Ultra-sound school kids

4 May 2023

Youngsters at **Ewell Grove Primary and Nursery School** have done it again. Back in the testing times of Covid during 2021, classes decided to organise their own entertainment programme to raise money for **Epsom Medical Equipment Fund** (EMEF), the charity launched in 1979 to help **Epsom General Hospital.**

This was the start needed to launch an appeal for the GE Ultrasound Scanner required by the Labour Ward theatre in Maternity at Epsom. With their parents backing them, they succeeded in raising nearly £1,000.

Last year they decided to repeat the feat – this time they brought a magnificent £1,132 which started the appeal off with a flying start.

This week the school was invited to present the GE Ultrasound scanner to **Dr. Dickson Osagie**. The school set the children a project to decide who would represent the school. There were eight lucky winners who visited the hospital with headteacher **Mrs Kate Keane**. “They were excited to learn the function of the Ultrasound scanner and how it works,” said Mrs Keane.

Dr Osagie added “We were very lucky to have an ultrasound donated to us by EMEF. It is a £27,500 piece of equipment. The Labour Ward theatre did not have its own dedicated ultrasound for the anaesthetic team to use. Donating this machine has gone a long way in improving the care we give to pregnant women in the hospital as it will help us to be able to put in difficult cannulas, also when epidural for pain relief is difficult to perform, the ultrasound helps make this easier.“
