

Surrey Council stretches Epsom & Ewell Council resources

28 January 2023

At Thursday 26th January meeting of the Strategy and Resources Committee of Epsom and Ewell Borough Council eagle-eyed financial expert Cllr **David Gulland** (Lib Dem, College Ward) spotted a loss of £250,000 in the borough council's on-street parking income.

A council officer explained that , although highways are Surrey County Council's (SCC) responsibility, they had previously contracted Epsom & Ewell Borough Council (EEBC) to do the enforcement of on-street parking. EEBC already had their own enforcement officers managing the off-street carparks, so economies of scale could be realised by doing them both together. EEBC used to collect nearly £400K from on-street parking permits and enforcement notices.

But now SCC has unilaterally decided to end that contract and put it back out to a private sector contractor, so EEBC can no longer benefit from the on-street parking income or the economies of scale. Officers are doing all they can to reduce the cost and minimise the loss of income, he insisted.

Cllr Gulland was unimpressed with SCC's actions. "I think we should note that for possible action at county council election time," he suggested.
