Top stuff for Cuddington Croft

30 January 2024

Staff and students at Cuddington Croft Primary had reason to celebrate when the latest SAT results revealed that the school ranked within the Top 10 in the county.

The Department for Education Performance Table for Key Stage 2 2023 SAT results showed that the school – which is part of the GLF Schools Multi-Academies Trust – was among the 10 highest performers out of 476 Surrey schools, according to the combined percentage of children attaining the expected standard in Reading, Writing and Maths.

“This is a really impressive achievement, considering the size of county and number of schools in Surrey,” said Mike Skelton, who is Head Teacher at the school. “If there was a table for combined greater depth scores, Cuddington would have been in the top three.”

“Cuddington is proud to be a consistently high achieving school,” he continued. “Post-covid, this is the first results published, so we are proud they continue to be this high, despite the disrupted learning caused by the pandemic.

“It shows the hard work of the staff from Nursery to Year 6 to enable the children to be successful and achieve their highest potential.”

Staff and parents alike at the school were delighted with the results.

“The staff were extremely proud of the hard work and dedication to support the children to achieve the results they did,” added Mr Skelton.

“A parent of a child in that cohort said: ‘It really is amazing. It makes us so proud of our child and the school. It has given our daughter the best possible start to secondary school.’

“Well done to all the children and all the staff for their hard work.”
