Surrey Police.

We are appealing for witnesses after a man was stabbed in the chest in **Horley** last night (**16 August**).

Police were called after the victim, a man in his 20s, was found with a single stab wound on a grassed area near **Roffey Close** around **10.20pm.**

The man was approached from behind and thrown from his bike to the ground by two men wearing balaclavas. He was then believed to have been dragged along the ground before being stabbed.

Two men were seen making off from the scene towards the recreation area near Sangers Walk shortly afterwards.

The victim was taken to hospital where he remains in a serious but stable condition.

Enquiries are underway and we are appealing to anyone who witnessed the attack, or who has any dashcam or doorbell camera footage or any other information, to come forward.

Detective Sergeant **Lee Marks** said: “We would like to reassure local residents that we are doing everything we can to identify those responsible and ensure they face the consequences of their actions.”
