

Planning buses not missing them says Epsom's MP

Dear Editor,

Thank you to Stuart Gosling for his contribution and for highlighting the important issue of transport links in relation to the new hospital development.

Has Epsom's new MP missed the bus to a new hospital?

I completely agree that good transport connectivity is essential for the success of this project, and I want to reassure residents that we have already considered this as part of the planning process.

New transport links will be introduced once the hospital is built, and discussions around the best way to serve the site with appropriate public transport will take place as we progress along the development timeline. It's important to note that transport infrastructure often needs to be developed alongside the new services and demands that arise from it.

I'll be at the forefront of ensuring that the new hospital is well-served by transport, and I'm committed to ensuring that Epsom and Ewell's needs are fully met. The process may take time, but I'm confident the results will be worth the wait.

Yours faithfully,

Helen Maguire MP
