

Stella servant to local football passes

Stella Lamont, Club President of **Epsom and Ewell FC**, passed away on Armistice Day 2023 at the age of 95. Born on September 1, 1928, Stella's association with the club spanned over fifty years. A devoted supporter since 1973, Stella initially joined the Committee in 1979, contributing significantly to the improvement of the Match Programme.

Throughout the '80s, she served as Press Secretary, and in 1993, under her guidance, the club won the prestigious "Special Category" programme award. Stella's dedication was further acknowledged in 1998 when she received a voluntary service award for 25 years of involvement with the Epsom and Ewell Boys League.

In 2003, Stella became the President of Epsom and Ewell FC, a position she held with pride. Despite facing health challenges, she remained actively engaged, taking on roles such as Membership Secretary and contributing to the match programme. Her lasting legacy includes her impact on local Boys football and the informative programmes she crafted with meticulous detail.

Stella's commitment endured, even as she faced declining health. In 2016, she received a long service award from the Surrey Football Association, a testament to her enduring influence. Stella's final years saw her contributing articles to the club's programme, showcasing her unwavering dedication.

Beyond her football involvement, a peculiar note in her history involved an appearance in a pop video, "We Stand Around" by I Ludicrous, filmed at the club's old ground. This charming anecdote reflects Stella's unexpected and lighthearted presence in the club's rich history.

As we bid farewell to Stella Lamont, her name will forever be remembered among those who shaped Epsom and Ewell FC into a close-knit family club. Rest in peace, Stella.
