Why vote Labour in Epsom and Ewell?

30 April 2023

Exclusive to the Epsom and Ewell Times we are bringing you statements from each Party standing for election to the local council this Thursday 4th May. We continue today with the Labour Party.

Vote Labour on May 4th for a fairer, greener, safer Borough. Your Labour candidates are determined to do all they can for the residents of Epsom and Ewell. The Tories have broken the economy and working people are paying the price. People are struggling to pay their bills. The cost of gas and electricity, the cost of essential food and our rents and mortgages have all gone up, but pay rates are stagnating. It shouldn't be like this.

Top photo: Chris, Rob, Sarah, Kate and Mark out in Town Ward hearing from people on the doorstep about the need to make Epsom safer.

The Epsom and Ewell Residents' Association, who control the council, are out of their depth in the face of the problems created by the Conservative Government. They don't have the experience, knowledge or resources to support their residents whilst public services crumble around us. So many things need fixing: – the cuts to social housing and social care that have had a devastating effect; services for young people and police numbers that have all been cut; the pot holes that are dangerous for cyclists and damage cars which continue to deteriorate. Our own chalk stream, The Hogsmill, is being polluted with sewage and it was your Labour team that met with Thames Water to challenge this Only a Labour Government and Labour councils can rebuild the economy and address the problems we face.

Both nationally and locally, Labour is ambitious and determined to help communities grow and prosper. Labour will freeze council tax, cut energy bills by insulating homes and work to generate cheap home grown electricity.

Our priorities for Epsom and Ewell are:
 a safer borough – with more visible police back on the beat.
 a fairer borough – with homes that local people and key workers can afford to settle in.
 a greener borough – with more trees and we'll continue to protect our precious green belt.
 a cleaner borough – with robust action on fly tipping and increased fines for littering to pay for more street cleaning. The Labour Team will continue to lead regular litter picks.

and we will crack down on town hall waste, with no more expensive, unnecessary consultants.

The Epsom and Ewell Labour Party know that proactive Labour councils can provide solutions. Labour councils improve areas by investing in their communities.

To provide homes for their residents Camden Council have approved the building of new social and living rent homes on under-utilised council land, delivering: 44 new social rent homes for families on the waiting list, 23 living rent homes for key workers and 6 supported living homes. All of these homes to be built to the highest standards of design and sustainability.

In Norwich, Goldsmith Street is an award winning 100% social housing development of 93 Passivhaus homes built in a traditional street pattern. The homes provide a high level of occupant comfort using very little energy for heating and cooling.

For a cleaner borough – Lewisham have worked to reduce fly tipping by enforcement, quickly removing it and engaging with the community to reduce the huge costs. In Epsom and Ewell we would provide free skips for different wards on a rotational basis supporting people to dispose of their unwanted larger items responsibly.

There are many good practice models of providing public transport and homes, tackling anti-social behaviour and working with communities to improve the lives of residents.

A Labour council in Epsom and Ewell would work with and for our residents to enable individuals and the borough to grow and prosper.

The borough of Epsom and Ewell is a great place with great people. Only Labour has a plan for a fairer, greener more dynamic economy that will deliver better jobs and raise living standards for residents.

The borough of Epsom and Ewell is a great place with great people. Only Labour has a plan for a fairer, greener more dynamic economy that will deliver better jobs and raise living standards for residents.

We are on your side.

So, Vote Labour on May 4th and let’s build a better borough together.

Ed: Labour are fielding candidates in all 14 wards in the Borough
