epsom Common & Downs.

Epsom Town & Downs, Epsom West and West Ewell

We have adopted the Council's proposals for these divisions. The Labour proposal, which kept entire wards within single divisions throughout the borough, placed Stamford ward within a southern division, proposed to be called Epsom Common & Downs, resulting in very poor electoral inequality for this ward. In contrast, the Council's proposal, while splitting wards, offered good electoral equality, and used the strong boundary of the railway line through the centre of Epsom Town.

The only proposed change from the existing divisions we are making is to unify Horton ward within Epsom West division, placing electors on Oakwood Avenue, McKenzie Way and neighbouring streets in Epsom West division. This was proposed by the Council, and both improves coterminosity, and ensures that these electors are not isolated within West Ewell division as they are at present, and we have adopted it as part of our draft recommendations. The remaining boundaries of West Ewell division, including the borough wards of Ruxley, West Ewell and the northern section of Court ward, are unchanged from the existing arrangements.

Ewell and Ewell Court, Auriol & Cuddington

Both proposals received suggested identical boundaries for these divisions, which we have adopted as part of our draft recommendations. There was a disagreement over the name of Ewell division, with the Labour proposal suggesting retaining the existing name, while the Council proposal suggested replicating the names of the constituent borough wards, and naming this division as Stoneleigh, Ewell Village & Nonsuch.

We considered this proposed name change carefully but, while retaining an open mind, have not included it as part of our draft recommendations. While we note that the northernmost division (Ewell Court, Auriol & Cuddington) has a name comprising the three wards constituting the division, we note that we are proposing to retain the existing boundaries for Ewell division, and that it may cause confusion for electors if the name of the division is changed but the boundaries remain unchanged. The Council did not provide significant evidence in favour of its proposed name, and we would welcome further evidence from residents and other interested parties as to whether a different name might better reflect the communities in this area.

Launching the consultation Professor **Colin Mellors**, Chair of the Commission, said: *"We want people in Surrey to help us."*

"We have drawn up proposals for new divisions in Surrey. We want to make sure these new electoral arrangements reflect communities. We also want them to be easy to understand and convenient for local people. Residents and local organisations can help us do that. We would like them to let us know whether they agree with our proposals before we take final decisions."

"It's easy to get involved. Go to our website. Or you can e-mail or write to us. Just tell us what you think and give us some details why you think that. It's really simple, so do get involved."

The Commission has a dedicated section on its website where people can see the detail of the proposals and comment on the names of divisions and their boundaries: <https://www.lgbce.org.uk/all-reviews/surrey>.

People can also give their views by e-mail at reviews@lgbce.org.uk, and by post:

Review Officer (Surrey) LGBCE, PO Box 133 Blyth NE24 9FE

This consultation relates to arrangements for local government elections. It is separate from the review of parliamentary constituencies that has recently concluded.

An interactive map is available at <https://www.lgbce.org.uk/all-reviews/surrey>

The Local Government Boundary Commission for England is an independent body accountable to Parliament. It recommends fair electoral and boundary arrangements for local authorities in England. In doing so, it aims to:

- Make sure that, within an authority, each councillor represents a similar number of electors
- Create boundaries that are appropriate, and reflect community ties and identities
- Deliver reviews informed by local needs, views and circumstances
- Reflect the request for single-member divisions
