

Surrey Open Studios Returns - Discover Artists Near Epsom

28 April 2026

Art lovers in Epsom and Ewell are being invited to step inside artists' working spaces this summer as the annual Surrey Artists Open Studios returns from 6th to 21st June 2026. The county-wide event sees hundreds of artists open their doors to the public, offering a chance to meet creators, view works in progress and buy original art directly.

Studios are organised into geographic areas across Surrey, with those closest to Epsom and Ewell forming part of the East Surrey grouping, alongside nearby towns such as Reigate and Redhill. Visitors are encouraged to plan their visits in advance, with many artists opening on selected days throughout the two-week period.

Among the participating studios within easy reach of Epsom is AJ Studio Gallery, where visitors can view a large collection of oil paintings. Also in Epsom, Terry O'Brien and Jacky Cowdrey Studio will be welcoming guests to explore their work in an informal studio setting.

A little further afield in Redhill, Heart and Home Studios brings together a range of disciplines including sculpture, handmade books and jewellery, while other studios across East Surrey showcase everything from ceramics and textiles to contemporary painting and mixed media.

The appeal of the Open Studios format lies in its accessibility. Visitors can explore a wide variety of creative spaces—from garden workshops to established studios—and speak directly with artists about their techniques and inspiration. Many venues also offer smaller works, prints and cards, making the event an opportunity to purchase unique pieces at a range of prices.

Full details of all participating artists, including opening days, times and exact locations, are set out in the official Surrey Artists Open Studios programme, available here:

With dozens of studios within a short drive of Epsom and Ewell, the event offers a simple way to explore Surrey's vibrant arts scene and support local artists this June.
