Puppy School has arrived in Epsom!

16 January 2026

■ Owning the perfect puppy has never been easier now that “Puppy School” has arrived in Stoneleigh, Epsom!

■ “Puppy School” is a UK-wide network of professional dog trainers and Angelika received her own tutor training from renowned author, dog trainer and canine behaviourist Gwen Bailey.

Six weekly lessons held in St John’s Church Hall, Stoneleigh run by Angelika, are based on kind, gentle and effective methods. Angelika teaches owners how to improve their dogs’ obedience and ensure their puppies become good-mannered, well-balanced pets − friendly with adults, children and other dogs, and responsive to basic commands. Based on behavioural research and a better understanding of how animals learn, Angelika will teach owners to train their pets using kind, reward-based techniques, rooted in science. This helps produce obedient, well-mannered dogs who are not timid or fearful.

Angelika attends regular courses in the latest animal behaviour and training techniques and keeps up to date with information that may be useful to pet dog owners.

Angelika says, “My classes are designed to make training simple, and to be fun for both owners and puppies. They are ideal for dogs aged up to the age of 20 weeks and I teach owners and their puppies how to enjoy a healthy and happy life together.” She continues. “I am passionate about what I do, I feel that I am a friendly, approachable trainer and I shall always be on hand to give all the advice owners need to turn their puppies into well behaved adult dogs and beloved family pets.”

Classes held at St John’s Church Hall, Station Approach, Stoneleigh, Epsom KT19 0QZ

■ Studies show that it’s never too early to begin training and socialising pups. The earlier the better (and the easier it is) Socialisation and Habituation are key!

■ Puppy School was formed in 2002, and professionally trained tutors are running classes UK-wide.

■ Puppy School founder Gwen Bailey worked for the Blue Cross animal welfare charity, from 1988 to 2002 and pioneered the use of dog behaviour knowledge in the rehoming of unwanted animals. She was the first person to be appointed by a national animal welfare charity as a full-time animal behaviourist, eventually heading a team of behaviourists. Gwen has successfully solved behaviour problems in thousands of rehomed dogs, helping to prevent dogs with behavioural problems being passed from home to home and improving the rehoming success rate
